

In The Shadows Of The Net Breaking Free Of Compulsive Online Sexual Behavior

Sex Addiction as Affect Dysregulation: A Neurobiologically Informed Holistic Treatment (Norton Series on Interpersonal Neurobiology) - Alexandra Katehakis 2016-09-20

Examining the neurobiological underpinnings of sex addiction. Neuroaffective science—studying the integrated development of the body, brain, and mind—has revealed mechanisms linking psychological and biological factors of mental disorders, including addiction. Indeed, its paradigm-shifting theoretical umbrella demonstrated that substance and behavioral dependencies share identical neurobiological workings, and thus that problematic repetitive behaviors are genuine addictions—a state increasingly understood as a chronic brain disorder. Clinical experience strongly suggests that sex addiction (SA) treatment informed by affective neuroscience—the specialty of Alexandra Katehakis—proves profoundly transformative. Katehakis's relational protocol, presented here, blends neurobiology with psychology to accomplish full recovery. Her Psychobiological Approach to Sex Addiction Treatment (PASAT) joins therapist and patient through a relationally-based psychotherapy—a holistic, dyadic dance that calls on the body, brain, and mind of both. Written with clarity and compassion, this book integrates cutting-edge research, case studies, verbatim session records, and patient writings and art. Katehakis explicates neurophysiological, psychological, and cultural forces priming and maintaining SA, then details how her innovative treatment restores patients' interpersonal, sexual, and spiritual relationality.

Recovery Zone Volume 1 - Patrick Carnes, Ph.D 2009

Recovery Zone, Volume One picks up where *Facing the Shadow* leaves off, guiding readers to begin working tasks eight through thirteen of Dr. Patrick Carnes' innovative thirty-task model. This book helps readers understand that true recovery is achieved by learning to cope with difficult situations and emotions. Stopping addictive behavior is the only way to start recovery. However, stopping the behavior is not enough to stay in recovery. True recovery is achieved by learning to cope with difficult situations and emotions. Dr. Patrick Carnes helps readers know how to deal with difficult affective states and guides them to a place of resilience so they can decide what is important in their lives. Readers will learn how to live optimally in their *Recovery Zone*. The work sets the stage for recovery tasks 8-13, providing readers with a practical approach to recognize the underlying emotional causes that perpetuate the addiction cycle.

CBT for Compulsive Sexual Behaviour - Thaddeus Birchard 2015-05-15

Increasing numbers of therapists are coming into contact with the problem of compulsive sexual behaviour disorders. However, it is still a relatively new field and there is little in the current literature available that enables the therapist to work with and treat this problem. *CBT for Compulsive Sexual Behaviour: A guide for professionals* addresses this by providing a guide to cognitive-behavioural theory and practice which includes the assessment, diagnosis and treatment of addictive sexually compulsive disorders. Beginning with a description of addictive sexuality and an overview of cognitive behavioural therapy in which CBT is presented as the most useful response, Thaddeus Birchard provides clear therapeutic information about the implementation of CBT treatment intervention. The chapters included cover the neuroscience that underpins the addictive process; a 'how to' chapter on the use of groups; paraphilias; trauma and attachment; comorbid disorders and cross-addictions and analysis on the function of internet pornography, all written from a cognitive behavioural stance. Using case vignettes throughout, Thaddeus Birchard draws on his own experience as a psychosexual therapist, along with the latest research in the field, to enable the therapist to treat a range of compulsive sexual problems in a way that can be applied in individual practice or in a group setting as well as how to prevent relapse. This book will be essential reading for psychosexual therapists, cognitive behaviour therapists and other professional working with sexual compulsive disorders.

Recovery Zone Volume 2 - Patrick Carnes 2021-10-19

The process of therapy and treatment means stepping into an unfamiliar, new world with very different perspectives, processes and even its own language at ties. The goal of this extraordinary world is to repair,

restructure, and build the internal structures to cope with losses, trauma, dysfunction, toxic stress, and addiction. The first of the *Recovery Zone* series focuses on the often painful and difficult internal tasks for that transition. This first book in the series by Patrick Carnes is already regarded as a classic and has been a durable best seller for the past decade. The second volume is now here, and Dr. Carnes helps with the issue of "now that I know all of this, what do I do?" How to translate the inner transformation into my everyday world? I have discovered the real "me" but what does that mean for me to integrate ideas and skills with my relationships, work, values, lifestyle -- and be happy? Much has been written about overcoming trauma, grief, dysfunctional relationships and the sinkholes of the various addictions. The sequel of *Recovery Zone* provides real answers about how to stay in the zone when traumatic events, toxic stress, and easy access to escape surrounds you. The goal must be an "Ultimate To Do List" so you do not miss out on the life you want and feel a genuine call to do. Core to this platform is a resilience built on ten master skills and thirty operational strategies that users describing as "defining" passage into a new life. The joke about life being what happens when you are on the way to do something else, has little reality at the end of this second volume. Dr. Carnes is widely known for his personal sharing, his warm and engaging stories, and his ability to weave complex science into something that everyone can use. These materials have evolved with the help of over two thousand therapists and the experiences of many thousands of patients. Another vintage of classic Carnes's writing.

Principles and Practice of Sex Therapy, Fifth Edition - Yitzchak M. Binik 2014-03-19

This book has been replaced by *Principles and Practice of Sex Therapy, Sixth Edition*, ISBN 978-1-4625-4339-7.

Serving Jesus with Integrity - Dwight P. Baker 2010-06-28

The word "ethics" carries an aura of countervailing views, overlapping claims, uncertain footing, and seductive attractions. Some issues are as clear as the horizontal versus vertical axes in Sawai Chinnawong's striking painting, *Joseph and Potiphar's Wife*, that graces the cover of this book. At the same time—because we are involved, because our interests, our inclinations, our plans and relationships are at stake—the issues that engage missionary practitioners can be frustratingly labyrinthine, curling endlessly back on themselves. Evangelical missionaries and mission agencies are concerned about personal morality—and rightly so. But as the chapters in this volume attest, evangelical mission's ethical engagement extends far beyond simply avoiding compromising sexual situations and not absconding with the finances. How should we talk about others' beliefs and practices to ourselves? To them? How should we represent ourselves to others? What role does tolerance for ambiguity play in missionaries' mental preparation? How should accountability be structured in intercultural partnerships? Are there ways to enable organizational justice to flourish in mission institutions? What might integrity in short-term mission outreach look like? How does care for creation relate to mission? What role can a code of ethics for missionary practice play? Limited and fallible and marred by the fall, we need both guidance and admonition—and deep reflection on the conduct of evangelical mission such as is provided in this volume—so that we may serve Jesus with true integrity.

Sex and the Internet - Al Cooper 2013-08-21

First Published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

Case Studies in Sexual Deviance - William T. O'Donohue 2013-10-08

The assessment and treatment of sexual deviance can be very difficult tasks, and it can be hard to find mentors to provide initial skills training and help in navigating the many complexities of a particular case. This book presents a series of case studies from international experts in the field that depict the evidence-based assessment and treatment of a variety of paraphilias. Intended as learning tools readers can use as models and from which they can gain insight, these case studies are offered as exemplars of clinical

problem solving. The authors of each chapter provide research evidence that justifies treatment decisions, explain their assessment strategies and case formulations, and provide information about how to navigate common problems a clinician will encounter, such as denial, poor motivation, and co-morbid problems. A variety of assessment instruments and treatment strategies are also illustrated. Both new and experienced clinicians will find this book to be an invaluable resource in their own work.

Compulsive Sexual Behavior Disorder - Richard Balon, M.D. 2021-02-04

"Compulsive Sexual Behavior Disorder: Understanding, Assessment, and Treatment is the first book to explore the new ICD-11 diagnosis, which, although controversial, is useful in defining, categorizing, and classifying sexual behavior that causes anguish and distress. Edited by clinicians at the forefront of the field, the book prioritizes both clinical utility and relevant research. After an introduction, which offers much-needed context, the book compares sex addiction and compulsive sexual behavior disorder (CSBD) by reviewing proposed criteria for both conditions, examines the associations between CSBD and substance use and other addictive disorders, and then moves to a chapter on CSBD and the internet, offering clinically-based insights on how to work with patients who engage compulsively in online sexual activities. The volume then proceeds to the diagnosis of hypersexual or compulsive sexual behavior in both ICD-11 and DSM-5 and describes best practices for making a comprehensive evaluation, including conducting the clinical interview and the use of relevant assessment tools. This is followed by a review of the different pharmacological and psychotherapeutic approaches available to treating clinicians. Special topics include a discussion of existing research on compulsive sexual behavior in women—an area of inquiry that has been badly neglected—as well as the forensic aspects and associated risks of hypersexuality and the religious and cultural influences related to CSBD. Hypersexuality afflicts many, disrupting lives and hampering true intimacy. Drawing on cutting-edge research and clinical wisdom, Compulsive Sexual Behavior Disorder: Understanding, Assessment, and Treatment equips practitioners to engage and treat these complex cases"—*In the Grip of Desire* - Gale Holtz Golden 2009-05-18

First Published in 2009. Routledge is an imprint of Taylor & Francis, an informa company.

A Gentle Path Through the Twelve Steps - Patrick Carnes 2012-04-13

A Gentle Path through the Twelve Steps Updated and Expanded

In the Shadows of the Net - Patrick Carnes 2004

It's 3:30 a.m. and Kevin is still online, absorbed in pornographic images flashing across his computer screen, and searching for more. Hours ago he tucked his children into bed and said good night to his wife, retreating to the computer to "finish up some work." Although his late night ritual leaves Kevin ashamed and exhausted, he is too embarrassed and guilt-ridden to seek help. He tells himself that no one would understand anyway. Anonymous and accessible, the Internet offers an alluring arena for compulsive sexual behavior. Destroyed marriages, career loss, and financial ruin are common outcomes. Revealing how desperate life can become for someone addicted to online sex, *In the Shadows of the Net* brings hope and healing to men and women struggling to understand and overcome this compulsive behavior. Drawing on their collective clinical expertise as well as current research, the authors equip readers with specific strategies for recognizing and recovering from compulsive online sexual behavior. "A valuable road map for understanding and healing cybersex addictions." Windy Maltz, M.S.W., author, *The Sexual Healing Journey*, and coauthor, *Private Thoughts* "In the Shadows of the Net shines a hopeful light on the dark side of cyberspace. It is certain to become a valued resource in dealing with a new frontier of addictive disorders." Kenneth M. Adams, Ph.D., Clinical Psychologist, and author *Silently Seduced* "The authors Present a positive and effective approach to dealing with cybersex, a rapidly increasing problem. In the Shadows of the Net is sure to become a classic in its field." Gary Blanchard, B.A., A.A.C., Addiction Counselor, and author, *The Positive Path of Recovery* "Very powerful. In the Shadows of the Net comes at a time when the need is great for understanding and exploring cybersex treatment possibilities. Today Internet pornography is more powerful than Viagra for many persons. I shall definitely recommend this book to my patients." Ralph H. Earle, M.Div., Ph.D., President, Psychological Counseling Services, Ltd., coauthor, *Lonely All the Time*.

Clinical Management of Sex Addiction - Patrick Carnes 2013-06-17

This is the first comprehensive volume of the clinical management of sex addiction. Collecting the work of

28 leaders in this emerging field, the editors provide a long-needed primary text about how to approach treatment with these challenging patients. The book serves as an excellent introduction for professionals new to the field as well as serving as a useful reference tool. The contributors are literally the pioneers of one of the last frontiers of addiction medicine and sex therapy. With a growing awareness of sex addiction as a problem, plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation. This is the first book distilling the experience of the leaders in this emerging field. With a focus on special populations, it also becomes a handy problem-solving tool. Readable, concise, and filled with useful interventions, it is a key text for a problem clinicians must be able to identify. It is destined to be a classic reference.

Addiction Counseling Review - Robert Holman Coombs 2004-12-13

Addiction Counseling Review: Preparing for Comprehensive, Certification, and Licensing Examinations offers a clear, readable overview of the knowledge and skills those training as alcohol or other drug counselors need to pass their final degree program, certification, and licensing examinations. It is organized into six sections: Addiction Basics, Personality Development and Drugs, Common Client Problems, Counseling Theories and Skills, Treatment Resources, and Career Issues. Each chapter includes challenging study questions that enable readers to assess their own level of understanding, including true/false, multiple choice, and provocative discussion questions. Each chapter also provides a glossary of key terms and, in addition to references, annotated suggestions for further reading and Web site exploration. This book will be a resource to which students and trainees will go on referring to long after it has helped them through their examinations. In addition, faculty and established professionals will find it a useful one-stop summary of current thinking about best practice.

The Married Guy's Guide to Great Sex - Clifford L. Penner 2017-09-05

Keep the sizzle in your marriage. Sex matters in a marriage—a lot! Yet many men secretly wonder: Is she really satisfied? What do we do when our desires don't match? How can we get back the passion we used to feel? The Married Guy's Guide to Great Sex will tell you what you really want to know: how to make sex meaningful to your wife, build desire, get past sexual problems, and enjoy guilt-free sex. Noted sex therapists Clifford and Joyce Penner also unveil the mystery of "what women want" and how simple it is to boost your love life by letting your wife lead. Their candid, clear style will encourage you to make great sex happen—or happen more often—in your marriage. This title is a repackaging of *The Way to Love Your Wife*, and is a companion to the new title *Enjoy: God's Gift of Sexual Pleasure for Women*, also by the Penners.

Working with Sex Offenders - Daniel Wilcox 2017-02-03

Working with Sex Offenders is a unique book which brings together leading practitioners in the field to provide a comprehensive and up-to-date distillation of relevant guidance to assist anyone who works with sex offenders. The authors examine topics including assessment, treatment, supervision and safeguarding. Skills and strategies for successful engagement with offenders are a key focus of the book, as well as improving understanding of underpinning factors associated with offending and desistance. This volume, which is derived from well-received presentations hosted by the UK's National Organisation for the Treatment of Abusers (NOTA) over a number of years, also offers a detailed examination of individual, organisational and societal roles in relation to identifying and preventing sexual abuse in our communities. Using case examples throughout, *Working with Sex Offenders* will be essential reading for all professionals involved in the management and treatment of sex offenders.

Integrity Restored: Helping Catholic Families Win the Battle Against Pornography (Revised and Expanded Edition) - Peter C Kleponis, Ph.D. 2019-11-01

Alarming numbers of men, women, and teens struggle with frequent or habitual pornography use today. Among them are many faithful Catholics desperate for hope and healing. In *Integrity Restored: Helping Catholic Families Win the Battle Against Pornography*, clinical therapist Dr. Peter Kleponis equips readers to embark on a path of recovery. Drawing heavily from Catholic teaching on human sexuality, Kleponis provides resources and insight for parents, educators, pastors, and all struggling to overcome an addiction to pornography. In this newly updated edition, Kleponis looks at new technologies, apps, and services that pose the biggest threat to Catholics today.

Out of the Shadows - Patrick J Carnes 2009-06-21

Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

In the Shadows of the Net - Patrick J Carnes 2009-07-30

The much-anticipated second edition of the breakthrough book about recovering from online sexual addiction. As the Internet becomes a more powerful, imposing force in our lives, indeed becoming difficult to avoid, the potential for related problems also increases. This includes troubles of a sexual nature. When accessing porn no longer requires even a trip to the store, when we can view and participate in sexual activities anonymously, when younger and younger children are being exposed to sex online, when virtual interactions take over, limiting and even destroying real-time relationships, we are in crisis. Compulsive online sexual behavior is a real and growing problem. Yet the situation is not without hope. For those who

are seeing signs of significant online problems in themselves or a loved one, this updated second edition of *In the Shadows of the Net* provides answers, understanding, and tools for recovery. With the latest statistics, discussion of recent technologies and devices, and new thinking on developing a healthy relationship with the Internet and avoiding relapse, this book offers authoritative, professional advice for achieving lasting, healthy change and healing.

A Contemporary Approach to Substance Use Disorders and Addiction Counseling - Ford Brooks 2023-09-18

A unique offering of both knowledge and information, this third edition reflects the latest practices and time-tested data. Brooks and McHenry offer relevant case examples that showcase the therapy process as it relates to clients with a substance use disorder and the impact on their families. New approaches and techniques of medication-assisted treatment with opiate addiction, harm reduction, the use of peer recovery specialists and drug courts, and the importance of addressing trauma in the treatment process are thoroughly presented to ensure effective work with clients from intake through recovery. With a look at the impact of the COVID-19 pandemic included, mental health professionals will gain an empathic understanding of the nonlinear process of recovery. A supplemental Instructor's Guide is available by request from ACA. *Requests for digital versions from ACA can be found on www.wiley.com *To purchase print copies, please visit the ACA website here *Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org
