Why Wait? - Letha Scanzoni
1975

Why Wait - ROSE

PUBLISHING, 2001-06

Why Wait? is a best-selling abstinence education booklet for Christians. It discusses one of the biggest challenges among teens and singles: premarital sexual activity. This bestselling full-color pamphlet presents 24 reasons--12 biblical and 12 medical and emotional--to think twice before risking health and happiness on sex outside of

marriage. Although many public school students receive sex education in school, Christians have a distinct view of the sacredness of sex that is usually not presented in a classroom setting. This Why Wait Pamphlet is a very basic abstinence education overview from a Christian stance that presents a Christian viewpoint on human sexuality in a simple 1-2 hour discussion. The reality is that many students today have experienced sexual contact already. Some have been taken advantage of.

Others were pressured or coerced. Some have simply been naive. This grace-filled pamphlet also helps those who want to be assured of God's constant love and good plan no matter what they have experienced. It is never too late to treat yourself with respect and expect others to do the same. Abstinence Education from a Christian Point of View

Teens and single adults ask themselves, Why Wait? Why does God care if I have sex? Everyone else is doing it. In fact, these many people are often surprised to discover that God does have very good reasons for us to wait for sex until marriage. The pamphlet presents 12 of God's compelling reasons to wait, but also provides ideas for those who have not, as well as an encouraging section on "second-time virginity."

Centers for Disease Control, the Alan Guttmacher Institute, the National Institutes for Health, the Kaiser Family Foundations, and Johns Hopkins Medical School.

Love, Sex, & Marriage - Barrington O. Burrell 2013-04-09

This is a valuable book on the topical subjects of love, sex and marriage, from a practical Christian perspective. The author uses clear, understandable language to point out the God-given purpose of sex in marriage, and some of the potential dangers of sexual abuse. He explores the early beginnings of newborn babies and their subsequent growth over the years to puberty and adolescence. "Teenagers are like strangers in a foreign country. They are experiencing

a difficult period of transition between childhood and adulthood. At this crucial stage of their development, young people have a keen interest in fashion, music and sex. Many are sexually active, and some begin to think about marriage and family life, although they often confuse love with lust, and they are not mature enough to assume the responsibility of parenthood.'

Sexual purity means setting priorities with God. This booklet provides pertinent information on the value of virginity and the motivation to maintain it. Also includes ways to renew it.

God and Sex - Michael Coogan 2010-10-01

An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the

most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

Is Premarital Sex Condemned in the Bible? - Frode Somme 1993

Unprotected Texts - Jennifer Wright Knust 2011-01-25
“An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar.” —Bart Ehrman, author of *Misquoting Jesus* Boston University’s cutting-edge religion scholar Jennifer Wright Knust reveals the Bible’s contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman’s *Jesus Interrupted* and John Shelby Spong’s *Sins of Scripture*, Knust’s *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don’ts—so often dictated by religious demagogues. Knust’s powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Is Premarital Sex Forbidden

in the Bible? - Solomon Thomas Jacob 2023-06-12
Growing up in a Christian church, the most prevalent consistent teaching about dating and sex is that it is a sin to have sex outside of marriage. Where does this come from? Is it actually in the Bible? While few actually live this, most are taught that both males and females are supposed to remain virgins until marriage. After decades of living with this guideline as it was taught to him, the author undertook an exhaustive Bible study to look for more concrete answers than he could find in church services and small groups. Digging past the surface statements and catch phrases uttered by pastors and Bible study leaders, the author has uncovered a shocking discovery that may change everything you think you know about this fundamental teaching.

the often confusing-and peer pressure influenced-world of sex and dating and provides practical ways, through scripture and personal anecdotes, for single people to stay pure before marriage. Susan Nemeth, together with her husband, has been involved in youth ministry for nearly twenty years. After witnessing countless youth succumb to the pressures of sex, Nemeth began educating others on how the word of God does not shy away from discussing physical relationships, but instead provides valuable guidance on the values and proper perspective of sex. Nemeth answers actual questions by youth about sex and shares the facts about the results of wrong decisions while specifically explaining how to: Share responsibility for actions on a date Distinguish between lust and love Grow spiritually first before finding a mate Tell how far is too far when it comes to a physical relationship Accept God's forgiveness for past mistakes God's Word on Sex and Dating

provides encouragement and much-needed spiritual guidance to young adults who want to have happy, fun-filled dates while remaining pure.

A Biblical Argument Against Premarital Sex - Mark A. Snoeberger 2022

Christians in the West face an increasingly sexualized culture, yet most arguments against premarital sex seem to rest on assumptions, appeals to cultural norms or traditions, conclusions of social science about the problems that are associated with sex before marriage, or broader abstract principles of Scripture rather than seeking to make a direct biblical case. This booklet is an effort to fill in that gap in order to show the Bible clearly and explicitly teaches that premarital sex is biblically immoral.

Faith Love and Sex -

Somtochukwu Ume 2012-10

This book is about the three common words we normally say, their meaning and their impacts in our daily lives. Many Christians use the word faith often but only few truly have it.

This book will teach you more about faith, the application, importance and how we can apply it in our daily lives. As human beings we need faith to help us stay strong in stormy times. Another important topic discussed in this book is "love". In our world today, love is the most common word used. We use it mostly on daily basis; we understand and define it in so many ways but only few know the true meaning of it. I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl. Some people believe in love at first sight, I'm not against it, I know something will get you attracted from somebody before you can make a move, but that attraction doesn't mean you love the person, is only being close with someone that you will get to develop real love. Real love develops is not based on physical attraction. Another important word discussed is sex. Nobody in this life can tell me he/she has never heard of sex. Sex is everywhere. This

book will teach you some things you have to know about sex; it is not something you haven't heard of, but teachings in biblical way.

Premarital Sex in America - Mark Regnerus 2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes;

and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, *Premarital Sex in America* will serve as a touchstone for years to come.

Reclaiming Intimacy - Heather Jamison

The author speaks to couples and counselors dealing with the complicated emotional and spiritual problems generated by physical relationships that precede long-term commitment.

life of a Christian single today is maintaining purity until marriage. The payoff is perfect love and sex, just as our Creator intended. But if that's so awesome, why aren't more people choosing it? And how can premarital sex be so bad if so many people are doing it and loving it? People who were virgins when they married aren't usually the type to kiss and tell. And when premarital sex goes wrong, no one wants to Tweet it. This awkward silence from both contingents isn't helping the next generation to decide well on the issue of premarital sex. Purity's Big Payoff/Premarital Sex is a Big Rip-off is a collection of 17 first-person narratives about successfully waiting for marriage to have sex - or not. Contributors on both sides of the issue candidly share in face-reddening detail what they learned on their way to the wedding bed. Young people aiming to remain pure will be encouraged and learn practical strategies for resisting sexual temptation. Those who wish they had

wanted will learn that it's never too late to restore purity with God's grace. (This book is two-faced. One side is dedicated to purity, then turned over and flipped upside down, the other side is dedicated to premarital sex. Thus the last page of the purity book is immediately followed by the last page of the premarital sex book, but upside down, and vice versa. Got it?) *Sex Before Marriage* - Timothy S. Lane 2009-10-31

"If we're in love, what's wrong with having sex before marriage? Why should we be the only ones who wait?" If you have ever thought or said things like this, you have a lot of company. Good Christian Sex - Bromleigh McCleneghan 2016-07-05

right and valid way to practice one's sexuality—this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, *Good Christian Sex* combines humorous personal anecdotes with theological

research to transform how Christians think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, *Good Christian Sex* is a message of hope, that at last lifts the veil of shame felt by many religious people.

Sex Is NOT a Sin - 2016-06-10
SOMEBODY'S Not Telling You the Truth! Whether you are a Christian or not... religious or not, you're going to be intrigued by this discovery. Does God really consider premarital sex a sin? abomination in the sight of God. But is that what God really says in scripture? Truth is... the truth has been cloaked by false religious doctrines based on critical flaws in the translations of certain words, perhaps intentionally, changing the meaning of specific pieces of scripture within the historical context it was written. What this creates is a gross misunderstanding of what the original intent of the writers was with regards to this topic. It's as if the religious elites have launched a campaign of disinformation designed to pull the wool over your eyes... But why? The outcome is condemnation and guilt for anyone who engages in premarital sex... or even thinks about it. But none of that is Biblically correct! This book proves it. Written by a Christian of more than 35 years who was challenged to expose the truth based on a failed relationship with his fiancée, in which some Christian associates openly passed judgement that his relationship wasn't blessed due to

premarital sex. Having discovered the truth long ago but never really studying it, he was forced to defend himself against a barrage of accusations based on scripture thrown at him by those indoctrinated in the religion of sexual immorality: Scripture he knew was out of context with the wrong translations. Unfortunately, he lost that battle because he couldn't "show himself approved." This led to a 4-month long journey into rediscovering the truth and exposing the lies perpetrated on him and the rest of the world. Based on facts that have been hidden from the public for centuries, he reveals what God's real intentions are regarding sex, sex before marriage and prostitution. What you will discover flies in the face of main street religious doctrine that premarital sex is a sin, all prostitution is a sin and that anyone "lusting" after another to desire that person is adultery. Whether you are a Christian or not, you will feel liberated from this distorted

and false doctrine of sexual immorality and uncover what God truly has to say about those things which are really sexually immoral and why. This book is for anyone who is justly interested in the truth on this taboo. It will empower you and inspire you. This book is not a condemnation of Christianity

and instead shows that it is "religion," not Christianity that is the issue. This book doesn't promote prostitution nor encourage sex before marriage, especially for young adults. It's an exploration of the truth that has been hidden for too long.
