Ancient Stone Sites of New

England and the Debate Over Early European Exploration - David

Goudswaard 2006-07-19

"From Maine to Massachusetts, this work presents an examination of unexplained historical remains in New England. From the most notorious to the lesser known, it explores not only the layout and dimensions of such sites--some reminiscent of Stonehenge with their huge stones, astronomical alignments and undiscovered purposes--but also the history and possible explanations for their existence"--Provided by publisher.

Dudley and the Mud Monster - Anita Meredith 2017-03-10

Something is hiding beneath the surface of the dark and

muddy waters of the neighborhood pond. Dudley thinks a Mud Monster is lurking there! And he wants to catch it! But can he catch the Mud Monster? And if he does... what would he do with it? In this captivating story about a boy named Dudley, the reader is taken on a summertime adventure with Dudley and his brother, discovering the power of persistence and the value of understanding things that live in nature all around us.

The Brink of Oblivion - Josh Kilen 2014-09-07

Sean Ryanis faces his toughest enemy yet! A mysterious and relentless killer is out to put a blaster beam through Sean Ryanis, and nothing will deter him from his mission. Out of tricks and with nowhere to

hide, Ryanis must uncover the killer's identity and risk his neck to save the lives of his friends.

Evil Penguins - Elia Anie 2013-03-06

Penguins. They're everywhere—gracing movie screens, Coke ads, and merchandise. But don't let those happy feet fool you. When they're not surfing or marching bravely across the Antarctic, penguins have a whole other agenda going on. And it isn't pretty. In *Evil Penguins*, Elia Anie captures the antics of cute little birds who have gone over to the dark side. If you thought the worst a penguin could do is make you feel guilty about global warming, think again. A must-have for both penguin lovers and those who know that evil can come in even the cuddliest packages. "A fun and breezy read. Anie channels *The Far Side* with great success and maintains an acidic, devious tone throughout the entire book." - Ain'tItCool.com Very funny and witty, with a dark nod, wink and a smile

throughout." - The Penguin Post
The 100 Greatest Rock Bassists
- Greg Prato 2018-08-19
There have been seemingly countless "Greatest Rock Guitarists" lists assembled over the years - for articles or books. But...what about bassists? In 'The 100 Greatest Rock Bassists,' author/journalist Greg Prato courageously attempts to level the playing field, single-handedly. In addition to counting them down from the bottom to the top, each entry contains info on each player - including background data, standout tracks, similar players, preferred makes/models, etc. And that's not all! Also featured are ten all-new interviews for this book, with some of the greatest rock bassists of all-time (Billy Sheehan, Les Claypool, John Myung, Mike Watt, Doug Wimbish, Doug Pinnick, David Ellefson, Glenn Hughes, Glen Matlock, and Cris Kirkwood), as well as vintage/rarely-seen photos of many of the top names. So...put down your bass

for a bit, pick up this book, and discover just who are 'The 100 Greatest Rock Bassists.'
Are You Ready to Help with the Motu Today? - Caroline Evari 2021-06-30

Crow Girl - JB Trepagnier 2018-01-15
Liam Collins wants to be a writer more than anything else. After unceremoniously being laid off from his job at the paper, he thinks he finally has time to write that book. As his writer's block continues, he spends his time gardening and brewing his own beer. One day, he notices someone has been stealing peas in his garden in the idyllic Irish countryside. Only meaning to scare them off, he accidentally shoots someone. Following them to the Hawthorn tree, there is a wailing girl up there dressed in strange, ripped clothing who doesn't appear to have the

ability to speak except in strange noises. Curiosity wins out after he drops her off at the hospital and he goes back to visit her. This strange, wild girl cannot speak and doesn't know what food is when it's presented to her. Thinking she appeared in his tree as a shrieking banshee for a reason, Liam claims her and brings her home. He thinks he can help her and teach her to speak and she can help him by giving him the book he knows is inside him.

The Boy You Brought Home -

John Marsden 2002-07-01

From John Marsden, the highly-acclaimed and bestselling author of *Secret Men's Business*, comes a practical guide to help single mothers enjoy and celebrate raising their sons. Drawing on his years as teacher and mentor to young people, John Marsden follows the child from baby to young man and identifies 101 important steps in fostering a boy's developing masculinity. Written with humour and compassion, John understands what it means to

be a boy and how to help a boy grow into a well-adjusted man. RECENT STATISTICS from the Australian Bureau of Statistics: - Out of Australia's 4.6 million children aged under eighteen, 1.1 million children live with only one of their natural parents, usually as a result of relationship or marriage breakdown. - The vast majority of children, who had a natural parent living elsewhere, were in the sole care of the parent with whom they lived, while 3 per cent of children had parents who shared care more evenly between them. - In April 1997, there were 978,000 Australian children who were living with one natural parent and who had a natural parent living elsewhere. The vast majority (88%) lived with their natural mother in either one-parent families (68%) or in step or blended families (20%). *Amateur Girl* - Amanda Whittington 2014-11-28 Julie is an auxiliary nurse, working long hours in a Nottingham hospital. She longs for some real excitement and a bit of spare cash. When her

new boyfriend brings a camcorder, Julie sees a whole new career ahead. She is drawn into the world of the so-called amateur girls, the stars of home-made pornography. Julie's new life can't stay secret for long and what starts as a bit of fun becomes anything but. Based on real-life stories, *Amateur Girl* is a hard-hitting, poignant, yet wryly amusing play about the reality behind the fantasy business.

[A Thin Slice of Heaven](#) - P. M. Terrell 2015-03-05

She had arranged to meet her husband in Northern Ireland for a second honeymoon, but when Charleigh arrives at the remote castle, she receives a message that he won't be coming-and that he's leaving her for another woman. Stranded for the weekend by a snow storm that has blocked all access to the castle, she finds herself three thousand miles from home in a country she knows nothing about. She is soon joined by Sean Bracken, the great-grandson of Laird Bracken, the original owner of the castle, and she finds herself

falling quickly and madly in love with him. There's just one problem: he's dead. As the castle begins to come alive with secrets from centuries past, she finds herself trapped between parallel worlds.

Caught up in a mass haunting, she can no longer recognize the line between the living and the dead. Now she's discovering that her appearance there wasn't by accident-and is more sinister than she ever suspected.

SHILP KAAVYA - Love , Opportunity and Random Thoughts - Shilpi Chatterjee 2020-07-29

This book is about - Love, Opportunity and Random Thoughts

[Conducting Meta-Analysis Using SAS](#) - Winfred Arthur, Jr. 2001-06

Conducting Meta-Analysis Using SAS reviews the meta-analysis statistical procedure and shows the reader how to conduct one using SAS. It presents and illustrates the use of the PROC MEANS procedure in SAS to perform the data computations called for by the

two most commonly used meta-analytic procedures, the Hunter & Schmidt and Glassian approaches. This book serves as both an operational guide and user's manual by describing and explaining the meta-analysis procedures and then presenting the appropriate SAS program code for computing the pertinent statistics. The practical, step-by-step instructions quickly prepare the reader to conduct a meta-analysis. Sample programs available on the Web further aid the reader in understanding the material. Intended for researchers, students, instructors, and practitioners interested in conducting a meta-analysis, the presentation of both formulas and their associated SAS program code keeps the reader and user in touch with technical aspects of the meta-analysis process. The book is also appropriate for advanced courses in meta-analysis psychology, education, management, and other applied social and health sciences departments.

Carnival Blues - Damien Boyd 2022-06-14

Carnival season is off to an explosive start in this thriller from the bestselling DI Nick Dixon crime series. Detective Chief Inspector Nick Dixon arrives late for Bridgwater's winter carnival. He's come to see the squibbing, the traditional firework display that brings the town's November festivities to a dramatic close. But when the squib of Avalon Carnival Club president Richard Webb is lit, it explodes, engulfing him in flames. Dixon knows he's just witnessed a killer making a

very public statement. And he can't help feeling it's only the beginning. After his suspicions are confirmed at the Burnham-on-Sea carnival forty-eight hours later, the race is on to find the killer before the next event in a nearby town. Can Dixon stop the killings before any more lives are lost? And can he do it with police Professional Standards investigators breathing down his neck?

Bella Ink (1Night Stand) - L.C. Dean 2013-03-01

Jet Ryan's haunted by the memory of one night in the arms of a sexy tattoo artist who pushed all the right buttons before she shoved him away. No one else seems to measure up to her. He needs her out of his system or in his life, preferably the latter. But, he'll settle for one more night with her or a reasonable facsimile as long as he can touch her again. Ink Monroe avoids expectations that might get her hopes up, doesn't believe in endless possibilities, and has absolutely no room in her life for a guy who wants to take

care of her. But damn, it would be nice to have all those things for a little while. So when a customer gives her a business card for a woman named Madame Eve, she asks for a man to solidify the hazy memory of a single night of passion followed by the best night of sleep she'd had in years. Both have tall orders for a single evening of passion, but one night can lead to endless possibilities. Madame Eve promised.

A Wretched Man, a Novel of Paul the Apostle - RW Holmen 2011-04-19

Saint Paul was a sinner. He never met Jesus, but he experienced the famous conversion on the road to Damascus long after the Messiah had been crucified. Paul believed his Damascus experience had healed his guilty soul, but Jesus' own brother doubted Paul's tale. James' rejection spurred Paul to hike the Roman highways of the Mediterranean world to proclaim the truth of Damascus, over and over again, if not for James'

approval, then for his own. Had he not been healed at Damascus? And then there was the stinging thorn in his flesh that kept the guilty wound on his soul festering. Journey to the first century world of the Roman empire. Here you will encounter emperors and slaves, Jews and Greeks, and

men and women lifted from the pages of the New Testament as they stumble forward following the death of Jesus, unwitting midwives to the birth of Christianity. Follow Paul and James as they contend for the soul of the newborn Jesus movement; their struggle is the story of Christian origins.
