Beard With Me - Penny Reid 2019-09-16

'Beard With Me' is the origin story of Billy Winston and Scarlet St. Claire (aka Claire McClure) and is just the beginning of their epic love story. No one is better at surviving than Scarlet St. Claire and making the best out of circumstances beyond her control is Scarlet's specialty. In an apocalyptic situation, she'd be

the last person on earth, hermitting like a pro, singing along to her CD Walkman, and dancing like no one is watching. Scarlet is clever, Scarlet is careful, and Scarlet is smart . . . except when it comes to Billy Winston. No one is better at fighting than Billy Winston and raging against his circumstances—because nothing is beyond his control—is Billy’s specialty. In an apocalyptic situation, he’d be the first person on earth to lead others to safety, overcome catastrophe, or die trying. Billy is fearless, Billy is disciplined, and Billy is honorable . . . except when it comes to Scarlet St. Claire.

After one such disaster, Sandra gives in to a seemingly harmless encounter with her hot waiter, Alex. Beard in Hiding - Penny Reid 2021-11-16
Propositioning the Iron Wraiths’ money man seemed like a good idea at the time... Diane Donner—recently divorced pillar of polite society—is craving danger. She’s tired of playing it safe and she knows just the sexy criminal motorcycle man to proposition for a good time. Problem is, she doesn’t actually know his name. Jason “Repo” Doe never takes risks. So when the queen of local commerce walks into his club, looking to get risky and frisky, Jason knows the smartest thing to do is save himself a headache while saving the new divorcee from her worst impulses. But then one thing leads to another, and the memory of just-one-night doesn’t feel like enough. Theirs is a story with no future,

because how can a dangerous criminal win (and keep) a queen? ‘Beard In Hiding’ is book #4.5 in the Winston Brothers series, is a full length contemporary romantic comedy about two lost souls in their 40s, and is a companion novel to the Winston Brothers and Solving for Pie series. If you want to get the full immersive Green Valley world experience, I recommend reading ‘Truth or Beard,’ ‘Beard Science,’ ‘Engagement and Espionage,’ and ‘Marriage and Murder’ beforehand. ‘Beard In Hiding’ contains spoilers for these four books (in specific).

[Ninja at First Sight](#) - Penny Reid 2015-11-24

What do a cynical former Marine and a sheltered former Olympic contender have in common? Nothing. Absolutely nothing. He has a girlfriend and she’s never been kissed. He’s sullenly sarcastic and she’s earnestly empathetic. He can’t stop thinking about her. She knows she should keep her distance. Nevertheless, when opposites attract, the results may be unexpected, but they’re also undeniably magnetic. ‘Ninja at First Sight’ is a standalone, prequel novella (for book 5 of the Knitting in the City Series, ‘Happily Ever Ninja’) and is 40k words.

He’d also like to forget her entirely, but that’s never going to happen. Roscoe Winston remembers everything—every look, every word, every single unrequited second—and the last thing he needs is another memory of Simone. Unfortunately, after one chance encounter, Simone keeps popping up everywhere he happens to be . . . Ten years after Roscoe Winston dropped out of her life, all Simone Payton wants is to exploit him. She’d also like some answers from her former best friend about why he ghosted her, but if she never gets those answers, that’s a-okay. Simone let go of the past a long time ago. Seriously, she has. She totally, totally has. She is definitely not still thinking about Roscoe. Nope. She’s more than happy to forget he exists. But first, she needs just one teeny-tiny favor . . . Happily Ever Ninja - Penny Reid 2016-01-19

There are three things you need to know about Fiona Archer... I would tell you what they are, but then I'd have to kill you. But I can tell you that Fiona's husband, the always irrepressible and often cantankerous Greg Archer, is desperately in love with his wife. Yet as the years pass, Greg has begun to suspect that Fiona is a ninja. A ninja mom. A ninja wife. A ninja friend. After fourteen years of marriage, Greg is

trying not to panic. Because Fiona's talent for blending in is starting to resemble fading away. However, when unexpected events mean Fiona must take center stage to keep her family safe, her response stuns everyone—Greg most of all. It seems like Greg's wish has come true.

Except... not. Happily Ever Ninja is book #5 in the Knitting in the City series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

Beauty and the Mustache - Penny Reid
2014-08-24

There are three things you need to know about Ashley Winston: 1) She has six brothers and they all have beards, 2) She is a reader, and 3) She knows how to knit. Former beauty queen, Ashley Winston's preferred coping strategy is escapism. She escaped her Tennessee small town, loathsome father, and six brothers eight years ago. Now she escapes life daily via her one-click addiction. However, when a family tragedy forces her to return home, Ashley can't escape the notice of Drew Runous—local Game Warden, bear wrestler, philosopher, and everyone's favorite guy. Drew's irksome philosophizing in particular makes Ashley want to run for the skyscrapers, especially since he can't seem to keep his exasperating opinions— or his soulful poetry, steadfast support, and delightful hands—to himself. Pretty soon the girl who wanted nothing more than the escape of the big city finds she's lost her heart in small town

Tennessee. Beauty and the Mustache is book #4 in the Knitting in the City series, and book #0.5 in the Winston Brothers series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

Friends Without Benefits - Penny Reid
2014-05-13

There are three things you need to know about Elizabeth Finney: 1) She suffers from severe sarcastic syndrome, especially when she's unnerved, 2) No one unnerves her like Nico Manganiello, and 3) She knows how to knit. Elizabeth Finney is almost always right about

everything: the musical merits of boy bands are undervalued by society, “benefits” with human Ken dolls are better without friendship, and the sun has set on her once-in-a-lifetime chance for true love. But when Elizabeth’s plans for benefits without friendship are disarmed by the irritatingly charismatic and chauvinistic Nico Manganiello—her former nemesis—she finds herself struggling to maintain the electric fence around her heart while avoiding a Nico charisma-electrocution or, worse, falling in love. Friends Without Benefits is book #2 in the Knitting in the City series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

Beard Necessities - Penny Reid 2019-11-04

Billy Winston’s family is going to see him happy and in love if it’s the last thing they do. No one

deserves a happily-ever-after quite as much as the second oldest Winston brother and his lady love, Claire McClure (aka Scarlet St. Claire). Cruelty and circumstance tore them apart almost twenty years ago. Secrecy and bitterness kept them separated. But you know who’s tired of their separation and stubbornness? Everyone. Especially Billy Winston’s family. And now they’re going to do something about it. Well-meaning interference means the star-crossed lovers can’t stop tripping over each other in the hills of Tuscany, the catacombs of Rome, and the waterways of Venice. Billy and Claire find themselves thrown together and at the mercy of the Winston siblings’ shenanigans. But will their forced proximity bring them together? Or push them even further apart? This second-chance romance brings back the entire Winston gang, playing cupid in one last story of love, hi-jinks, and family collusion. BEARD NECESSITIES is a full-length contemporary romantic comedy, and can be read as a stand-alone, but it’s probably best read after books 0.5, 2, 3, 5, and 6 of the Winston Brothers series.
