The Christian's Highest Good Douglas Vickers 2014-04-07 Competing worldviews cast their impact on the church and the Christian confession. What does it mean to be a Christian in an age that threatens cultural dissolution? Related questions press on a calm consideration of the meaning of the Christian life. Who is Jesus Christ of whose salvific work the Christian confession depends? Why did Jesus Christ come into the world? What is to be said of the human condition following the Adamic fall, which, as John Milton says, "brought death into the world and all our woe"? What is the Christian's highest good, the grounds on which it has life-determining relevance, and what are its existential implications? In this closely reasoned and biblically informed examination of those questions, Douglas Vickers concludes that the Christian's highest good exists in "fellowship with the Father." The practical and everyday significance of that fellowship is addressed at length, and the meaning and prospect of each Christian's eternal life is shown to be grounded in a vital and indissoluble union with Christ.

The Bear Andrew Krivak 2020-02-11 From National Book Award in Fiction finalist Andrew Krivak comes a gorgeous fable of Earth's last two human inhabitants, and a girl's journey home In an Edenic future, a girl and her father live close to the land in the shadow of a lone mountain. They possess a few remnants of civilization: some books, a pane of glass, a set of flint and steel, a comb. The father teaches the girl how to fish and hunt, the secrets of the seasons and the stars. He is preparing her for an adulthood in harmony with nature, for they are the last of humankind. But when the girl finds herself alone in an unknown landscape, it is a bear that will lead her back home through a vast wilderness that offers the greatest lessons of all, if she can only learn to listen. A cautionary tale of human fragility, of love and loss, *The Bear* is a stunning tribute to the beauty of nature's dominion. Andrew Krivak is the author of two previous novels: *The Signal Flame*, a Chautauqua Prize finalist, and *The Sojourn*, a National Book Award finalist and winner of both the Chautauqua Prize and Dayton Literary Peace Prize. He lives with his wife and three children in Somerville, Massachusetts, and Jaffrey, New Hampshire, in the shadow of Mount Monadnock, which

And why does death in picture books involve being eaten? *Fierce Bad Rabbits* explores the stories behind our favourite picture books, weaving in tales of Clare Pollard's childhood reading and her re-discovery of the classic tales as a parent. The Jesus Command Matthew Milam II 2014-09-04 "Take my yoke upon you, and learn from me..." (Matthew 11:29 NIV). Any image, no matter what kind, is simply a rendition of the original. the copy must follow the impression made by the master. In unlocking the pattern of making a "True Disciple", a close and detailed study of Jesus, the master, must be considered. Discipleship is an important charge, carrying a great responsibility. When entering the task of preparing another as a disciple, heed should be taken. Care--and caution--play a big part in the equation. In both instances, whether one serves as instructor or student, as Jesus said, one must above all, consider the cost. "Suppose one of you wants to build a tower. Won't you first sit down and estimate the cost to see if you have enough money to complete it?" (Luke 14:28 NIV) Rather than being an event that one arrives at, Discipleship is more of a journey that is traveled over the course of one's life. Each step is part of a process by which we adapt, learning to grow more Christ-like along the way. We take His yoke and learn from Him, just as the men who became His Apostles did. the cost necessary involves not only a loving devotion to Jesus, but to do so from a willing and obedient heart. the Jesus Command, the command to love one another as He loved us, creates a new beginning for everyone that accepts it.

The Bear David Lee 2015-11-30 David will never forget the day he met Theo—as much as he might want to. On a mission to right a wrong done to his sister as a child, David walks into LAO Schulz, a famous toy Mecca in the heart of New York City. What he sees that day in the stuffed-animal aisle challenges everything he understands about reality. As David turns the corner, he hears the sound of slapping. He investigates and sees a rather large stuffed bear viciously smacking a toddler around. As quickly as it starts, the attack ends. The bear regards David with cold, plastic eyes, climbs up on its shelf, and quickly settles into the lifeless pose one would expect from stuffed bears. Not only is this stuffed bear alive, David realizes, he's evil. David decides he must own this bear, and with that, their bizarre relationship begins. His name is Theo, and he's got a whopper of a story to further challenge David's belief system. Cruelly put to death as a real bear cub, Theo is given a second chance at life—as a stuffed animal. Theo is forced to become a killer as a rising star among the ranks of a secret brotherhood of gangster teddy bears. Betrayed, Theo is left to rot in the slammer. Theo and his friends conspire to escape. With the loyal Houdini by his side, the gang breathes free air again, but karma, as they say, is no friend to an ex-con.
