The Marriage Makeover G. Michael Saunders 2011-12 How is your marriage? Is it everything you hoped it would be? Is it the happy, successful, fulfilling relationship that God promises it will be in His Holy Scriptures? If we are honest, no matter how good our marriages are, we have to admit that marriage did not live up to our expectations. The good news truth though, is that our marriages can be everything that God promises and that truth is based on these very promises of God. There are things we need to know, understand and act on in order for God's promises to come true in our lives and that is what this book is about - helping you to know how to take your marriage and make it all that God promises your marriage can be in His Word.
