*Analyzing Christmas in Film* - Lauren Rosewarne  
2017-12-06

Film plays a vital role in the celebration of Christmas. For decades, it has taught audiences about what the celebration of the season looks like - from the decorations to the costumes and to the expected snowy weather - as well as mirrors our own festivities back to us. Films like *It's a Wonderful Life* and *Home Alone* have come to play key roles in real-life domestic celebrations: watching such titles has become, for many families, every bit as important as tree-trimming and leaving cookies out for Santa. These films have exported the American take on the holiday far and wide and helped us conjure an image of the perfect holiday. Rather than settling the 'what is a Christmas film?' debate - indeed, *Die Hard* and *Lethal Weapon* are discussed within - *Analyzing Christmas in Film: Santa to the Supernatural* focuses on the how Christmas is presented on the deluge of occasions when it appears. While most Christmas films are secular, religion makes many cameos, appearing through Nativity references, storylines involving spiritual rebirth, the framing of Santa as a Christ-like figure and the all-importance of family, be it the Holy family or just those gathered around the dining table. Also explored are popular narratives involving battles with stress and melancholy, single parents and Christmas martyrs, visits from ghosts and angels, big cities and small towns, break-ups and make-ups and the ticking clock of mortality. Nearly 1000 films are analyzed in this volume to determine what the portrayal of Christmas reveals about culture, society and faith as well as sex roles, consumerism, aesthetics and aspiration.

*Owning the Olympics* - Monroe Price 2009-12-10  
"A major contribution to the study of global events in times of global media. *Owning the Olympics* tests the possibilities and limits of the concept of 'media events' by analyzing the mega-event of the information age: the Beijing Olympics. . . . A good read from cover to cover."

—Guobin Yang, Associate Professor, Asian/Middle Eastern Cultures & Sociology, Barnard College, Columbia University  
From the moment they were announced, the Beijing Games were a major media event and the focus of intense scrutiny and speculation. In contrast to earlier such events, however, the Beijing Games are also unfolding in a newly volatile global media environment that is no longer monopolized by broadcast media. The dramatic expansion of media outlets and the growth of mobile communications technology have changed the nature of media events, making it significantly more difficult to regulate them or control their meaning. This volatility is reflected in the multiple, well-publicized controversies characterizing the run-up to Beijing 2008. According to many Western commentators, the People's Republic of China seized the Olympics as an opportunity to reinvent itself as the "New China"—a global leader in economics, technology, and environmental issues, with an improving human-rights record. But China's maneuverings have also been hotly contested by diverse global voices, including prominent human-rights advocates, all seeking to displace the official story of the Games. Bringing together a distinguished group of scholars from Chinese studies, human rights, media studies, law, and other fields, *Owning the Olympics* reveals how multiple entities—including the Chinese Communist Party itself—seek to influence and control the narratives through which the Beijing Games will be understood. *digitalculturebooks* is an imprint of the University of Michigan Press and the Scholarly Publishing Office of the University of Michigan Library dedicated to publishing innovative and accessible work exploring new media and their impact on society, culture, and scholarly communication. **TV Guide** - 2001

*Love to Love You Bradys* - Ted Nichelson 2009  
An in-depth look at the most disastrous offering

in television history by Susan Olsen, the actress playing Cindy Brady. In this colourful retrospective, she investigates in detail how - and why - the Variety Hour was conceived, produced and ended up ranked in TV Guide's top five Worst Shows of All-Time'. Features hundreds of never-before-published photos and interviews with the cast, crew and production staff, including the Brady Bunch, Sherwood Schwartz, Sid and Marty Krofft, Bruce Vilanch, Paul Shaffer and Rip Taylor.'

**101 TV Shows to See Before You Grow Up** - Samantha Chagollan 2017-04-10

TV can make you laugh, teach you lessons, or show you new worlds. 101 TV Shows to See Before You Grow Up is an interactive list of shows to enjoy together.

**Brady, Brady, Brady** - Sherwood Schwartz 2010-08-31

The Brady Bunch is one of the most beloved series to ever grace American television screens. Whether you've been a devoted fan since its inception in the late 1960s, or are a more recent Brady buff thanks to its steady airing in syndication, there is an undeniable shared delight that comes from the simple-natured, humor-filled world of that picture-perfect family. Now, for the first time, the show's famous creator, writer, and producer Sherwood Schwartz and his son, writer and producer Lloyd Schwartz, share with their loyal audience the complete first-hand behind-the-scenes story of The Brady Bunch. From how the show was developed, pitched, greenlighted, cast, produced, and embraced, to ultimately how it changed the TV and cultural landscape of America—this book really has it all. Sherwood and Lloyd Schwartz carefully and nostalgically recall all the details—great, small, funny, frustrating, and everything in between—that came with the show. Taking an exclusive tour of everything Brady, you'll marvel at the stories, take pleasure in more than 50 rare photographs, and transport yourself into the show you love with the insider details you never knew.

**Growing Up Brady** - Barry Williams 1993-02

The actor who played Greg Brady on the seventies TV hit "The Brady Bunch" tells all, including the stories of make-out sessions in Tiger's doghouse, inter-Brady dating, and a near-drowning in Hawaii

**Unbroken Circle** - James Wesley 2014-04-01

In Galveston, Texas, a family is brought together for the first time in years on the day of its patriarch's funeral. As day turns into night, the devastating impact of the man on his family is revealed in unexpected ways, leaving each family member grappling with the truth. At turns hilarious and disturbing, Unbroken Circle explores how family secrets trickle down through the generations, uniquely affecting every individual.

**Growing Up Brady** - Barry Williams 1999

The inside story of "The Brady Bunch" as only Barry Williams (Greg Brady) could tell it! This updated Collector's Edition contains information and numerous never-before-seen photos of this classic American TV show and its stars--plus a play-by-play of every "Brady Bunch" episode!

**The Liar in Your Life** - Robert Feldman

2009-08-03

In The Liar in Your Life, psychology professor Robert Feldman, one of the world's leading authorities on deception, draws on his immense body of knowledge to give fresh insights into how and why we lie, how our culture has become increasingly tolerant of deception, the cost it exacts on us, and what to do about it. His work is at once surprising and sobering, full of corrections for common myths and explanations of pervasive oversimplifications. Feldman examines marital infidelity, little white lies, career-driven resumé lies, and how we teach children to lie. Along the way, he reveals—despite our beliefs to the contrary—how it is nearly impossible to spot a liar (studies have shown no relationship between nervousness, lack of eye contact, or a trembling voice, and acts of deception). He also provides startling evidence of just how integral lying is to our culture; indeed, his research shows that two people, meeting for the first time, will lie to each other an average of three times in the first ten minutes of a conversation. Feldman uses this discussion of deception to explore ways we can cope with infidelity, betrayal, and mistrust, in our friends and family. He also describes the lies we tell ourselves: Sometimes, the liar in your life is the person you see in the mirror. With incisive clarity and wry wit, Feldman has written a truthful book for anyone whose life has been touched by deception.

**The Way We All Became the Brady Bunch** - Kimberly Potts 2019

In celebration of the Brady Bunch's 50th anniversary, TV writer Kimberly Potts writes a Seinfeldia-like definitive history of the show that changed the family sitcom and made an indelible impact on pop culture. There isn't a person in this country who hasn't heard of The Brady Bunch. Whether it's the show they watched growing up, or the one their parents did-whether adored, or great to poke fun at-The Brady Bunch is unarguably one of the most enduring and inspiring TV shows of our time. It's lived a dozen lives, from its original comedy debut and big-screen movies, to the Emmy-winning TV auteurs it has inspired-everyone from Vince Gilligan to Jill Soloway-and promises to live many more. In *The Way We All Became the Brady Bunch*, TV and pop culture writer Kimberly Potts will draw upon her deep knowledge of and appreciation for The Brady Bunch and television and pop culture history, as well as her contacts, connections, and experience, to provide an industry insider narrative of The Brady Bunch. With fresh interviews, *The Way We All Became the Brady Bunch* will examine the show's lasting effects on its audience and take readers behind-the-scenes and into the lives of our most beloved characters, all to document why The Brady Bunch was one of the most groundbreaking shows of its time-and why it remains to this day, unforgettable.

*Contagious* - Priscilla Wald 2008-01-09

DIVShows how narratives of contagion structure communities of belonging and how the lessons of these narratives are incorporated into sociological theories of cultural transmission and community formation./div

*I Am Not Ashamed* - Barbara Payton 2008-02

*Weekly World News* - 2004-04-19

Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site.

**The Queer Fantasies of the American Family Sitcom** - Tison Pugh 2018-02-27

The Queer Fantasies of the American Family Sitcom examines the evasive depictions of

sexuality in domestic and family-friendly sitcoms. Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power, as a kind of camouflage, and as a foundation for family building. The book examines how queerness, at first latent, became a vibrant yet continually conflicted part of the family-sitcom tradition. Taking into account elements such as the casting of child actors, the use of and experimentation with plot traditions, the contradictory interpretive valences of comedy, and the subtle subversions of moral standards by writers and directors, Pugh points out how innocence and sexuality conflict on television. As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family, television history reveals a deeper, queerer vision of family bonds.

**Life Is Not a Stage** - Florence Henderson 2011-09-20

For millions of people around the world, Carol Brady is synonymous with motherhood, but growing up as the youngest of ten children in rural Indiana in the aftermath of the Great Depression, Florence Henderson lived a life quite different from that of the quintessential TV mom she later played on television. Florence's father was a dirt-poor tobacco tenant farmer who was nearly fifty years old when he married Florence's twenty-five-year-old mother, and was nearly seventy when Florence was born.

Florence's childhood was full of deprivation and abandonment. Her father was an alcoholic at a time when there was no rehab or help for the disease. Their home rarely had electricity or running water. When she was twelve, Florence's mother left the family to work in Cleveland and never returned. Florence opens up about her childhood, as well as the challenges she's faced as an adult, including stage fright, postpartum depression, her extramarital affairs, divorce, her hearing loss, and heart problems. She writes with honesty and wisdom of how her faith and ability to survive has brought her through rough times to a life of profound joy and purpose.

**Alice's Brady Bunch Cookbook** - Ann B. Davis 1994

Emmy Award winning actress Ann B. Davis--who captured America's heart as "Alice" on "The

Brady Bunch"--presents a cookbook and memory book for the show's millions of fans. "Alice" presents more than 280 Brady recipes, anecdotes from memorable episodes, plus dozens of photos provided by the cast.

*The Christmas Encyclopedia, 4th ed.* - William D. Crump 2022-12-22

From the manger of Jesus Christ to the 21st century, this encyclopedia explores more than 2,000 years of Christmas past and present through 966 entries packed with a wide variety of historical and pop-culture subjects. Entries detail customs and traditions from around the world as well as classic Christmas movies, TV series/specials and animated cartoons. Arranged alphabetically by entry name, the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens, Louisa May Alcott, Hans Christian Andersen, Pearl Buck, Henry Van Dyke and others. All things Christmas are available here in one comprehensive volume.

*Single Season Sitcoms of the 1990s* - Bob Leszczak 2018-09-14

During the "Must See TV" 1990s, Americans enjoyed such immensely popular sitcoms as *Friends*, *Seinfeld*, *Home Improvement* and *The Drew Carey Show*. Shows that did not make the ratings cut numbered in the hundreds—the emergence of new networks and cable channels airing original programming resulted in a vast increase in short-lived sitcoms over the previous decade. Some of these "flops" were actually quite good and deserved a better fate. The author revisits them—along with the "dramedies" of the day—with detailed entries providing production and broadcast information, along with critical analyses, and recollections by cast and crew members. A subsection highlights sitcoms that returned for an abbreviated second season. Dozens of cast and crew photographs are included.

**Here's the Story** - Maureen McCormick 2009-10-06

Marcia! Marcia! Marcia! Marcia Brady, eldest daughter on television's *The Brady Bunch*, had it all—style, looks, boys, brains, and talent. No

wonder her younger sister Jan was jealous! For countless adolescents across America who came of age in the early 1970s, Marcia was the ideal American teenager. Girls wanted to be her. Boys wanted to date her. But what viewers didn't know about the always-sunny, perfect Marcia was that offscreen, her real-life counterpart, Maureen McCormick, the young actress who portrayed her, was living a very different—and not-so-wonderful—life. Now, for the very first time, Maureen tells the shocking and inspirational true story of the beloved teen generations have invited into their living rooms—and the woman she became. In *Here's the Story*, Maureen takes us behind the scenes of America's favorite television family, the Bradys. With poignancy and candor, she reveals the lifelong friendships, the hurtful jealousies, the offscreen romance, the loving support her television family provided during a life-or-death moment, and the inconsolable loss of a man who had been a second father. But *The Brady Bunch* was only the beginning. Haunted by the perfection of her television alter ego, Maureen landed on the dark side, caught up in a fast-paced, drug-fueled, star-studded Hollywood existence that ultimately led to the biggest battle of her life. Moving from drug dens on Wonderland Avenue to wild parties at the Playboy mansion and exotic escapades on the beaches of Hawaii, this candid, hard-hitting memoir exposes a side of a beloved pop-culture icon the paparazzi missed. Yet it is also a story of remarkable success. After kicking her drug habit, Maureen battled depression, reconnected with her mother, whom she nursed through the end of her life, and then found herself in a pitched battle for her family in which she ultimately triumphed. There is no question: Maureen McCormick is a survivor. After fifty years, she has finally learned what it means to love the person you are, insight that has brought her peace in a happy marriage and as a mother. *Here's the Story* is the empowering, engaging, shocking, and emotional tale of Maureen McCormick's courageous struggle over adversity and her lifelong battle to come to terms with the idea of perfection—and herself.
