

Mothers Guide To Sex

Mother's Guide to Sex - Helen Annand 1992

Sex and the Single Mom - Sharon McKenna 2006
"An intelligent and lighthearted guide to navigating the dating world as a single mother"--
Provided by publisher.

Goddess, Mother, Whore: A Woman's Guide to Sex and Power - Joanna Mercury 2015-03-15
Women are driven to androgyny to compete with men. In the meantime men, still love big boobs and short skirts. What is the meaning of this contradiction? Why are men still running the world a century after women's liberation? Why have women been coerced into losing their natural power, which is sex used advisedly?
Goddess, Mother, Whore examines women's

dilemma and charts a crucial role for sex in a struggle-weary world. Includes exclusive Escort Sex Secrets.

From Ouch! To Ahhh...The New Mom's Guide To Sex After Baby - Sarah J. Swofford 2015-11-04
Are you wondering why sex is difficult since you became a mother? You are not alone. Having a baby can change everything you thought you knew about sexual intimacy and desire. "From Ouch! To Ahhh" addresses what most new moms wonder: Why is sex so different after baby? Why do I feel so disconnected from my partner? What happened to my libido?

pages of *The Ultimate Guide to Sex Through Pregnancy and Motherhood*, Madison illustrates and addresses these questions the only way she knows how — with the truth of her own experience as a mother, as a sexual adventurer, and as a sex educator.

The Mother's Guide to Sex - Anne Semans
2001

A hip, no-holds-barred guide to combining the joy of sex with the joy of motherhood. Just because you're a mother, or about to become one, doesn't mean you have to kiss your sex life good-bye. Finally, here's a unique guidebook that offers practical advice on honoring your sexuality throughout every stage of motherhood. Honest, humorous, and reassuring, *The Mother's Guide to Sex* delivers comprehensive information about sex and parenting, including recommendations from medical experts, sex experts, and the best experts of all -- hundreds of other mothers, whose candid anecdotes and suggestions will support, encourage, and inspire

you to explore your maternal sexuality. As they sound off about the ebb and flow of desire, conflicting feelings about how their bodies have changed, the challenges they face in renegotiating their relationship with their sexuality, and more, you'll realize that you're not alone in your yearning to combine motherhood and a good sex life. You'll learn: * how motherhood makes you a better lover * how to enjoy healthy, safe sex during pregnancy and the postpartum period * what factors affect your sex drive, why so many mothers lose desire, and ways to reclaim it * how your sex life can survive despite limited time, energy, and privacy * why single moms are entitled to great sex, and how to get it * ten good reasons to talk to your kids about sex, and what to say * how to model positive sexual behavior for your kids * where to find the best resources on sex and parenting
The New Mum's Guide to Sex - Rachel Foux

and lover and keep their sexual flame alive in this honest but warm guide to sex after childbirth. A variety of medical, emotional, and practical factsnbsp;lead new moms through the veils of vulnerability, poor body image, and internalized frustration to rediscover their sexual identity. Each chapter is full of case studies from both moms and dads, as well as girl tips, lover tips, and play suggestions that couples can try together. Month-by-month information on how to cope with the emotional and physical issues that follow childbirth is also included.

Sexy Mamas - Cathy Winks 2004

A useful guide for mothers who want to recapture the joys of sex offers anecdotes, tips, and practical advice on a wide range of topics, including hormones, psychological and environmental factors influencing the sex drive, and much, much more. Original.

START TALKING;A GIRL'S GUIDE FOR YOU AND YOUR MOM ABOUT HEALTH, SEX, OR

WHATEVER. - JANINE SHERMAN; MARY JO RAPINI.

A Guide to Sex Instruction - Thomas Washington Shannon 1910

The Parents' Guide to Puberty - Cath Hakanson 2021-04-23

A straightforward common-sense book for parents on how to talk about puberty and sex with their tween or teen.

Start Talking - Janine Sherman 2018
Guide for mother-daughter conversations about female health, sexuality, and teenage relationships. Comfortable, easy-to-read Q & A format. ""Lighthearted but definitely not lightweight."" Ideal for BOTH moms and daughters.

The New Mom's Survival Guide - Jennifer Wider, M.D. 2008-06-24

Why can't I lose the extra weight? Why am I shedding like my pet golden retriever? I'm just

too tired to have sex— and it hurts. What should I do? How can I tell the difference between the “baby blues” and a real depression? Why am I having so many fights with my husband? At last your baby has arrived, and you’re experiencing all the joys that come with being a new mom. But you may not have bargained on acne and enlarged feet, not to mention constipation, vaginal pain, mood swings, or perhaps one of the more serious conditions that pregnancy can trigger. So what can you do to deal with all these unexpected challenges? In this compassionate, comprehensive guide, Dr. Jennifer Wider, a physician as well as the mother of two small children, delivers up-to-date medical information, candid answers to a host of questions, and expert advice on a range of postpartum issues, including: Sex and intimacy after pregnancy—physical and mental roadblocks •Marital stresses and strains •How to safely lose weight and exercise •Cracked nipples and other breast-feeding concerns

•When the baby blues are more than just a phase •Coping with thyroid problems, anemia, diabetes, urinary incontinence, and other conditions that can show up during or after pregnancy From redefining yourself to taking care of yourself while caring for your baby, The New Mom’s Survival Guide offers such a wealth of practical help that new moms will turn to it again and again.

Sexuality and Severe Autism - Kate E. Reynolds 2013-09-21

Sexual health and sexuality can be difficult subjects for parents and caregivers to broach with autistic children, made more challenging when children are at the severe end of the autism spectrum. Some parents may even question the validity of teaching sexuality to those who are severely autistic. This practical handbook guides you through the process of teaching about sex and sexuality, answering all of the most crucial questions, including: Why is it necessary to teach this subject to my severely

autistic child? When is the right time to start talking about these issues? How detailed and explicit should I be? What methods are most appropriate? It addresses male and female issues separately and covers public and private sexual behaviours, sexual abuse, cross-gender teaching and liaising with school, in addition to the more obvious areas such as physical changes and menstruation. This will be the ideal guide to teaching about sexual issues for any parent, caregiver or health educator caring for a person on the severe end of the autism spectrum.

Making Sense of "It" - Alison Macklin 2018-09-11

Maybe you learned about sex in school—anatomy, STIs, and pregnancy, right? You might think you’ve learned all there is to know, but there’s so much more to sex than just “doing it.” What about masturbation, is that OK? Are you dirty for having sexual fantasies? What about kissing, giving a blowjob, or taking the pill, is it safe? What if you touch someone’s penis, can you get pregnant? If you douche after

sex, you won’t get pregnant... right? Making Sense of “It” goes beyond the basics of the birds and the bees to give teens a realistic, no-holds barred, nonjudgmental guide on everything to do with sex and sexuality. With this book, teens can learn about it all from the best contraception methods to what to expect at a clinic, even to the signs of an unhealthy relationship. Alison Macklin draws on her years of experience at Planned Parenthood to address everything teens want to and should know in a straightforward, open-minded, and sex-positive manner. Even better, “Conversation Starters” in each chapter give teens and parents a chance to test their knowledge and useful tips to help talk about sex in a way that works for them. In a world where teens are bombarded with bad information on social media, and are made to feel ashamed of something so natural, Making Sense of “It” offers trustworthy, gender-neutral advice on how to be safe, informed, and honest about “it”.

Sexuality Explained - Louise Kirk 2013-02

Downloaded from
legacy.opendemocracy.net on 2020-05-23
 by guest

Sexuality Explained: a guide for parents and children underpins parents in their role as first educators of their children. It draws on the latest knowledge of the human body to show how mind, heart and body interplay in our sexual makeup, and how the life-giving and love-making aspects of the sexual act are each designed for permanence. The Guide works at many levels. By drawing the reader into a succession of conversations between a mother and her daughter, her father and her brother, a full picture of the biology of reproduction is created in a friendly way. The stories give parents ideas on how they might converse with their own children. The text is necessarily comprehensive, to answer possible questions, and to make sure that the parents know more than what is now taught in school biology, which can be checked for accuracy. Children vary enormously in their maturity, which is one reason why it is best that they are taught about sex and sexuality individually and, if possible, by members of their

own family who know and love them. The age range set against each chapter is for guidance only. Parents may use the Guide in a variety of ways. They can let the Guide do most of the work for them, reading it out loud with their children. They can give a chapter to older children to read on their own, being ready for questions. Or they can absorb ideas to speak in their own words as occasion arises. To aid discussion and to give a framework for homemade lessons, each chapter ends with a glossary and a list of points to remember. The hand-drawn biological drawings, all of which have been specially commissioned, have been reproduced at the back of the book to be cut out and arranged in any order. The Guide is principally designed for parents, but it can also be read by young people on their own, and later chapters might be used by teachers and youth leaders for student workshops. There is no religious teaching but the Guide starts from the premise that all human life is of equal dignity

and worthy of respect.

One Hot Mamma! - Ann Kluth 2008-02

If you think that just because you're a mother you don't have time for love, sex, and romance anymore, think again! It's true that household chores, in-home and outside-the-home work responsibilities, and family pressures often combine to leave mothers tired, cranky, and downright uninterested in anything romantic. But finding time to indulge in shared moments with your significant other is paramount to a mom's happiness and fulfillment. One Hot Mamma! is your perfect, all-in-one source for learning how to focus attention on your loved one. Divided into three sections-love, romance, and sex-One Hot Mamma! provides a range of ideas to help you put the spark back in your relationship. By drawing on the experiences of busy mothers everywhere, Ann Kluth and Marie Aumann show you how to: Honor your relationship Celebrate your commitment to each other Demonstrate your appreciation for your

mate Create time for togetherness Enhance your sex life and keep lovemaking satisfying This invaluable relationship guide can be used to inspire new ideas in the moment or as a daily or weekly reminder to put yourself on your list of priorities. Reclaim your romantic life and be known as One Hot Mamma!

The Mominatrix's Guide to Sex - Kristen Chase
2010-01-18

From the Introduction: For a mother regaining her sexual self, it's less about learning the latest and greatest blow job technique and more about figuring out how to make a sexual relationship work when the batteries from your vibrator are now powering your baby monitor and the last orgasm you had was when your baby slept four hours in a row. Motherhood undoubtedly affects our sex lives, but with little opportunity to explore the new changes in our bodies and sexual beings, like many mothers we focus on making sure our kids have perfectly mashed organic bananas and fair-trade hemp organic
