[Her Perfect Revenge - Lesley Sanderson](#)
2023-10-18

On the surface we were the perfect couple, but no one knows what we've been hiding... Just six hours ago, Alex and I were married. It was a beautiful wedding by the sea, on the beach we've always loved. Our guests crowded outside our beach hut to raise a toast before our first midnight swim together as man and wife. And then, suddenly, he was gone, drowning in the water that meant so much to us. But instead of being able to mourn in peace, to get to grips with my awful new reality, the police are here. It seems they don't think Alex's death was an accident. And I'm the main suspect. I know I'm innocent, but I also know we both had secrets. And to my horror, it seems Alex's were worth killing for. But who in our wedding party could have wanted him dead? I thought I knew the man I married but I couldn't have been more wrong. But then again, he didn't know the real me either. I've been hiding from the truth for so long. And then I realise: what if it wasn't Alex's past that was coming back to find him. What if it's mine? How far will someone go to expose my

[Ain't Nothing Like Being Married to an Old, Elderly Man](#) - Melody Davidson 2011-05-26

Aint nothing like being married to an elderly man. Written for single and married women. Mental and physical abused women. Women of all races and background. It is a resource for knowledge of the Do and Donts of a relationship and or marriage. Used as a reference book, it offers my readers facts and information. This book is a hard core, no hold barred. Although this womens book can be enjoyed by anyone, including single and married men, it was specifically written for adult woman that seeks a relationship with elderly men. As you probably know, more than 50 million women in and out of the United States have dealt with a marriage for all the wrong reasons. These women too often accept the abuse simply because of a lack of knowledge. Having low self-esteem, women fail to realize they are Queens. Women deserve to be respected. Although other books, such as, *Women Beatings through the Eyes of the Abuser*, have tried to provide information, the book usually lack a womans point of view. (What abuse woman really wants to get information from the abuser himself?) And none of the books uses the hard core approach an approach that has revolutionized the way I see women as part

of my own family.

Love Scars - Nicole Snow 2014-10-23

LOVE SCARS BURN, SEDUCE, AND NEVER, EVER FADE... ANNA The worst night of my life just got worse. Nobody explained why I've been dumped in this run down house, or who this hulk with the filthy mouth is. All I know is he wants me, he says I'm his, and I'm ignoring my instinct to run like hell. When he pulls me into his embrace, I want to push closer to his warmth, his strength, his vicious tattoos. Can I trust him? Can I trust myself? Or will obeying his wicked words confirm all my worst suspicions? DAVID So sweet, so pure, so confused...I almost feel bad about claiming her. Almost. Too bad she's a Rossini, and I don't regret making her old man sign her over to me for one second. I was born a Strelkov, a killer and an outlaw, and I second guess nothing. The instant my hands are on her, I know I've made the right choice. The crazy ache in my lips when they're not on hers doesn't lie. Revenge is a dish best served hot, sweaty, seething with passion, and Anna's tonight's special. Yeah, she's gonna flip when I shove the wedding contract in her face. But I'm gonna make her my wife in every nasty, beautiful, permanent way I can, even if it means adding a few more scars to my skin and Anna's heart...

English Revenge Drama - Linda Woodbridge
2010-09-16

Vengeance permeates English Renaissance drama - for example, it crops up in all but two of Shakespeare's plays. This book explores why a supposedly forgiving Christian culture should have relished such bloodthirsty, vengeful plays. A clue lies in the plays' passion for fairness, a preoccupation suggesting widespread resentment of systemic unfairness - legal, economic, political and social. Revengers' precise equivalents - the father of two beheaded sons obliges his enemy to eat her two sons' heads - are vigilante versions of Elizabethan law, where penalties suit the crimes: thieves' hands were cut off, scolds' tongues bridled. The revengers' language of 'paying' hints at the operation of revenge in the service of economic

redress. Revenge makes contact with resistance theory, justifying overthrow of tyrants, and some revengers challenge the fundamental inequity of social class. Woodbridge demonstrates how, for all their sensationalism, their macabre comedy and outlandish gore, Renaissance revenge plays do some serious cultural work.
