In this village, I'm an outcast: Griffin Everett, the scowling giant who prefers plants to people. Then I meet Keynes, a stranger from the city who's everything I'm not: sharp-tongued,

sophisticated, beautiful. Free. For a few precious moments in a dark alleyway, he's also mine, hot and sweet under the stars... until he crushes me like dirt beneath his designer boot. When the prettiest man I've ever hated shows up at my job the next day, I'm not sure if I want to strangle him or drag him into bed. Actually—I think I want both. But Keynes isn't here for the likes of me: he makes that painfully clear. With everyone else at work, he's all gorgeous, glittering charm—but when I get too close, he turns vicious. And yet, I can't stay away. Because there's something about this ice king that sets me on fire, a secret vulnerability that makes my chest ache. I'll do whatever it takes to sneak past his walls and see the real man again. The last thing I expect is for that man to ruin me. *Work for It* is 80,000 words of hot, angst-filled, M/M romance featuring a cynical city boy, a gruff, soft-hearted farmer, and a guaranteed happy-ever-after. No cheating, no cliff-hangers, just love. (Eventually.) This story is a spin-off set

One Good Earl Deserves A Lover - Sarah MacLean 2013-01-29

'Fabulous' Eloisa James 'Smart, sexy, and always romantic' Julia Quinn 'For a smart, witty and passionate historical romance, I recommend anything by Sarah MacLean' Lisa Kleypas Lady Philippa Marbury is . . . odd. The brilliant, bespectacled daughter of a double marquess cares more for books than balls, for science than the season, and for laboratories than love. She's looking forward to marrying her simple fiancé and quietly living out her days with her dogs and her scientific experiments. But before that, Pippa has two weeks to experience all the rest - fourteen days to research the exciting parts of life. It's not much time, and to do it right she needs a guide familiar with London's darker corners. She needs . . . a scoundrel. She needs

Cross, the clever, controlled partner in London's most exclusive gaming hell, with a carefully crafted reputation for wickedness. But reputations often hide the darkest secrets, and when the unconventional Pippa boldly propositions him, seeking science without emotion, she threatens all he works to protect. He is tempted to give Pippa precisely what she wants . . . but the scoundrel is more than he seems, and it will take every ounce of willpower to resist giving the lady more than she ever imagined. Bombshell - Sarah MacLean 2021-08-24
'I loved it' ELOISA JAMES 'Smart, sexy, and always romantic' JULIA QUINN 'For a smart, witty and passionate historical romance, I recommend anything by Sarah MacLean' LISA KLEYPAS New York Times bestselling author Sarah MacLean returns with a blazingly sexy, unapologetically feminist new series, *Hell's Belles*, beginning with a bold, bombshell of a heroine, able to dispose of a scoundrel - or seduce one - in a single night. Sometimes the best gentleman for the job is a lady. After years

of living as London's brightest scandal, Lady Sesily Talbot has embraced the reputation and the freedom that comes with the title. No one looks twice when she lures a gentleman into the dark gardens beyond a Mayfair ballroom...and no one realizes those trysts are not what they seem. No one, that is, but Caleb Calhoun, who has spent years trying not to notice his best friend's beautiful, brash, brilliant sister. If you ask him, he's been a saint about it, considering the way she looks at him...and the way she talks to him...and the way she'd felt in his arms during their one ill-advised kiss. Except someone has to keep Sesily from tumbling into trouble during her dangerous late-night escapades, and maybe close proximity is exactly what Caleb needs to get this infuriating, outrageous woman out of his system. But now Caleb is the one in trouble, because he's fast realizing that Sesily isn't for forgetting...she's forever. And forever isn't something he can risk.
