Charles R. Swindoll 2005-02-01

Life is tough. It's that simple. If you don't agree, you haven't lived long enough, because when we stop to think about the trials that life sends our way, it's always something! So what do you do when life gets so tough you think you can't endure another minute? If you're feeling . . . Sandwiched between aging parents who need your help and teenagers with demanding schedules; Stretched

beyond your limits at work, trying to survive the next round of corporate downsizing; Dazed and emotionally bruised after your spouse walked out on the marriage you thought would last for a lifetime . . . This Getting Through the Tough Stuff Workbook offers help and hope! In her life, this gift of a deep and personal association with Scripture has been priceless: a drink in times of thirst, an inspiration in times of fear and a light in times of darkness. All in the Family - Rita B. Hays 2010-07-20

Many excellent and informative books have been written on addiction. These books have provided information about the nature of the disease, characteristics of the addictive life-style, and ways to offer recovery to the addict. There have also been helpful books written on the dynamics of family life when family members have an individual who has an addiction. However, few books have been written to help families as they struggle with the faith questions and issues that arise when addiction is a part of the family. This book will help families deal with these faith questions and issues such as where is God, how do I pray, and is there hope? This book is written for families that are dealing with the addiction of a family member. Our Life Our Way - William L. Rush 2019-10-29
Our Life Our Way, A Memoir of Active Faith, Profound Love, and Courageous Disability Rights explores an extraordinary love story grown out of engagement with both disability rights advocacy and Christian faith communities. This important memoir contains thoughtful, often-entertaining, and sometimes heart-wrenching anecdotes of a couple's journey to create their profoundly intimate relationship and Christian marriage, in a world not yet ready for them. William Rush and Christine Robinson's timely meeting, when the United States was close to granting civil rights to all Americans with disabilities, sets the stages for their intensely

Path Through Suffering Discovering The Relationship Between Gods Mercy And Our Pain

human and difficult journey of breaking down many societal and systemic barriers to full participation in the larger society. How will the couple deal with the local KKK grand dragon who is threatening William, an outspoken person with a significant disability? How will they respond to posturing state politicians using persons with disabilities as bargaining chips with potentially dire consequences? How will they react to well-meaning but not always well-informed government officials pushing quick fixes? Against such opposition, can they create their own life, supported by their local disability rights and Christian faith communities? Girded by a local Christian congregation's willingness to engage with this nontraditional couple, their faith is tested and grows stronger through much adversity. Faith-filled acts of mercy and grace and active and meaningful participation provide restoration on their arduous journey. Deepening their relationship with God results in a desire for a Christian marriage. Through a series of

vignettes, several deeply human themes are explored: developing enduring relationships, standing up for one's rights and advocating for one's needs, and what it means to growing deeply in love with a faithful God while tribulations abound. Through sheer grit, they model for each of us how to create our own lives, our own way.

How will CFIDS affect my ability even to consider marriage or having children? -How do I glorify God in the midst of a debilitating illness and pain? Lynn Vanderzalm and her teenage daughter, Alisa, have battled CFIDS for over seven years. Fitzpatrick 2008-09-01

Twice as many women as men will experience depression sometime in their lifetime, and episodes for women are likely to start at earlier ages, last longer, and recur more frequently, according to the American Academy of Family Physicians. Many women are given medication

to treat the disease, but medication alone does not always address the underlying emotions which trouble the mind and spirit. Counselor Elyse Fitzpatrick and Dr. Laura Hendrickson provide biblical guidance on how to balance medical intervention with biblical encouragement.
