**Taking Cover - Nioucha
Homayoonfar 2019**

This coming-of-age memoir, set during the Iranian Revolution, tells the true story of a young girl who moves to Tehran from the U.S. and has to adjust to living in a new country, learning a new language, and starting a new school during one of the most turbulent periods in Iran's history. When five-year-old Nioucha Homayoonfar moves from the U.S. to Iran in 1976, its open society means a life with dancing, women's rights, and other freedoms. But soon the revolution erupts and the rules of life in Iran change. Religion classes become mandatory.

Nioucha has to cover her head and wear robes. Opinions at school are not welcome. Her cousin is captured and tortured after he is caught trying to leave the country. And yet, in the midst of so much change and challenge, Nioucha is still just a girl who wants to play with her friends, please her parents, listen to pop music, and, eventually, have a boyfriend. Will she ever get used to this new culture? Can she break the rules without consequences? Nioucha's story sheds light on the timely conversation about religious, political, and social freedom, publishing in time for the 40th anniversary of the Iranian

Revolution.

Iranian Diaspora Identities -

Ziba Shirazi 2020-06-15

Iranian Diaspora Identities: Stories and Songs combines oral history, storytelling, theories of communication, and performance studies into a unique study of an immigrant community. This book is the result of collaborative work between two Iranian-American immigrants, one a musician and artist and the other a professor. Using ethnographic, dramatic, and oral history approaches, Ziba Shirazi gathered these stories of diaspora journeys of Iranians living in California and Toronto in the aftermath of the Islamic Revolution of 1979. The editors transcribed these stories and developed them into short performance pieces that include lyrics and songs and were performed in the United States and Canada to thousands of people in theater venues and libraries. These stories constitute a unique archive of the history of contemporary Iranian diaspora experiences. They are

autobiographic vignettes that have helped constitute an artistic vision of Iranian exiles' own sense of community and their migratory experiences that inform the transformations they experienced in family, gender, and spiritual beliefs. In addition to providing an archive of experiences, the book uses social drama and storytelling to advocate for a new methodology for documenting Iranian diaspora accounts. It constitutes a new contribution to the existing literature on Iranian diaspora and furthers an exciting contribution to scholarship in qualitative research in communication studies.

Tehran Blues - Kaveh

Basmenji 2013-01-25

More than two decades after their parents rose up against the Shah's excesses, increasing numbers of young Iranians are risking jail at the hands of religious paramilitaries roughly their own age, for things their counterparts in the West take for granted: wearing makeup, slow dancing at parties, holding hands with members of

Downloaded from

legacy.opendemocracy.net

on 2019-08-13 by guest

the opposite sex. Every day anxious parents queue at courthouses to bail out sons and daughters who have been detained for 'moral crimes'. Kaveh Basmenji, who spent his own youth amidst the turbulence of the Islamic Revolution, argues that Iran's youth are in near-open revolt for want of greater freedoms, in furious defiance of the mullahs and their brand of sombre religiosity. Through candid interviews with young people, and in a careful assessment of Iran today (including a special chapter on the implications of the recent election to the presidency of hardliner Mahmoud Ahmadinejad), Basmenji gets to the heart of the matter: What do Iran's youth want, and how far are their elders prepared to go to accommodate them? 'A detailed insider's view of Iran's recent history and its impact on the new generation that is both entertaining and thought provoking.' Jordan Times 'Fascinating and highly readable ... with his vivid style and eye for detail, [Basmenji]

takes the reader right inside Iranian society.' Saudi Gazette 'An accurate account of Iranian society, history and culture...easy to read, and full of enlightening commentaries on personalities, events and trends.' Middle East Journal *The Persian Girl..* - 1861

Women, Religion and Culture in Iran - Sarah Ansari

2014-05-01

Investigates how women, religion and culture have interacted in the context of 19th and 20th century Iran, covering topics as seemingly diverse as the social and cultural history of Persian cuisine, the work and attitudes of 19th century Christian missionaries, the impact of growing female literacy, and the consequences of developments since 1979.

From the Shahs to Los Angeles

- Saba Soomekh 2012-11-01

Saba Soomekh offers a fascinating portrait of three generations of women in an ethnically distinctive and little-known American Jewish community, Jews of Iranian

Downloaded from
legacy.opendemocracy.net
on 2019-08-13 by guest

origin living in Los Angeles. Most of Iran's Jewish community immigrated to the United States and settled in Los Angeles in the wake of the 1979 Iranian Revolution and the government-sponsored discrimination that followed. Based on interviews with women raised during the constitutional monarchy of the earlier part of the twentieth century, those raised during the modernizing Pahlavi regime of mid-century, and those who have grown up in Los Angeles, the book presents an ethnographic portrait of what life was and is like for Iranian Jewish women. Featuring the voices of all generations, the book concentrates on religiosity and ritual observance, the relationship between men and women, and women's self-concept as Iranian Jewish women. Mother-daughter relationships, double standards for sons and daughters, marriage customs, the appeal of American forms of Jewish practices, social customs and pressures, and the alternate

attraction to and critique of materialism and attention to outward appearance are discussed by the author and through the voices of her informants.

I'm So Thankful For My Persian Cat Gratitude

Journal - Cctp Journals Persian
2019-05-12

Gratitude Journal For Teen Girls Who Love Persian Cats - Learn how to develop and focus on your attitude of gratitude with our cute cat gratitude journal. Each of the 100 pages has a place for you to write in the date so you won't have to skip pages if you forget a day. This book a guilt free zone! Each day commit to jot down the day's best moment, 3 things you are grateful for and one person you're glad is in your life. There's even a space for any notes or doodles you'd like to make. Great Size... We designed this gratitude journal to be just the right size for you. It's big enough to write in easily and small enough to slip into your purse or backpack. That way it can go with you

Creating the Modern Iranian Woman - Liora Hendelman-Baavur 2019-11-07
 A fresh look at Iranian popular culture and women's role within this prior to the 1979 Revolution.
My Persian Girl - Jonathan Rush 2012-05-01
 Under its placid surface in 1978, Iran was a simmering sea of religious animosity and social resentment, which was shortly to boil over into the world's first Islamic revolution:

the overthrow of the country's autocratic ruler, the Shah; and his replacement with a charismatic religious leader, Ayatollah Khomeini. My Persian Girl is an account of the impact the violent turmoil of the 1979 Iranian revolution has on three people: Shahnaz, a young Iranian woman; her husband Raman, who is an ambitious officer in Iran's secret police; and a naive young Englishman, James Harding. All these characters must make difficult decisions as Iran gradually slides towards the revolution, which threatens their personal safety. My Persian Girl is more than a love story set within a political thriller - it is a story of courage and hope in the face of momentous events, which have global resonance today.

The Making of Modern Iran - Stephanie Cronin 2003-12-16

The articles in this volume collectively present a picture of Iran under Riza Shah in all its complexity, in darker as well as lighter shades, highlighting the era's debt to the past as well as its legacy to the future.

Reza Arasteh 1970

My Persian Paradox - Shabnam Curtis 2019-03-20

On a cold night in 1978, seven-year-old Shabnam

Shahmohammad clung to her mother in a Tehran apartment while the sounds of gunshots rang out in the street: The Iranian Revolution was at hand. She and her family survived that night, but as the Islamic fundamentalists took the power over, she grew up watching her father take his beloved books away to burn, his friends be arrested and disappear, and women like her mother grow ever more marginalized. Confused by her father's communist ideology, her mother's conservative religious beliefs, and the regime's oppressive rules, she developed a deep longing to live a different life. Finding herself being married at nineteen, she naively dreamed to team up and discover an adventurous life. When she gave birth to a daughter whose future, she realized, mattered more to her than her own, she

had to find a way to unlock her little girl's possibilities. She longed to emigrate, but with Western countries' embassies mostly absent from Tehran, options for escaping Iran were limited. *My Persian Paradox: Memories of an Iranian Girl* is a tale of resilience facing oppression and dictatorship along with fighting with narrow traditional and restrictive cultural rules. This memoir is a journey of self-discovery, mother-daughter relationship obstacles, forbidden love, and the universal desire for freedom.

Narcissus the Persian Girl - F. Shayeg 2013-11

The Dream Within (persian Edition) - Mohsen Experex 2018-09-07

The Dream Within The story is based on the things that are happening around us and we have turned a blind eye on them. It is about the facts regarding the power of the human soul and its abilities that the politicians have taken away from us. Few people are aware of it and inform others

Downloaded from
legacy.opendemocracy.net
on 2019-08-13 by guest

about it. Governments throughout the world secretly intend to suppress people with these abilities. Signs of volcano eruptions and faults can be seen all over the world... But what has caused all these? The "The Dream Within" story does not end there. This book is the narration of three girls in three different places in the world: one in the Eastern Asia, one in north Europe and the other on the coast of the Mediterranean Sea... ALL the events of this story are real and written in history It is the story of three girls from the same parents who get separated over the centuries... All three girls have special powers within themselves which also exist in us. However, they get involved in it unintentionally. But what brings them together after being centuries apart? Reincarnation?

Iran - Richard Spilsbury
2012-08-10

Iran offers complete coverage of this fascinating country, including sections on history, geography, wildlife, infrastructure and government,

and culture. It also includes a detailed fact file, maps and charts, and a traceable flag.
Persian Baby Name Book - Parvaneh Shirzad 2006-03
This name book features approximately 3000 girls and boys names used in Iran and Afghanistan. The names and meanings are given in English for spouses and second generation Iranian and Afghan immigrants who cannot read Persian (Farsi).

The Boarding School Girls - Soosan Latham 2017-09-06
They were children. Put on a train in a strange land, they waved goodbye to a parent as they headed to an educational institution that, unbeknownst to them, was to become their new home. Separated from their loving families, they strived to meet the expectations of the grownups and, in some cases, to rebel against them. Now, independent women, compassionate mothers, and astute professionals, they look back on their youth in the 1960's and 1970's to make sense of why they were sent

Downloaded from
legacy.opendemocracy.net
on 2019-08-13 by guest

away, and to give meaning to the sources that have sustained them over the years. Ex-boarders themselves, Latham and Ferdows provide vivid and emotionally embodied narratives of everyday lives of The Boarding School Girls. This unique collection of stories explores key issues of identity and lifespan development to seek understanding of the influence of national, religious and family culture on development within two conflicting sets of cultural values. Combining unique qualitative data with illuminating tales of resilience and accomplishment in what is likely to simultaneously inform and inspire readers with feelings of joy and sadness, love and hate, abandonment and hope, but mainly trust and forgiveness. The stories of eleven 'little rich' Persian girls are a nostalgic reminder of their past cross-cultural ordeals, a pragmatic perspective on psychological implications of boarding school education in England, and a celebration of the possibilities

of the future. The Boarding School Girls is valuable reading for students in cultural, developmental and educational psychology and the humanities, as well as clinical psychologists and educators looking at the impact of boarding school on adolescent development.

Persian Girls - Nahid Rachlin
2007-12-27

For many years, heartache prevented Nahid Rachlin from turning her sharp novelist's eye inward: to tell the story of how her own life diverged from that of her closest confidante and beloved sister, Pari. Growing up in Iran, both refused to accept traditional Muslim mores, and dreamed of careers in literature and on the stage. Their lives changed abruptly when Pari was coerced by their father into marrying a wealthy and cruel suitor. Nahid narrowly avoided a similar fate, and instead negotiated with him to pursue her studies in America. When Nahid received the unsettling and mysterious news that Pari had died after falling down a flight of stairs, she traveled back to Iran--now

Downloaded from
legacy.opendemocracy.net
on 2019-08-13 by guest

under the Islamic regime--to find out what happened to her truest friend, confront her past, and evaluate what the future

holds for the heartbroken in a tale of crushing sorrow, sisterhood, and ultimately, hope.
