Find Out Anything From Anyone, Anytime - James O. Pyle 2014-01-20

“A new book by an army intelligence interrogator could help you get the answers to your most pressing questions.” —Time The secret to finding out anything you want to know is amazingly simple: Ask good questions. Most people trip through life asking bad questions—of teachers, friends, coworkers, clients, prospects, experts, and suspects. Even people trained in questioning, such as journalists and lawyers, commonly ask questions that get partial or misleading answers. People in any profession will immediately benefit by developing the skill and art of good questioning. Find Out Anything From Anyone, Anytime will give you the power to: Identify and practice good questioning techniques Recognize types of questions to avoid Know the questions required when hearing unconfirmed reports or gossip Practice good listening techniques and exploit all leads Determine when and how to control the conversation Gain real expertise fast Within professional interrogation circles, author James Pyle is known as a strategic debriefer—meaning there is no one around him more skilled at asking questions and getting answers. He has been training other interrogators in questioning techniques since 1989. “With his style of questioning alone, Jim Pyle can get more information than most other interrogators using multiple techniques.” —Gregory Hartley, co-author of How to Spot a Liar

How to Fall in Love with Anyone - Mandy Len Catron 2018-02-01

In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In How to Fall in Love with Anyone, this experiment is Catron’s starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a “right” way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. How to Fall in Love with Anyone is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes “To Fall in Love with Anyone, Do This”, one of the most popular essays to appear in the New York Times’ “Modern Love” column “In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love.”

—Alain de Botton, internationally bestselling author of How Proust Can Change Your Life and The Course of Love MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the New York Times and the Washington Post. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

The Happiness Project (Revised Edition) - Gretchen Rubin 2015-12-29

“This book made me happy in the first five pages.” —AJ Jacobs, author of The Year of Living Biblically: One Man's Humble Quest to Follow the Bible as Literally as Possible Award-winning author Gretchen Rubin is back with a bang, with The Happiness Project. The author of the bestselling 40 Ways to Look at Winston Churchill has produced a work that is “a cross between the Dalai Lama’s The Art of Happiness and Elizabeth Gilbert’s Eat, Pray, Love.” (Sonya Lyubomirsky, author of The How of Happiness: A Scientific Approach to Getting the Life You Want) In the vein of Julie and Julia, The Happiness Project describes one person’s year-long attempt to discover what leads to true contentment. Drawing at once on cutting-edge science, classical philosophy, and real-world applicability, Rubin has written an engaging, eminently relatable chronicle of transformation.

The Last Best Cure - Donna Jackson Nakazawa 2013-02-21

One day Donna Jackson Nakazawa found herself lying on the floor to recover from climbing the stairs. That’s when it hit her. She was managing the symptoms of the autoimmune disorders that had plagued her for a decade, but she had lost her joy. As a science journalist, she

was curious to know what mind-body strategies might help her. As a wife and mother she was determined to get her life back. Over the course of one year, Nakazawa researches and tests a variety of therapies including meditation, yoga, and acupuncture to find out what works. But the discovery of a little-known branch of research into Adverse Childhood Experiences causes her to have an epiphany about her illness that not only stuns her—it turns her life around. Perfect for readers of Gretchen Rubin's The Happiness Project, Nakazawa shares her unexpected discoveries, amazing improvements, and shows readers how they too can find their own last best cure.

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Politiquette - Nadia Asencio 2015-11-12

Partisanship is destroying the U.S. Whether you're an Independent fed up with your lack of representation in Washington, a moderate Democrat or Republican disappointed by the repeated failures of your party, or a Millennial whose disenchantment with our current political system has turned into apathy, you have options and the power to turn things around; in fact, We the People have an obligation to do so. But we can't change the current state of affairs until we realize that we're part of the problem: feeding into the fiction of the two party system and fighting amongst ourselves, even as our government creates policies to benefit its corporate friends at the expense of people everywhere. While no one can do everything, we can each do something; our nation's fate in the new millennium depends on it. The first step is effective communication. The first step, is Politiquette.

The 4 Stages of Psychological Safety - Timothy R. Clark 2020-03-03

This book is the first practical, hands-on guide that shows how leaders can build psychological safety in their organizations, creating an environment where employees feel included, fully engaged, and encouraged to contribute their best efforts and ideas. Perhaps the leader's most challenging task is to increase intellectual friction while decreasing social friction. When this doesn't happen and it becomes emotionally expensive to say what you truly think and feel, that lack of psychological safety triggers the self-censoring instinct, shuts down learning, and blocks collaboration and creativity. Timothy R. Clark, a former CEO, Oxford-trained social scientist, and organizational consultant, provides a research-based framework to help leaders transform their organizations into sanctuaries of inclusion and incubators of innovation. When leaders cultivate psychological safety, teams and organizations progress through four successive stages. First, people feel included and accepted; then they feel safe to learn, contribute, and finally, challenge the status quo. Clark draws deeply on psychology, philosophy, social science, literature, and his own experiences to show how leaders can, and must, set the tone and model the ideal behaviors—as he says, “you either show the way or get in the way.” This thoughtful and pragmatic guide demonstrates that if you banish fear, install true performance-based accountability, and create a nurturing environment that allows people to be vulnerable as they learn and grow, they will perform beyond your expectations.

The 48 Laws of Power - Robert Greene 2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of

confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

CHASING ELEPHANTS: Healing Psychologically With Buddhist Wisdom - Diane Shainberg 2001-05-25

As both a practicing psychotherapist and, Buddhist priest-teacher, Dr. Diane Shainberg uniquely integrates Buddhist spiritual wisdom with the practice of western psychological healing. She demonstrates how rather than searching for health through external solutions, one can look to his or her own internal potentials for healing and transformation. The author gives us specific practices for psychological Healing to happen and be sustained. “Chasing Elephants clearly describes how Dzogchen Buddhist practice can help in working with our psychological issues and in healing them through natural processes . . . how to create an inner transformation with open-hearted awareness. The author's personal, spiritual and clinical examples, make this an important contribution to therapy and spiritual work. I highly recommend this to all those on the path of liberation.” — Lama Surya-Das. Author of *Awakening the Buddha Within*, *Awakening to the Sacred*. “A wonderful book on how Buddhist teachings can inform the process of healing psychologically. Like a Zen Koan, Shainberg's writings sparkle with wit and insight, pointing to the spaciousness found in the intimacy with this moment. I hope professionals and lay people alike will mine this rich resource.” — Pat Enkyo O'Hara, Sensei, Village Zendo. “This book will change not just psychotherapy as we know it now, but also the hopes and expectations of anyone who needs to heal. For it shows that love, spiritual practice, and self-discovery, are essentially the same path, coming together in the Now of Not-knowing.” — Roshi Bernie Glassman. Author of *Instructions to the Cook*, *Bearing Witness*. “Chasing Elephants reveals the source of love from which healing arises. This book is a perfect companion for our journey as individual, client, or therapist.” — Judith Sarah Schmidt, Ph.D., Co-founder, Center for Intentional Living. “A wise and moving book. Diane Shainberg distills a lifetime of experience to show us how the paths of psychotherapy, spiritual practice and daily life can be integrated into the one clear path of awakening. Therapist or client, spiritual student or curious beginner — read this book and learn how to heal!” — Kenneth Porter, M.D. Co-Director, Center for Spirituality and Psychotherapy, National Institute for the Psychotherapies

Crush the Bully - Ash Dalby 2017-07-19

WHY YOU MUST TAKE ACTION Bullying can impact major aspects of your life including mental and physical health, career, friendships and relationships. If you have had a relationship with a bully, you might regret the years that you have lost by staying in the relationship. A workplace bully can affect your motivation, which can negatively impact on your career. A social bully can make you feel lonely and insignificant, even though you are part of a group. Some bullies enslave their victims. “Enslave” might seem like a strong word. However, when someone makes you so afraid that, you won't object in any way to their demands or insults, they have psychologically enslaved you. The long-term effects of bullying can take years to recover from. Victims of bullying may develop depression, anxiety and complex posttraumatic stress disorder. Whether you are a victim of bully or have been in the past, you must take action. **WHY THIS BOOK IS DIFFERENT** The fundamental premise of this book is that, bullies know they are bullies. As such, you cannot reason with them. Many authors tell you that you should talk to the bully and tell them that you feel hurt by their behaviour. This is usually pointless. In fact, trying to reason with a bully can make the situation even worse. If you try to talk to them, they will usually lie and deny. Even if they acknowledge your feelings, they will often employ another strategy to bully you. Even worse, the bully might accuse you of abusing them, simply because you tried to talk to them about their behaviour. They might present themselves as the victim. Then, they will often use this as an excuse to be even nastier to you. **WIN LOTS OF SMALL BATTLES AND YOU WILL WIN THE WAR** This book teaches you the skills to take the bully's power away. You should view, each time that you take the bully on, as a battle. You should not raise your voice. I am talking about a skilful battle of words. Each time the bully attacks you, you will be armed with a counter-attack and not just a defence. The idea is that, each time you and the bully have a battle of words, the bully will come off looking foolish. Bully's want to walk over their victims. They don't want to risk losing a battle of words and consequently, losing face in front of other people. The idea is that the bully will eventually realise

that, by attacking you, he or she can end up socially wounded. At this point, most bullies will leave you alone. This book contains carefully planned out strategies for each situation that you might find yourself in.

Make Him Yours - Mark Rosenfeld 2019-12-12

How much more time will you waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In *'Make Him Yours; Beating The Odds Of Modern Dating'*, you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material' The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex) The 3-Step process to set standards that makes a man respect and WANT to comply The Top 10 Places to meet men offline, and the simple OPEN mindset that gets hot guys talking to you anywhere, anytime (if that's what you want) The 7 Modern Dating Habits you can use in 2020 to swing the dating pendulum in your favour

Raising Good Children - Thomas Lickona 2012-05-02

Raising decent, caring, and responsible children is the most complex and challenging job in every parent’s life—and an increasingly difficult one in today’s society. Here is the most authoritative book available on this crucial subject, a valuable and sensitive guide for parents who want their children to grow up with lifelong positive values. Based on fascinating research, this groundbreaking work by psychologist and educator Dr. Thomas Lickona describes the predictable stages of moral development from birth to adulthood. And it offers you down-to-earth advice and guidance for each stage: • Seven caring ways to discipline “terrible twos” • Why your preschooler “lies” and how to handle it • What to do about a four-year-old’s back talk • How to handle your seven-year-old’s endless negotiations about what’s “fair” • Why teens have trouble with peer pressure—and how to help them • How to talk to your child about drugs, drinking, and sex • How to help children of any age reason more clearly about what’s right and wrong PLUS . . . A list of more than one hundred children’s books that teach moral values, and much more. “An excellent book on a vastly neglected aspect of raising children.”—Dr. Fitzhugh Dodson, author *How to Parent, How to Father* “We have been waiting for a book like this for a long time—a readable work that translates a moral development into parents’ language and experience.”—Dolores Curran, author of *Traits of a Healthy Family* “Truly integrates a moral development theory into a consistent approach to childrearing. . . Word-of-mouth recommendations from parent to parent may lift it to the level of popularity once held by Dr. Spock’s book on child care.”—Moral Education Forum
