Streisand - Anne Edwards 2016-02-15

Streisand: A Biography is much more than the story of the world's greatest living performer, how she got there, and why she remains at the top after three decades, it is also, in Anne Edward's sure hands, a compelling chronicle of a woman's fight to validate her appearance, her talent, and her right to love and be loved. Time and time again Streisand has demonstrated the ability to reinvent herself to keep pace with the continuing changes in musical taste. This updated edition of Edwards's pioneering biography chronicles her public life as a political activist as well as her private life as Mrs. James Brolin.

Favet Neptunus Eunti - Hagop Daniel Mouradian 2018-12-16

The title *Favet Neptunus Eunti*, Latin for "Neptune favors the traveler," looks at the traveling nature of the Armenian merchant-banking Mouradian family. Written in three parts, the book chronicles 700 years of Mouradian family history in five continents beginning with a description of both the family's pre-twentieth century life and merchant trade route spanning the Eastern hemisphere from Singapore to Manchester and Marseille. It then focuses on the family's Chungoush (Çüngüş) branch by providing a biography of the last chatelain of the city's Mouradentz Abarankn, Sarkis Agha Mouradian, his wife Mariam Khatoun (née Karagheusian), their children, and their control of the family's outposts in Kharpert (Harput), Aleppo, Turkmenistan, and Singapore leading up to, and during, the 1915 Armenian Genocide. Lastly, it follows Sarkis Agha and Mariam Khatoun's descendants as they integrated into various countries after World War I and established a presence in business, legal, political, entertainment, and culinary industries. Whereas the foreword and epilogue to the book remain specific to the Mouradians, the methodological introduction to the book, "Seeing and Being Seen: Methods of Witnessing the Unwitnessable," strays momentarily from the family and focuses more generally on torture as both the primary mechanism of genocide and the principal obstacle to documenting it, while proposing a means to overcoming this paradox. Research for the book is based on: - roughly 26 hours of recorded and previously unpublished interviews from now-deceased survivors of the Genocide and their descendants; - 13 public and private archives located in Italy, France, Turkey, and the United States of America; - 161 primary and secondary sources, along with over 50 previously unpublished private correspondence and governmental documents translated from Ottoman Turkish, Arabic, Japanese, Armenian, and French into English; - 26 nineteenth century Ottoman certificates of property title covering a portion of the family's Chungoush property holdings, which are annexed, including both scans of the documents and their complete translation from the original Ottoman Turkish to English. The text is accompanied with over 400 illustrations, comprising of photographs of family members, properties, jewels, personal effects, documents, and maps of both the family's trade and escape routes. The book is a limited hardcover edition in oversize format with lithograph printing on acid-free paper, Smyth sewn signatures, reinforced library binding, as well as gold and silver gilding to the cover.

Barbra Streisand - Neal Gabler 2016-04-26

Barbra Streisand has been called the "most successful...talented performer of her generation" by Vanity Fair, and her voice, said pianist Glenn Gould, is "one of the natural wonders of the age." Streisand scaled the heights of entertainment—from a popular vocalist to a first-rank Broadway star in *Funny Girl* to an Oscar-winning actress to a producer and director. But she has also become a cultural icon who has transcended show business. To achieve her success, Brooklyn-born Streisand had to overcome tremendous odds, not the least of which was her Jewishness. Dismissed, insulted, even reviled when she embarked on a show business career for acting too Jewish and looking too Jewish, she brilliantly converted her Jewishness into a metaphor for outsidership that would eventually make her the avenger for anyone who felt marginalized and powerless. Neal Gabler examines Streisand's life and career through this prism of otherness—a Jew in a gentile world, a self-proclaimed homely girl in a world of glamour, a kooky girl in a

world of convention—and shows how central it was to Streisand's triumph as one of the voices of her age.

The Prince of Tides - Pat Conroy 1986

In his most brilliant and powerful novel, Pat Conroy tells the story of Tom Wingo, his twin sister, Savannah, and the dark and violent past of the family into which they were born. Set in New York City and the lowcountry of South Carolina, the novel opens when Tom, a high school football coach whose marriage and career are crumbling, flies from South Carolina to New York after learning of his twin sister's suicide attempt. Savannah is one of the most gifted poets of her generation, and both the cadenced beauty of her art and the jumbled cries of her illness are clues to the too-long-hidden story of her wounded family. In the paneled offices and luxurious restaurants of New York City, Tom and Susan Lowenstein, Savannah's psychiatrist, unravel a history of violence, abandonment, commitment, and love. And Tom realizes that trying to save his sister is perhaps his last chance to save himself. With passion and a rare gift of language, the author moves from present to past, tracing the amazing history of the Wingos from World War II through the final days of the war in Vietnam and into the 1980s, drawing a rich range of characters: the lovable, crazy Mr. Fruit, who for decades has wordlessly directed traffic at the same intersection in the southern town of Colleton; Reese Newbury, the ruthless, patrician land speculator who threatens the Wingos' only secure worldly possession, Melrose Island; Herbert Woodruff, Susan Lowenstein's husband, a world-famous violinist; Tolitha Wingo, Savannah's mentor and eccentric grandmother, the first real feminist in the Wingo family. Pat Conroy reveals the lives of his characters with surpassing depth and power, capturing the vanishing beauty of the South Carolina lowcountry and a lost way of life. His lyric gifts, abundant good humor, and compelling storytelling are well known to readers of *The Great Santini* and *The Lords of Discipline*. *The Prince of Tides* continues that tradition yet displays a new, mature voice of Pat Conroy, signaling this work as his greatest accomplishment.

[Principles of Digital Democracy](#) - Roslyn Fuller 2023-10-24

Drawing on almost a decade of first-hand experience, *Principles of Digital Democracy* presents a unique look at digital democracy tools in action. Whether it is carbon budgeting in Canada, voting on legislation in Italy or policy consultation in Taiwan, this book explains not just what is possible to achieve with digital democracy tools today, but how to assess the life-cycle of civic engagement, as well as different approaches to security and policy implementation. *Principles of Digital Democracy* combines theory with practice, giving the reader an overarching theory of the components (Bestandteile) of digital democracy (e.g. ideation, deliberation, decision-making), as well as numerous case studies from around the world. Interviews with organizers and participants provide further insight into who participates in digital democracy and why they do so.

Streisand - James Spada 1996

"FASCINATING . . . The story of the public's discovery of a genius and the genius's discovery of herself." -- The New York Times Book Review "AS CLOSE TO A DEFINITIVE BIOGRAPHY OF STREISAND AS POSSIBLE. . . . The strength of Spada's book lies in his meticulous research."--Newsday She's been a part of our lives for more than thirty-five years, her full and luscious voice defining the sound of music for a generation. Now, bestselling celebrity biographer James Spada--who interviewed more than two hundred people for this book--puts it all on the record. With compassion and honesty, Spada reveals the private Barbra Streisand, including her lonely Brooklyn childhood with a disapproving mother and abusive stepfather, her hunger to perform, the discovery of her stunning voice, and the short, hard climb that took her to the height of Broadway stardom when she was only twenty-one. Here, too, are the startling details of Barbra's obsessive need for control and power, her excessive demands for money, and the amazing men in her life--from Elliot Gould, Jon Peters, and Omar Sharif to Ryan O'Neal, Warren Beatty, and Don Johnson. A stunning woman with an incomparable voice that only improves with age, Barbra Streisand has proved

herself one of the most creative, compelling, and controversial women of our time. "ENGROSSING . . . There is plenty of material here to amuse, entertain and even illuminate her carefully guarded life." --Los Angeles Times "WELL WRITTEN, LIVELY, AND ASSIDUOUSLY RESEARCHED." --Liz Smith

The People Entertainment Almanac, 1998 - People Books 1997-09

The 1998 edition of this fact-packed, trivia lover's guide to pop culture's greatest hits and hitmakers boasts over forty percent all-new and completely updated material. From the details on the latest celebrity weddings to this year's Emmy, Oscar, and National Book Award winners, this fantastic compendium has it all. 80+ photos.

Hollywood Lesbians - Boze Hadleigh 2016-08-03

"Fans of Hollywood's golden age will find this collection of interviews conducted over many years revealing...an enlightening picture emerges of Tinseltown, different from that presented in the fanzines." --Publishers Weekly "The book is more than it seems because these women are great talkers." --Booklist "I was curious about 'Hollywood Lesbians.' I have now read the book. I am still stunned." -- Bea Arthur of "The Golden Girls" "Riveting!...an eye opener!!" --Ellen DeGeneres *Hollywood Lesbians: From Garbo to Foster* is the companion volume to Boze Hadleigh's classic *Hollywood Gays*. In this rare and no-holds-barred collection of exclusive interviews with Hollywood icons from the Golden Age of movies and TV—Dame Judith Anderson, Barbara Stanwyck, Capucine, Ann B. Davis, Nancy Kulp, Sandy Dennis, Agnes Moorehead, Edith Head, Patsy Kelly — among others—renowned entertainment journalist and historian Boze Hadleigh goes straight to the source and opens the film world's closet door into the past, and brings this volume full circle to the present with new material.
