It is for the brave, the committed, the one who knows the difference between something that needs work, and something that needs to end.

[How to Make a Long Distance Relationship Last](#)

- Tony William 2017-07-16

Everything would be fine if we lived in the same town/state/country, is the common reason many men and women give for a long distance relationship not working out. Yes, distance can put an enormous strain on a relationship, but claiming that "distance" is the only reason a relationship didn't work out, or cannot work is putting your hands over your ears and shouting, "Land" because the truth is, it's too much to handle. I've met many men and women who won't try long distance relationships because according to them "long distance relationships just don't work." That simply isn't true! Long distance relationships Can and do work if the two individuals involved want it to. In my opinion, the question is not "do long distance relationships work?" But rather "Do both of you want to make it work?" If you both want to make it work, distance is just another obstacle that two people who truly love each other can easily

overcome if they really want to. These simple to follow tips will help your long distance relationship not only survive distance, they'll also help you lay a strong foundation for a relationship that is fun, fulfilling and successful last? The internet highway has changed the way we live and the way we love. It has changed the way we socialize, and it has also increased the likelihood of finding love over the internet. Conversations are easy to strike up with regularity, and it's easy to discover that you have strong feelings for someone who lives hundreds or thousands of miles away from you! Many people are choosing to have long distance relationships. Long distance relationships might feel wonderful at first. However, they come with their own set of unique challenges as well. Many couples are blind-sided by the impact a long distance relationship can have on their daily life. This person can now feel so close to you because of the internet and yet in reality, remain so far away. The paradox is weighty. The more

prepared you are to handle the situation, the better equipped you both will be to make decisions along the way that will benefit you and your special someone, and possibly make it a safer and enjoyable experience.

You Need To Know. □ What You Need To Know About Long Distance Relationships? □ How To Become Skilled At Flirting And Romantic?
The Book of Sacred Baths - Paulette Kouffman Sherman 2016-08-08

"Sacred bathing brings the ancient tradition of meditation and prayer into the modern day ritual practice of a home bath, so that you can connect to Spirit daily and purify your energy."—Dr. Larry Dossey, author of *One Mind* and *The Science of Premonitions* Immerse Yourself in Healing Waters for Relaxation, Clarity, and Wholeness Gain inspiration and rejuvenation through the sacred act of bathing. With fifty-two bath recipes, one for every week of the year, *The Book of Sacred Baths* shows you how to use this relaxing practice to improve your love life, succeed in your career, strengthen your health, and transform your spirit. Each recipe is tailored

to a specific emotional or spiritual need, from stress relief to divine assistance to self-connection for overall well-being. Using essential oils, candles, and color therapy along with visualization and ritual practice, you'll raise your vibration and release negative energy down the drain. Praise: "Fans of Sherman are in for an impressive treat with her collection of 52 fun and sacred baths to improve every aspect of your physical and spiritual life."—Publishers Weekly "A sacred bathing of the body ultimately becomes a sacred bathing of the mind, spirit, and soul, which unearths a mindfulness of self-nourishment that we might then gift as kindness to others as we go about our day."—Cathie Borrie, author of *The Long Hello* "I highly recommend this beautiful book of spiritual bathing for inner joy and healing."—Raven Keyes, author of *The Healing Power of Reiki* and *The Healing Light of Angels*
