Rationale of the Dirty Joke - G. Legman
2007-11-01

Why do people tell dirty jokes? And what is it about a joke's dirtiness that makes it funny? G. Legman was perhaps the foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his *Rationale of the Dirty Joke* remains the most exhaustive and authoritative study of the subject. More than two thousand jokes and folktales are presented, covering such topics as *The Female Fool*, *The Fortunate Fart*, *Mutual Mismatching*, and *The Sex Machine*. These folk texts are authentically transcribed in their innocent and sometimes violent entirety. Legman studies each for its historical and socioanalytic significance, revealing what these jokes mean to the people who tell them and to the people who listen and laugh. Here -- back in print -- is the definitive text for comedians and humor writers, Freudian scholars and late night television enthusiasts. *Rationale of the Dirty Joke* will amuse you, offend you, challenge you, and disgust you, all while demonstrating the intelligence and hilarity of the dirty joke.

Daily Humor in Russian Life Volume 4 - Rated "R" Edition - Foxy Dime 2020-11-06

Volume 4 - Rated "R" edition | Том 4 - Издание с рейтингом «16+» A great book for learning everyday Russian conversational language. The caricature dialog in Daily Humor in Russian Life is the best Russian learning book for everyday Russian conversations, common phrases, and words with dual meanings. You will not find most of this material in traditional Russian language educational books that teach proper Russian. In this book, you'll encounter: □ Perfect holiday gift for all your friends, Russian or not □ Hilarious Russian Jokes for grown-ups, Russian adult jokes, Russian sex jokes □ Funny and relatable illustrations depicting Russian Life □ Colorful caricatures of Russian characters in twisted yet hilarious scenarios □ Captions and dialogue to help you learn conversational Russian □ Impeccable English translations Looking for a book represented by caricatures Russian humor? Laughter is indeed, the best medicine. Humor makes you human. We all have it, and everyone enjoys it when the right material tickles their funny bone. The meaning of a caricature according to Wikipedia is a rendered image showing the features of its subject in a simplified or exaggerated way through sketching, pencil strokes, or through other artistic drawings. The meaning of Russian caricature is a caricature on steroids. Humor largely depends on the context. What might make an American crack a smile or a couple of chuckles might be different from those born and

raised in another country. Care to know what Russian humor looks like? Read and discover the tragic, yet comical aspects of life in Russia with Daily Humor in Russian Life! Russian Jokes for grown-ups! Russian adult jokes! Russian sex jokes! If books had ratings, this book would get an "R" rating, meaning it contains adult material. There is nothing distasteful in this book, even though occasionally you can find a picture of a woman's breast or a man's butt. Of course, caricatures remind us that in serious topics such as sex and relationships, there is always enough room for humor. Russian humor is an important aspect of Russian culture. Some sources claim that the Russian word "смех" (laughter) takes its meaning from the verb "сметь" (to dare). The one who dares, laughs the Russian way; it is a brave person that finds Russian jokes or especially Russian grown up jokes as part of Russian Culture and has the ability to laugh in the most difficult times. Daily Humor in Russian Life is the fourth of fourteen in a series the author holds very dear to their heart. The most popular form of the Russian humor is the anecdotes - short funny stories. You can view each caricature as an illustrated anecdote. Most of the time it is hard to say what is funnier, the picture itself or the dialog. Discover another culture and more reasons to laugh and smile. Add Daily Humor in Russian Life to your cart TODAY! «Смело вперед!» "Go for IT!"

of jokes—classics as well as those making the rounds today—and to provide suggestions on how to tell them effectively. Note: Some of the material is 'salty' because sex is an important part of life and lends itself to humor. Those who wish to develop as raconteurs must have a good stock of stories of different types at hand, in order to contribute to a social gathering, no matter who is present. This collection contains a variety of stories, from the ribald to the most sophisticated, such as 'Beethoven's Ninth' and 'Bohr.' Some—Three Women at the Gates of Heaven—are double-barreled, with two punch lines. I find them all quite amusing.
