Sex for One - Betty Dodson 1996-03-12

The classic guide to fully enjoying the pleasures of self-love, full of warmth, intelligence, and informative line drawings—from a renowned sex educator featured on Netflix's the goop lab with Gwyneth Paltrow. Confronting one of our last and most deeply rooted taboos—masturbation—noted sex expert and pro-sex feminist Betty Dodson, Ph.D., takes the shame out of self-love by creating a straightforward and appealing

guidebook that reveals masturbation as a satisfying, vital form of sexual expression. Dr. Dodson demonstrates how anyone can learn to make love alone with feelings of guilt or loneliness, and explains why masturbation is sexually and spiritually fulfilling for both men and women. Not only is it the safest sex, but sharing masturbation can also be a sensual treat for couples who want to learn more about each other's sexual responses. Sex for One demonstrates that self-loving is not just for times in-between lovers or for

social misfits. Masturbation is the joyful and ongoing love affair that each of us has with ourselves throughout childhood, adulthood, and the golden years of old age.

[He Comes Next](#) - Ian Kerner 2009-10-13

Transform Yourself from "Passion Victim" to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la vulva" philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on—and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest—You're Not That Into Him* either so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest—and ensuring that he does the same.

[Susie Bright's Sexual Reality](#) - Susie Bright 1992

Orgasms for Two - Betty Dodson 2003-07-01

A down-to-earth guide to becoming happier and healthier through the benefits of mutually satisfying pleasure—from a renowned sex educator featured on Netflix's *the goop lab* with Gwyneth Paltrow In *Orgasms for Two: The Joy of Partnersex*, Dr. Betty Dodson shows us how to get to know ourselves and our partners better, whether it's the inner and outer workings of the anatomy or the best sex toys to bring to bed. She writes often from her own experiences, because she feels people learn best through example, and she writes from the knowledge acquired through years of working with women and men, teaching workshops, and doing research. The knowledge gained through reading *Orgasms for Two* is like having a kindly, remarkably frank guide tell you all the things you've always wanted to know but never had anyone to ask. Open *Orgasms for Two* and see how rewarding it is to cast aside conventional beliefs about sexuality and begin to enjoy the best sex of your life.

Sex by Design - Betty Dodson, Ph.d. 2016-04-20

America's Most Honest Memoir Betty Dodson's memoir is the story of one woman's struggle to liberate female sexuality while enjoying her own. In the 70s, as the feminist movement evolved, focusing on various platform issues including equal pay and voter registration, Betty latched on to sexual liberation as a symbol for self-empowerment. Realizing that so many women weren't enjoying sex, she asked, "How could women ever be truly equal if they were reliant on men for their sexual satisfaction?" She quickly became the leader of the sex-positive feminist movement. And the rest is history.

[The Art of Living Alone and Loving It](#) - Jane Mathews 2018-04-24

Whether you view living alone as the ultimate compromise or the ultimate luxury, it presents daily challenges, such as cooking for one, organising holidays, juggling finances, and avoiding the siren call of wine, Ugg boots and Netflix. And there are the less tangible tests, like nailing the octopus of loneliness to the wall, and holding your head high in a society where solo living is viewed (consciously or not) as the runner-up prize. No matter what your unique situation, there's something here for you. Jane provides the map and you choose the route to a more joyful, contented life.

[Getting Off](#) - Jamye Waxman 2007-11-02

Masturbation is like tuning a radio -- you don't know what frequencies you'll enjoy until you play with the knobs. Masturbation has a complicated stigma attached to it; everybody is doing it, but not everybody talks about it. Some were told that touching oneself would cause cute kittens to die, some were told masturbation led blindness. *Getting Off: A Woman's Guide to Masturbation* is here to debunk those masturbation myths, and reinforce the truth. Masturbation is a totally natural and normal way for women to connect with and find pleasure in their bodies. Fun, informative, and illustrated, *Getting Off* provides women with a wealth of masturbation knowledge -- its history, the mechanics of it, the joys of sexy toys -- plus clear, concise tips on getting off. Foreword by Betty A. Dodson

Deeper Dating - Ken Page 2014-12-30

With exercises, practical tools, and inspiring stories, *Deeper Dating* will guide you on a journey to find the

love—and personal fulfillment—you long for Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In *Deeper Dating*, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. *Deeper Dating* guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . *Deeper Dating* integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

Betty Dodson Bodysex Basics - Carlin Ross 2017-02-24

Betty Dodson ran Bodysex workshops for over 25 years. They grew out of the consciousness raising groups feminists started in the 1970's. Women would gather together and talk first person about their personal lives. Betty took it one step further and had women answer two questions: how do you feel about your body & how do you feel about your orgasm. She called her workshops "physical and sexual consciousness raising" which she later shortened to "Bodysex." Betty and Carlin filmed a workshop in 2011 and, based upon demand, started running groups again. It became clear that women wanted to run their own workshops following Betty's model of body pride, sisterhood, and independent orgasm. To date, we've certified 45 women to run workshops in 10 countries and 17 states. This book is a manual describing how to run a workshop from beginning to end. Our hope is that Bodysex spreads across the globe so that future generations of women can learn how to love themselves and their bodies

Speak Your Truth - Fearne Cotton 2021-01-07

THE INSPIRING SUNDAY TIMES BESTSELLER 'Fearne Cotton is a tireless seeker of the truth, and a wonderful communicator of sanity, hope, and (most refreshingly of all) reality. This is, simply put, a beautiful book.' Elizabeth Gilbert, author of *Eat, Pray, Love* and *Big Magic* 'During a time where misinformation is spreading faster than ever and people are finding it hard to keep it real, Fearne shows us the power of living in our truth. She has a magical way of making us feel understood through her compelling storytelling, while showing us a path to a more authentic life.' Vex King, author of *Good Vibes, Good Life* 'This book is going to help a lot of people.' Philippa Perry, author of *The Book You Wish Your Parents Had Read* 'Loved it - without judgement, but with a cheeky wink of wisdom, Fearne gives you the tools that she's learned on her own journey.' Skin, Skunk Anansie 'We need truth talkers more than we ever

have right now. Wild, bold, connected truth talkers. Fearne takes our hand and shows us how to be one by treading the wild, vulnerable path first.' Sarah Wilson, author of *First, We Make the Beast Beautiful* Fearne Cotton's voice is familiar to millions, whether that's through television, radio or on her hugely successful *Happy Place* podcast. Her voice is her career, her livelihood and the way she communicates with her audience and her loved ones. So, when Fearne's doctor told her she was at risk of needing a throat operation followed by two weeks of being unable to speak, she found herself facing a period of unexpected contemplation. As she considered what silence would mean, Fearne began to think about other times her voice had gone unheard - as a young woman, as 'just the talent', as the foil to louder, more dominant figures. She found herself wondering, at what point do we internalise this message, and start silencing ourselves? When do we swallow down our authentic words to become pleasers and compromisers at the cost of our own happiness or wellbeing? *Speak Your Truth* dives into all the ways we learn to stay quiet for the wrong reasons, and explores how to find your voice, assert yourself and speak out with confidence. Brave, vulnerable and deeply personal, *Speak Your Truth* shares Fearne's compelling story and helps you to shape your own.

O Wow - Jenny Block 2015-08-11

What is an ultimate orgasm? An ultimate orgasm is your personal best orgasm. It doesn't leave anything at the table. It doesn't want anything more. It lasts as long as it lasts. It takes as long as it takes. It's as messy and loud or quiet and tidy as you like. It has no room for shame or apology. An ultimate orgasm comes from questioning, exploring, experimenting, with no concern for how society or religion or anything else defines sex or female orgasm. The ultimate orgasm belongs to you and only you and it is your responsibility to find it, to have it, and to keep it for as long as you want to live a fully sexually satisfying life. Want to know the secret to having the ultimate orgasm? Knowing your body and being in the zone. That's it. Lots of tips and tricks and ideas follow later in the book. But first and foremost, we have to empower ourselves to pleasure. No matter how much your partner is committed to your orgasm, you are the only one who can and should be responsible for your orgasm. There's no judgment. No right or wrong way. No bad orgasms.
