The Rough Guide to Sex - James McConnachie
2010-01-04

Has any big subject ever generated so many myths, lies and unfounded claims as sex? The Rough Guide to Sex is the antidote to the cynical hype, noisy boasts and all those embarrassed silences. It tells it how it is - for men and women, gay and straight from touch and masturbation to sexual positions with accessible 'how to do it' advice. Honest and informative, author James McConnachie gets up close and personal, covering not just body parts, techniques and accessories, but sexual health, attitudes, expectations and beliefs. Amply illustrated, this is a book for the curious, dealing with everything you know and don't know about sex- and beyond. It unveils the nature of desire, the meaning of fantasy, the science of orgasm - what works and what doesn't for both him and her. It tells how scientists and gurus, writers and lovers, perverts and priests have all contributed to the story of sex. Above all, it looks at how sex really figures

in people's lives. Myth-busting, witty, thoughtful, and candid, *The Rough Guide to Sex* uncovers the facts of life without the fiction.

Teaching America about Sex - M. E. Melody
1999-05

This witty and provocative study of sex and marriage manuals reveals the patterns of permissiveness and prohibition, and, tellingly, the mechanisms of suasion and enforcement - from sermons and hellfire to mutilation and electroshock - that have informed popular sex education over the past hundred and twenty years. From the roaring '20s to the 1960s sexual revolution and after, *Teaching America about Sex* reveals that, even as sexual behavior changed during periods of upheaval, the prescriptive literature on sex has remained traditional at its core, promoting primarily sex within marriage for the purpose of reproduction.

passionate sex life using various positions and techniques, and discusses the importance of an emotional bond between partners.

Let's Talk about Sex - Dr Hannah Carton
2020-08-31

'Let's Talk About Sex' is a much-needed resource for providing information to groups and individuals with intellectual disabilities in order that they are aware of the risks and intricacies of sexual health, sexual relationships and all that goes with this. This need may arise during adolescence, following a period away from the community (e.g. hospitalisation, incarceration) or later in life. The manual provides a sexual health education programme that can be used with adolescents and adults with intellectual disabilities. Its detailed guidance and resources can be used to run a group programme delivered as individual stand-alone sessions, in a pick and mix style, or as a 16-week programme, according to the needs of those attending. It can also be used as a basis for working with

individuals on sexual health matters. The programme covers topics including physiology, puberty, personal hygiene, health screening, sexual orientation and gender identity, dignity and respect, sexual education, consent, relationships, and exploitation, delivered in a non-judgemental, informative, supportive approach. Each session incorporates different methods of learning, including facilitator-led discussion, active participation and visual aids to enhance learning and can be adapted to meet the learning needs of participants. Online, printable resources are included to reinforce learning. Guidance is provided to facilitators on supporting individuals during and after sessions.

Sex - Emma Jane Taylor 2009-11

In a totally fresh and appealing take on the subject, SEX is a completely new kind of sex book. This is a sex book for people who like having sex, who want to have more, and want to know how to do everything better. Unlike other sex manuals, which try to solve problems with

sex, this is a book for people who love sex and want to expand their horizons. Written by the young, hip "super-sexpert" duo Em and Lo of nerve.com notoriety, this book is as witty and cool as it is instructive. This fun and energetic romp has over 300 explicit and authentic, but beautiful, "live" shots by renowned fashion and portrait photographer, Rankin.

The Muslimah Sex Manual - Umm Muladhat
2017-07-02

Two years ago, I was congratulating a young Muslimah on her engagement. She was thrilled about starting married life and you could see the happiness emanating from her as everyone gave her their best wishes. A few months later, I could tell something was wrong. After some cajoling, she shyly admitted the truth. Her sex life was horrible. In fact, it was fast becoming non-existent. She had been a model Muslimah her entire life. Before marriage, she had never so much as held a non-mahram's hand, let alone become physically intimate with one. She had

eagerly looked forward to marriage as a chance to finally indulging in all the physical intimacy she had postponed for the sake of Allah. But it wasn't working. Coming from the medical field, she knew all the relevant biology. She could draw and label all the parts of male and female anatomy. She had taken fiqh classes and knew the legal rulings of menstruation and intercourse. But she didn't know sex. Oh, she knew the mechanics. Insert penis into vagina. Climax. Withdraw. But she didn't know how to make her husband yearn for her in bed. She didn't know what he liked. She didn't even know what she liked! They had begun eagerly but after a few weeks, realized that neither of them was truly enjoying having sex with each other. And so began my impromptu sex skills workshop. I threw at her all the information I'd gathered over years of marriage. Things I'd learned from experience, tidbits I'd gleaned from friends, tips I'd picked up from magazine articles. One thing here, two things there. All

Downloaded from
legacy.opendemocracy.net on 2023-06-17
by guest

those bits had accumulated into a very healthy and robust sex life between me and my husband. I gave her everything, fervently hoping that it would help her in her marital life. A month later, I saw her again. This time she had a gigantic smile on her face. "Please, write this down and share it with other Muslim girls. No one teaches this. We're thrown into marriage and only know the fiqh and the biology." I wrote down everything I told her on a Word document and emailed it to her. She shared it with her friends who were newly married. They shared it with their friends. Before long, word trickled back to me that people were asking me to write a book on the subject. So here it is.

The Joy of Sex - Alex Comfort 2012-01-10

original sex manual, combining the innovative look of a graphic novel with nonfiction advice and activities for fearless fun in bed. Host of the wildly popular "Sex Is Fun" podcast, Kidder Kaper brings unique approaches to the topic of lovemaking. In his first book, Kaper reinvents the sex manual, using whimsical cartoon characters and stylishly illustrated pages to deliver his singular expertise. *Sex Is Fun!* is for anyone looking for creative ways to spice up their sex lives and for couples seeking long-term solutions for keeping their relationship exciting. Both entertaining and informative, it offers a fresh take on sex toys, talking dirty, sizzling foreplay, erotic massage, inventive positions, role-playing, and other tips for a mind-blowing experience. With clever illustrations and humorous dialogue, Kaper's titillating tour surpasses other books in the category, taking the intimidation out of sex play and offering workbook-style activities and games, such as the candid Sexual Interest Inventory and the What

Scares You? questionnaire. Read solo or with a partner, these thirty-six chapters will help couples enhance communication, explore new territory, and reach higher levels of pleasure and fulfillment. Read Kidder Kaper's posts on the Penguin Blog.

Sensate Focus in Sex Therapy - Linda Weiner
2017-02-24

Sensate Focus in Sex Therapy: The Illustrated Manual is an illustrated manual that provides health professionals with specific information on the use of the structured touching opportunities used regularly by Sexologists to address their clients' sexual difficulties (*Sensate Focus 1*) and enhance intimate relationships (*Sensate Focus 2*). This book is the only one to: vividly describe and illustrate the specific steps of, activities involved in, and positions associated with *Sensate Focus*; emphasize the purpose of *Sensate Focus* as a mindfulness-based practice; and distinguish between the purposes of *Sensate Focus 1* and *Sensate Focus 2*. Through the use of

Downloaded from

artful drawings and descriptive text, this manual engages mental health and medical professionals and their clients by appealing to both the visual and the analytical. It discusses how modifications to Sensate Focus can be applied to diverse populations, such as LGBTQ clients, the elderly, the disabled, trauma survivors, and those with challenges such as Autism Spectrum, anxiety, and depression. The book also offers suggestions for dealing with common client difficulties such as avoidance, confusion, and goal directed attitudes. This comprehensive approach to Sensate Focus will remind readers of the beauty and power of touch while offering suggestions for moving from avoidance to sensory transcendence.

Sex Manual for People Over 30 - Ira Alterman
1983-01-01

[The Married Kama Sutra](#) - Simon Rich
2013-10-29

An illustrated "sequel" to the famous Kama

Sutra: a humorous guide to the positions of married life. For centuries, lovers have found inspiration and advice in the ancient text of the Kama Sutra. Now, Simon Rich--"one of the funniest writers in America" (The Daily Beast)--and Farley Katz have unearthed a valuable new document--a guide to the positions most common after marriage. From "the interrupted congress" to "the beaching of the whales," here are the poses, positions, and games married lovers play to keep the spark alive--and the dishwasher properly loaded. Complete with four-color, full-page illustrations in the style of the original Kama Sutra, but with modern, domestic accoutrements: dirty diapers, TV remotes, and wine glasses aplenty.

Love, Sex, and Marriage - Julie Coleman
2022-06-13

If the language we use influences and reflects the way that we see the world, then the fields of LOVE, SEX, and MARRIAGE, will show how speakers of English view their closest social and

Downloaded from
legacy.opendemocracy.net on 2023-06-17
by guest

emotional relationships. Love, Sex, and Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day. This volume makes it possible to trace changing attitudes towards social and sexual ties, and to understand those ties as earlier speakers of English did, through the language they used. The terms are arranged by meaning, and are listed chronologically within semantic fields, with their dates of usage. Notes on individual terms provide further information about their connotations and development. Language does not exist in isolation from the people who speak it, so background information about changes in social conditions, religious beliefs, and medical advancements is also included. A brief introduction to basic semantic terminology explains the principles behind the classification, and an alphabetical index facilitates the location of individual terms.

A Lifetime of Sex - Stephen C. George 1998

With more than 300,000 copies in print, the guide that looks at sexuality at every stage in a man's life is now available in paperback. The book is written in the lively and accessible "Men's Health" tone, with advice from 150 sex experts. 22 illustrations.

Kamasutra - Anna Rachel Hefner 2019-12-03
 Kamasutra The Ultimate Guide to Master the Best Sex Positions, Enhancing Climax and Increasing Your Libido. Time to SPICE UP your LOVE LIFE! Married Love - Marie Stopes 2022-06-03

In this short book Dr Marie Stopes aims to discuss frankly, and in plain speech, the issues that may arise between men and women in the area of their sex lives. In its time the book was thought quite shocking by some, as the idea of discussing sex openly was unusual.

The Lovers' Guide - Marcelle d'Argy Smith 2002 Frank, fresh and funny, this down to earth guide brings the sex manual into the 21st century. It acknowledges the fact that today women are the driving force in initiating change and exploring new avenues in sexual relationships, and provides the kind of advice and instruction that women who grew up with the Pill, forthright magazines like Cosmopolitan, and equal opportunities legislation expect. Essential bedside reading for modern women - and the

men in their lives - this comprehensive guide to lovemaking explores the mind and sex as well as the physical aspects - from a fully illustrated insight into the classic positions to the facts of sexual health, from positive advice on body attitudes to an exploration of women's favourite fantasies. Whether you are at the start of your sexual life, discovering fresh pastures after a break-up or divorce, or concerned about how life's changes such as pregnancy or menopause will affect your relationship, the authors provide upbeat, practical advice to set you and your partner on the right track. *The Lover's Guide* brings the sex manual into the 21st century. It acknowledges the fact that today women are the driving force in initiating change and exploring new avenues in sexual relationships, and provides the kind of advice and instruction that is now demanded. Frank, fresh and practical, *The Lover's Guide* is crucial bedside reading for modern women - and the men in their lives - as the authors explore the psychological as well as

the physical aspects of pleasure. With specially-commissioned colour photographs, it is a unique insight into sexual wellbeing, covering everything from the classic positions to the facts of sexual health, from positive advice on body attitudes to an exploration of women's favourite fantasies.

[The Enlightened Sex Manual](#) - David Deida 2011

The secret to enlightenment and great sex is revealed to be one and the same in this groundbreaking manual for adventurous lovers. David Deida was trained for decades in the art of spiritual and sexual awakening. Now he presents the ultimate collection of skills for opening to the physical, emotional, and spiritual rewards of intimate embrace. In paperback for the first time, The Enlightened Sex Manual teaches you how to transform simple "skin friction" into the depths and embodiment of ecstasy, how to develop sexual abilities as gifts of heart rapture and bodily surrender, how to achieve the principal types of orgasm - and all their varieties

- and much more.

Sex is a Funny Word - Cory Silverberg

2015-07-28

2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex
