Sex, God, and Rock 'n' Roll - Barry Taylor 2020-06-04

Each of us experience moments that shift the axis of our lives, nudging us into new perspectives and sometimes altering our course completely. These are thread--threads that seem mundane, silly, or even trite but, woven together over the course of a life, bring us to places we never imagined. *Sex, God, and Rock 'n' Roll* is a story of such threads in one extraordinary life. Barry Taylor began adulthood on the road with a world-famous rock band, and there he found religion. He then became a theologian, priest, teacher, and a theist-non-theist-post-theist. Some of his stories will shock and others will provoke laughter and tears. Taken together, they will show just how poignantly the sacred moves in all of our lives.

Sex, God, and the Single Life - Hafeez Baoku 2014-08-05

In *Sex, God, and the Single Life*, Hafeez Baoku dispels sexual misconceptions, uncovers what God really teaches about sex and reveals how young adults can experience true sexual joy now and in their future marriages. Culturally relevant and biblically sound, Baoku explores God's teachings on love, sex, and relationships.

Comedy Sex God - Pete Holmes 2019-05-14

Part autobiography, part philosophical inquiry, and part spiritual quest, *Comedy Sex God* is a hilarious, profound, and enlightening romp around the fertile mind of stand-up stand-out, podcast king, and HBO superstar Pete Holmes. Pete Holmes is a sold-out-every-night stand-up comedian with two HBO specials and the host of the hugely successful podcast *You Made It Weird*, and he was the creator-star of the hit HBO show *Crashing*. But it wasn't always roses for Pete. Growing up, Pete was raised an evangelical Christian, but his religion taught him that being "bad"—smoking, drinking, having doubts or premarital sex—would get

him sent to an eternity in hell. So, terrified of the God he loved, Pete devoted his life to being "good," even marrying his first girlfriend at the age of twenty-two only to discover a few years later he was being cheated on. Thanks for nothing, God. Pete's failed attempt at a picture-perfect life forced him to reexamine his beliefs, but neither atheism, nor Christianity, nor copious bottles of Yellow Tail led him to enlightenment. Pete longed for a model of faith that served him and his newfound uncertainties about the universe, so he embarked on a soul-seeking journey that continues to this day. Through encounters with mind-altering substances, honing his craft in front of thousands of his comedy fans, and spending time with savants like Ram Dass, Pete forged a new life—both spiritually and personally. Beautifully written and often completely hilarious—imagine Dass's *Be Here Now* if penned by one of the funniest people alive—*Comedy Sex God* reveals a man at the top of his game and a seeker in search of the deeper meanings of life, love, and comedy.

Sex, Masculinity, God: The Trialogues - Kevin Orosz 2020-08-12

Sex, Masculinity and God: The Trialogues is first and foremost an open exploration of the unknown and the forbidden. This exploration is navigated by three men of different existential style, belief and desire; but three men united in struggle to understand the nature of sexual energy, the difficulties of masculine identity, and connection to some other or beyond of the self. The adventure starts with a focus on the division producing what we refer to as masculine and feminine energy or identity. Instead of closing this difference up with intuitions of unification, their discourse plays in sexual difference in order to see what new territories can be discovered in the fields of science, religion and psychoanalysis. In play, what emerges include reflections on the meaning

of historical identity, complexities of contemporary identification, paradoxes of new masculine movements, struggles of emotional negativity, disorientation of ethical duty and moral coherence, weird otherness of possible future technologies, and the strange unity of love and death. There are no final answers in this text, as it relates to sexual energy, masculine identity, or metaphysical meaning, but rather an invitation to open fully to even deeper levels of the unknown and the forbidden.

60 Things God Said about Sex - Lester Sumrall 2002

The Bible candidly deals with sex--more so than many modern sex manuals!--and 60 Things God Said about Sex shows you that the best way to have sex is God's way.

The Question of God - Armand Nicholi 2003-08-07

Compares and contrasts the beliefs of two famous thinkers, Sigmund Freud and C.S. Lewis, on topics ranging from the existence of God and morality to pain and suffering.

Daniel Rose's Sex God Method - Daniel Rose 2018-09-27

The Sex God Method is a complete and comprehensive guide to sexual mastery. But, before reading it, there are a few things you should know. First, you are taking a risk of pregnancy and STDs every time you have sex. Although this risk can be minimized by safe sexual practices, it is always present. Second, you should always practice safe protected sex until you are sure that you can trust your partner. This book describes controversial sexual practices and fantasies. They are advocated only in the context of being role-playing fantasies. Keep an open mind at all times when reading this book. It is called The Sex God Method for a reason - the ideas presented in this book are not a collection of nifty tricks and techniques, but rather a system intended to change you from a sexual dud to a Sex God. Be prepared to have all your beliefs about sex challenged.

What's the Big Deal? - Stan Jones 2019-08-06

One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Your kids know about sex. But what they've gathered from TV, other kids, or the internet doesn't tell them everything

or answer all of their questions. What's the Big Deal? was written to help parents provide the answers to their 8-to-12-year-olds. This book explains the basic facts about sex and related issues such as: Why God made adults so that they want to have sex What God actually says in the Bible about sex and why it's designed for marriage The amazing changes ahead of you during puberty How to respond when you feel sexual pressure from friends, TV shows, movies, and magazines Your kids can read this book with you so you can discuss it together. This provides them the safe space to ask hard questions they might find embarrassing. The book will help kids understand what a beautiful and exciting gift from God sexuality is meant to be. Now revised and updated with: Separate chapters on puberty for boys and girls A chapter on the dangers of pornography An expanded age range (formerly 8 to 11, now 8 to 12)

Sex & God - Darrel Ray Ed D. 2012

Why are all the major religions consumed with sex? What makes sex so important, whether Buddhism or Islam, Christianity or Mormonism? What is the impact of religion on human sexuality? This book explores this and more. It ventures into territory that has never been examined. You will be surprised at how much religion has influenced your sexuality,

who you marry, the pleasure you get or don't get from sex, and what you can do about it.

The Book Against God - James Wood 2013-07-31

Thomas Bunting, charming, chaotic, and deeply untruthful, is in despair. His marriage is disintegrating, and his academic career is in ruins: instead of completing his philosophy PhD, he is secretly writing what he hopes will be his masterwork, a vast atheistic project he has privately entitled 'The Book Against God'. But when his father is suddenly taken ill Thomas returns home, to the tiny village in the north of England where his father still works as a parish priest. Thomas hopes that he may finally be able to communicate honestly with his father, a brilliant and formidable Christian example, and sort out his wayward life. But Thomas is a chronic liar, as well as an atheist, and he finds, instead, that once at home he only falls back into the disastrous and evasive patterns of his childhood years.

Sex God Method - 2nd Edition - Daniel Rose

God Forbid - Kathleen M. Sands 2000

Since the 1980s, religion has been most visible in American public life when issues of sexuality and reproduction are at stake. Paradoxically, however, the voices that speak most loudly in the name of religion are often unschooled in religious history, world religions, theology, or ethics. As a result, religion in America is misrepresented as anxiously and obsessively concerned with sex, and as uniformly supporting the conservative agenda of "family values." This volume corrects that distortion in American public discourse. Its thirteen previously unpublished articles introduce scholarly perspectives on issues including the family, gay rights, abortion, welfare policy, prostitution, and assisted reproduction. They richly display the complexities and conflicts that exist not only between but within America's various religious traditions--for example, the pro-choice strain within Christian history, the support of many religious denominations for gay rights, and the criticism of patriarchal family structures within religious communities past and present. In these essays, contributors put forth views of sexual ethics

that are just and compassionate, respectful of cultural pluralism, and attentive to democratic processes. Thoroughly researched, lucidly written, and carefully argues, this anthology will debunk the claims of the Religious Right to be the only "religious" word on sexuality in America.

Sex God - Rob Bell 2010-01-02

Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated. Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality, you quickly end up in the spiritual--because 'this' is always about 'that.' Something deeper. Something behind it all. You can't talk about sexuality without talking about how we were made. About how we relate to each other. About how we were made to relate to each other. And that will inevitably lead you to who made us. At some point you have to talk about God. To make sense of the one, we have to explore the other. That is what this book is about.

Sex Positions for Beginners - James Eros Valmont 2020-11-30

Are you an awkward person without much experience with sex? Do you intend to become an expert and know every part of it perfectly without waiting to look bad in bed before learning? Then keep reading... Did you know that in 92% of cases the first sexual experience causes a shock in humans and make them insecure in all future sexual relations? This can mean performance anxiety, erectile dysfunction and premature ejaculation. The problem is that from an early age we have been used to masturbating ourselves quickly because this practice created anxiety, and in the subconscious it was something to do in secret so as not to be discovered. From that moment on our brain has associated sex with something which creates anxiety, something quick and something secret. This is what leads most men as adults to have problems relating to girls, having sex, knowing where to touch them and being able to last a long time... wouldn't it be your dream to be able to do all this? It is not your fault that you are like that. I was also the first to discover secret sexual positions and special tricks to make her enjoy it that led me to have

relationships with hundreds of women in a few years. Do you think that the right sexual positions have no direct correlation with feeling comfortable and making you enjoy it more? You are wrong! The Great Sex Rescue - Sheila Wray Gregoire 2021-03-02

What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

Stop Having Sex - God's Road Map to Abstinence - Karen L. Green 2011-11

How to live in a season or lifetime of abstinence.

God Invented Sex - Charles E. Wittschiebe 1974

Sex, God, and the Conservative Church - Tina Schermer Sellers 2017-04-21

Sex, God, and the Conservative Church guides psychotherapy and

sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden

mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.
