DENIAL Ain't The Answer To My Problems - Jr. Williams 2010-11

DENIAL Ain't The Answer To My Problems! Examines the 12 Steps Of Alcoholics Anonymous and delves deeper to its core to give each principle a Fresh, New, Biblical perspective. A perspective that results in

a Sermonic Response to Alcohol Addictions, Drug Addictions, Sexual Addictions, Food Addictions, and Abusive Behaviors. Each sermon presented here, centers on the Word of God and gets directly to the heart of the matter. These inspiring sermons will encourage you, correct

you, comfort you, inform you and help you on your journey to Salvation, Sobriety, Deliverance, and Recovery. This book clearly outlines your FOOTSTEPS along the road of your recovery & restoration! Reverend Herbert Williams, Jr., M. Div., is the Founding Pastor of the Nehemiah Christian Church in Washington, D.C. He is a Preacher of the Gospel, a Psalmist, a Praise and Worship Leader, who proclaims the Gospel Message through Music Ministry and the Spoken Word. He currently gives leadership as the Assistant Pastor/Small Group Ministries, at Saint Paul Church. Where he gives oversight to The TLC Refuge Community Small Groups. Reverend Herb, as he is fondly addressed, from his youth has always felt God's call upon his life. He has been anointed and empowered by God to be a Fisher of both men and women. One who seeks to encourage lost souls, by offering the Lord's, Healing, Liberating, Elevating Message of Salvation. "I believe that if we cast our evangelistic nets, in our homes, among unsaved relatives, in crime filled neighborhoods, in city schools and in city streets. If we are ever watchful of where God is working. If we cast our nets there, the harvest will be greater than we could have ever imagined." Nehemiah Christian Church Washington, D.C. Founder/Pastor Saint Paul Church Capitol Heights, Maryland Assistant Pastor Small Group Ministries

No Finish Line - Johnny Ruffo 2022-08-30

Johnny Ruffo came to Australia's attention when he entered The X Factor in 2011. A concreter with a cheeky smile and long-held passion for music, he won millions of hearts and eventually placed third. Sony Music rushed to sign him up and he was offered a guest spot on Australia's favourite soap, Home and Away, which turned into a three-year role. But the sudden rise to fame took its toll. Johnny found it hard to resist the weekend-long parties, drugs, alcohol and fair-weather friends that came with the territory. He had started suffering from severe headaches when his girlfriend, Tahnee, noticed something was also wrong with his speech. Johnny was rushed to hospital, where doctors prepped him for immediate surgery to deal with a 7-centimetre-long tumour. Johnny was ultimately diagnosed with a rare brain cancer, with which - despite a period of remission - he still battles today. But in a strange way Johnny

thinks the cancer actually saved his life ...

Take Me - Faith Summers 2020-09-30

She was the path to redemption I never saw coming... I'm Christian Giordano. Raised to rule and be ruthless. I take what I want, claim what I want. And, she's my new obsession. Lilly was the angel in my kingdom of sin. A dancer up for auction to the highest bidder. That was the plan... Until, I decided I wanted her for myself. So I closed the auction and made her an offer she couldn't refuse. One million dollars to own her for the next two months. Be my property, my possession. Mine to do with as I want. Nothing is off limits. No strings attached. At the end we walk away and never look back. Perfect... I just never knew I'd want more after the first taste. Or, that she was fleeing from a dark past she can't escape. A past that could cost me everything if I decide to keep her forever. This was just supposed to be a two-month contract. But she's the kind of girl you burn the city down to protect. No matter the cost... Take Me is a standalone, full-length DARK Billionaire Mafia Romance in the Dark Odyssey series. If you love a filthy-mouthed, possessive Alpha you will love this. CAUTION: Be prepared for one wild, steamy ride. Read at your own risk.

Korean Masculinities and Transcultural Consumption - Sun Jung 2010-11-01

This book investigates transcultural consumption of three iconic figures - the middle-aged Japanese female fandom of actor Bae Yong-Joon, the Western online cult fandom of the thriller film Oldboy, and the Singaporean fandom of the pop-star Rain. Through these three specific but hybrid context, the author develops the concepts of soft masculinity, as well as global and postmodern variants of masculine cultural impacts. In the concluding chapter, the author also discusses recently emerging versatile masculinity within the transcultural pop production paradigm represented by K-pop idol boy bands.

Her Turn on Stage - Grace Barnes 2015-06-26

Audiences for musical theater are predominantly women, yet shows are frequently created and produced by men. Onstage, female characters are depicted as victims or sex objects and lack the complexity of their male

counterparts. Offstage, women are under-represented among writers, directors, composers and choreographers. While other areas of the arts rally behind gender equality, musical theater demonstrates a disregard for women and an authentic female voice. If musical theater reflects prevailing societal attitudes, what does the modern musical tell us about the place of women in contemporary America, the UK and Australia? Are women deliberately kept out of musical theater by men jealously guarding their territory or is the absence of women a result of the modernization of the genre? Based on interviews with successful female performers, writers, directors, choreographers and executives, this book offers a unique female viewpoint on musical theater today.

Sex Sells - Mosconi Roger 2007-05

Trying Texas - Tera Lynn Childs 2017-03-28

New Yorker Cassie Bishop has one goal: produce the pilot episode of Try It On to get back in her boss's good graces. She can handle a month of the dusty Texas outback, filming the social train wreck as a trust fund diva learns how to play cowgirl, if it means salvaging her career. But when the spoiled rich girl bails at the last minute, Cassie has only one option--take her place. Can anyone say yee-haw?The only hitch is Ty Haywood, the real life, living breathing cowboy who is supposed to train her. He's smart, funny, and makes a western shirt look tastier than a bag of hot candied cashews. Too bad he's so deeply rooted in his Texas home.As the film rolls, Cassie finds herself falling for the hunky cowboy, the raw beauty of the country, and the rhythm of small town life where city pressures--and ulcer medicine-- are distant memories. When the month is up and the shoot wraps, will the city girl return home? Or will love and friendships convince her to give country life a try?

Tales from the Road - Neil Zurcher 2010

"Neil Zurcher deftly observes things most of us would overlook, and that is what make his stories so enticing." --- Robin Swoboda "Neil's writing skills, wry wit, and calm, warm demeanor allowed him to move

effortlessly from award-winning hard news reporter to Cleveland's king of travel." - Tim Taylor He met Prince Charles in a bathroom, and tripped and fell on President Gerald Ford. He raced on an elephant, piloted a glider, and hung from a trapez. He survived a hotel fire, a tornado, and countless stunts for the camera. As a news reporter and host of the long-running "One Tank Trips" travel segment on Channel 8 in Cleveland, Neil visited every corner of Ohio (and beyond), met hundreds of unusual people, and took part in history-making events. He was tear-gassed at an anti-war protest and almost trapped inside the Ohio Penitentiary during a riot. He drove in a day-long high-speed police chase from Cleveland to Kentucky, and got lost in the middle of Lake Erie. He rode in jet boats, jet fighters, sternwheelers, a World War II tank, and almost every other kind of vehicle imaginable (most frequently his trademark red and white 1959 Nash Metropolitan). He was ordained as a minister in the Free Spirit Association Church and even officiated at a few weddings... He would do almost anything and go almost anywhere for a good story. And in the process he became one of the most popular personalities on Cleveland TV. In this book, with his familiar folksy style, Neil shares dozens of his favorite personal stories from a lifetime in Cleveland television. Many will cause a chuckle, some will surprise, and all recall in era of television and of Northeast Ohio that was full of color and characters.

Learning to Sell Sex(ism) - Aileen O'Driscoll 2018-10-29

This book presents the first in-depth exploration into the gendered attitudes and worldviews of advertising students. Offering a significant contribution to other cultural sociological works concerning the cultural and creative industries, *Learning to Sell Sex(ism)* adds further weight to the argument that it is imperative that we look closely at the people who create media texts in order to better account for and challenge sexist media content. In this study, such media creators are the advertising industry's next generation of practitioners and creatives. Involving a mix of in-depth questionnaires, qualitative surveys, interviews with students, observational data, as well as an examination of the components comprising advertising modules, O'Driscoll documents the dominant

gendered discourses articulated by advertising students and offers an opportunity for the advertising educational sector to reflect on how it might play its part in reducing stereotypical and sexist content emanating from the industry. Learning to Sell Sex(ism) will be of interest to students and scholars across a range of disciplines, including media studies, gender studies, sociology, cultural studies and marketing.

Marketing - Karl Moore 2006

The difficulties of marketing in the 21st Century are real and tangible. Which new strategy? How is success measured? Is this strategy harmonious with the corporate strategy? Customers are more sophisticated, less brand-loyal and more price sensitive. Moore and Pareek offer a way round this international minefield by creating a book that fulfils the need for management in an international context. The basic functions of marketing are explained, the role in corporate decision making examined and the importance of competitive strategies are addressed. The book addresses the following areas: *what is marketing *marketing as part of the firm's corporate strategy *the marketing mix, the 5 ps - product, pricing, promotion, place and people * STP - segmentation, targeting and positioning *Market research *Culture The book is ideal for any student, or practitioner wanting to learn the fundamentals of marketing applied in a global context.

The Detective's Accidental Baby - Jacqueline Diamond 2012-02-07

She may work at a fertility clinic, but the mommy track is definitely not in dedicated nurse Erica Benford's future. So when a one-night stand with hunky private detective Sherlock Vaughn leads to an unexpected pregnancy, Erica plans the only logical next step?. Becoming a father was the furthest thing from Lock's mind. But he'll be darned if he's going to sign away his rights to his own child! Lock knows how it feels to be unwanted, and no way is he giving up his son or daughter for adoption. If Erica isn't ready for parenthood, he'll go it alone. Except?what does he know about being a dad? Nurse Erica will just have to train the single father-to-be. And hope she doesn't lose her heart to both of them in the process!

Sperm, Wonderful Sperm! - Alan Smithie 2009-07-01

I remember a report some time ago extolling the health benefits of the vitamins found in sperm, with the advice that in preparation for having a healthy and intelligent baby, for some months before becoming pregnant a woman should swallow her partner's sperm. You can rest assured this report was compiled by a team of men. This has nothing whatsoever to do with the fact I set out to write a book entitled "49," a humorously light-hearted fly-on-the-wall look at my life from the day before my forty-ninth birthday to the day I hit fifty. A story of how I was coping with being too old for a mid-life crisis, counting the days tick down until the inevitable half-century. Should I be wearing socks with sandals; when would I start to enjoy pastimes that involved either binoculars, a fishing rod, making boats out of used matchsticks, a tandem bicycle or Morris dancing? Was I developing man-breasts, and more importantly, would the next woman I meet have bingo-wings? What pre-fifty pastimes would I be consigning to the dusty bin of life - wearing Ramones T-shirts and ogling young girls; my T-shirt definitely had to go. Maybe I wouldn't even make it to the end of the book; instead I'd meet my end running the Snowdonia Marathon. As it was I did make it to the end. Having spent a year writing "49" and many months trying to get a publishing deal without success, I started to write a blog. I pretty soon realised the missing ingredient - sex: sex sells. Post a good title and you have a success; mention anal sex and you have a best-seller. Without a second thought I changed the book title to "Sperm, Wonderful Sperm!" and quickly contacted an online print-on-demand publisher. This is the result...

Ask the Fire - Dennis Paddie 2010

"I had a friend who was a spy." So begins this story of espionage, set just before the terrible events of September 11th. Ask the Fire features a brilliant, almost enlightened, but emotionally jaded and politically cynical secret agent, a man who has seduced secrets out of Araby for decades for American intelligence agencies. Now, this agent struggles on his own to prevent the start of the Terrorist Wars. This is a story with a vast sweep that places spying and spiritual vision within the larger history of heresy and homosexuality in Western culture from the Crusades to our

contemporary clash with Islamic fundamentalism. What events tie together the political activism of 1960's Texas with the legends of courtly love, the secrets of the Knights Templar and mysteries of Freemasonry in the architecture of the D.C. streets? The gay Mata Hari of Ask the Fire learns the truth. Dennis Paddie has penned a remarkable thriller, a book that transcends its story of spies and terrorists to reach for a deeply spiritual vision of human life in the charged world of the 21st century.

Sex Sells! - Rodger Streitmatter 2004-09-22

In 1953 when Lucille Ball became pregnant, the censors required the characters on "I Love Lucy" to say only that the wacky redhead was "in the family way"-they feared the word "pregnant" might conjure up, in the minds of viewers, images of a man and woman having sexual intercourse. Now, some fifty years later, from giant billboards featuring nearly nude models in Times Square to Bill Clinton's creative definition of sex to Madonna and Britney's prime-time kiss, sex pervades virtually every aspect of public life, including the films and television programs we watch, the music we listen to, and the racy ads that bombard us. What happened? Through lively prose and engaging examples, *Sex Sells!* illuminates this arc from repression to obsession vis-à-vis changing sexual mores during the last five decades. Not only does the author examine how a broad range of media genres have reflected this libidinous journey, but he also shows how the media have played a leading role in propelling the Sexual Revolution. Whether it was the decision by Cosmo editor Helen Gurley Brown to run a photo of a nude Burt Reynolds in 1972 or the recent success of Showtime's sexually explicit "Queer as Folk," the media have led the charge in bringing sex into the mainstream. Along the way, what the author terms "sexual literacy" has become vital, especially for young media consumers. For Rodger Streitmatter, unlike many critics, believes that much of the media's sexual content is beneficial, as it gives parents and educators a jumping-off point from which to discuss such matters as AIDS, sexual identity, and sexual mores. In this age of continuing sexual liberation, such a viewpoint seems especially important and timely.

Girls Gone Skank - Patrice A. Oppliger 2015-02-18

Instead of advancing women's social and professional empowerment, popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages. This study investigates the effects of mass marketed sexual images and cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention. Topics include the powerful effects of cultural phenomena such as revealing fashions, plastic surgery, and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization. These chapters also explore other cultural factors contributing to this early sexualization of young girls, including absentee parenting and material overindulgence. Later chapters focus on the sexual representations of females in the mass entertainment media, focusing specifically on how popular magazines, television programs, films, and the Internet prey upon, promote, and reinforce young girls' physical and sexual insecurities.

1001 Marketing Ideas -

City Chicks - Tera Lynn Childs 2015-02-14

From award-winning author Tera Lynn Childs comes a sweet, sassy series about feisty city chicks, swoon-worthy guys, and romantic adventures they'll never forget. "If you are looking for a cute chick-lit series, try this one." — Once Upon a Dream Books Eye Candy When a fashion executive goes to drastic lengths to stop yet another conversation about her too-good-to-be-true-ex, she ends up hiring a male model to play her boyfriend for a weekend... and maybe longer. Straight Stalk A Southern girl turned big city boutique owner with a string of gay ex-boyfriends is out to prove that her latest ex, the star of a gay makeover show, isn't gay with the help of the show's talented and tasty chef. Trying Texas Sparks fly when a ride-or-die city girl goes to the Texas outback to film a TV show and she meets a hard-working cowboy who makes her wonder if there might be something to the country life after all. More than 800 pages of fun, friendship, and flirtation. *City Chicks* is a trio of chick lit romances perfect for fans of Sophie Kinsella, Jasmine Guillory,

Where's My T-shirt? - Gene Geter 2001-04

Where's My T-shirt? is complete with things that should appear on T-shirts and also help T-shirt makers come up with some unique ideas. This book is great for school campuses, coffee tables, parties, office talk (around the water cooler), and as a birthday present.

The Network - Tyler Kekac 2011-05-25

Midshipman Ariadne Jin is a USNA student with everything going for her: smarts, looks, a good attitude, and a great boyfriend. Anya Factor is an agent in an international antiterrorism organization known only as the Network, whose ability to fit in everywhere is the perfect cover for not being truly known anywhere. But when a mission goes badly, she ends up fighting for her life in the care of the one doctor in the world who knows her past while her partner is fighting the clock to track down the biggest threat in the Network's post-9/11 existence, and the lives of everyone involved converge in a way that nobody would have thought possible. The Foreword Reviews September 11, 2001, changed the United States forever. Terrorism became a much larger and more realistic fear, and

many people began to look to the government for reassurance and protection. The story follows two female secret agents, Anya Factor and Charlotte Lawson. Early in the book, the two are sent to India to assassinate a member of the British parliament named Alastair Lane, who has been selling secrets to the enemy. At some point during the operation, their cover is blown and they end up fleeing the country. Anya is seriously wounded with a gunshot wound and when they reach the safety of a military hospital in DC, they run into another major snafu. The surgical intern on staff is Jeremias Geist, who was once in love with Anya Factor (albeit, when she was known by a different name). He unknowingly blows her cover by providing the hospital with her real identity, Ariadne Jin. As Ariadne fights first for her life, and then to reconcile with Jeremias, Charlotte tries to figure out who was purchasing information from Lane. *Convergence* is a fast-paced, well-constructed, highly-entertaining story. The author does an excellent job of weaving together many strands in a complex plot, offering the reader a little bit of everything: action, intrigue, politics, betrayal, and romance. Hesse has created a very intriguing world in *The Network*. The convergence is ultimately about Ariadne and Jeremias, and the reader will be completely satisfied with the conclusion of their story. 5 stars out of 5
