

# Sex Trafficking Bust

*The Domestication of Human Trafficking* - Katrin Roots 2022-11-01

Human trafficking has emerged as one of the top international and domestic policy concerns, and is well covered and often sensationalized by the media. The nature of the topic combined with various international pressures has resulted in an array of government-led mandates to combat the issue. *The Domestication of Human Trafficking* examines Canada's criminal justice approaches to human trafficking, with a particular focus on the ways in which the intersecting factors of race, class, gender, and sexuality impact practice. Using a wide range of qualitative and empirically grounded research methods, including extensive analysis of court documents, trial transcripts, and interviews with criminal justice actors, this book contributes to much-needed research that examines, specifies, and sometimes complicates the narratives of how trafficking works as a criminal offence. *The Domestication of Human Trafficking* turns our attention to the ways in which the offence of human trafficking is made on the front lines of criminal justice efforts in Canada.

*Combating Human Trafficking* - Michael J. Palmiotto 2014-12-01

A centuries-old crime, human trafficking occurs not only in undeveloped countries, but also in some surprising locations. Right here in the United States, individuals are recruited, transported, and held by unlawful means—either through deception or under threat of violence. Approaching the topic from a law enforcement perspective, *Combating Human Trafficking: A Multidisciplinary Approach* provides an unprecedented look at the investigation of this phenomenon in America. Beginning with historical, sociological, and psychological perspectives, the book discusses how authorities can best conduct an investigation of trafficking. It reviews federal agencies responsible for confronting the problem, examines relevant laws and legal trends, and discusses law enforcement awareness and training. Individual chapters

written by experts in law enforcement explore a host of topics, including: Border issues between Mexico and the U.S., including the trafficking of people, drugs, and firearms The role of the Internet in human trafficking Child victim recruitment into sex trafficking How sexually oriented businesses such as escort services, hostess bars, and massage parlors can be fronts for sex trafficking The prevalence of human trafficking among street gangs Forced labor aspects, especially with respect to illegal immigrants How victims are chosen Theoretical, practical, and ethical considerations in providing effective services to victims An ideal resource for police investigators, police training, and community outreach organizations, the book is also suitable as a college text for criminal justice courses. It is hoped that the awareness created through this text will provide the knowledge and tools needed to help to end this form of modern-day slavery.

**Conspiracy Theories** - Joseph E. Uscinski 2020-01-15

Conspiracy theories are a part of the human condition. Everyone believes at least one, but given the number of conspiracy theories, it is more likely that everyone believes a few. Some people have a worldview defined by them. Conspiracy theories are just another reminder that people disagree about many things, including truth. These disagreements have always existed and always will. We have to live with conspiracy theories and with the people who believe them. The only way to do this is have compassion and tolerance for others, and to hold our own beliefs to high standards. This book introduces students to the research into conspiracy theories and the people who propagate and believe them. In doing so, it addresses the psychological, sociological, and political sources of conspiracy theorizing. Uscinski rigorously analyzes the most current arguments and evidence while providing numerous real-world examples so students can contextualize the current debates. Each chapter

addresses important current questions, provides conceptual tools, defines important terms, and introduces the appropriate methods of analysis.

**Human Trafficking** - Louise Shelley

2010-07-29

This book examines all forms of human trafficking globally, revealing the operations of the trafficking business and the nature of the traffickers themselves. Using a historical and comparative perspective, it demonstrates that there is more than one business model of human trafficking and that there are enormous variations in human trafficking in different regions of the world. Drawing on a wide body of academic research - actual prosecuted cases, diverse reports and field work and interviews conducted by the author over the last sixteen years in Asia, Latin America, Africa, Europe and the former socialist countries - Louise Shelley concludes that human trafficking will grow in the twenty-first century as a result of economic and demographic inequalities in the world, the rise of conflicts and possibly global climate change. Coordinated efforts of government, civil society, the business community, multilateral organizations and the media are needed to stem its growth.

Combating Human Trafficking in Our Major Cities - United States. Congress. House. Committee on Homeland Security 2014

*Jade's Revenge* - Jessie St Marie 2017-10-24

One bad decision can change your life forever... Jade thought she was auditioning for a part in a martial arts film. Instead, the young karate champion was drugged, kidnapped and sold into the nightmarish world of sex slavery. Using fighting skills perfected over years of practice, Jade kills one of her captors and escapes to the fabulous City of Entertainment--Las Vegas--where a goodhearted war veteran helps her to make a new start working as a massage therapist at a luxury resort on the Las Vegas Strip. Jade loves her new life until she discovers a sex trafficking ring operating in the very hotel where she works. Unable to turn her back on the young sex slaves being held captive by a band of filthy snakeheads, Jade and her friends scheme on a brilliant but dangerous campaign to bust the ring and save the girls, against all advice. Will the courageous rescue satisfy Jade's thirst

for vengeance? Or is she about to make the worst mistake of her life? Set in Las Vegas around the year 1999, this suspense novel showcases a collection of massage stories based on the true life experiences of massage therapists who work on the Las Vegas Strip.

Peace Studies for Sustainable Development in Africa - Egon Spiegel 2022-10-26

This book presents a snapshot of a major challenge, and shares subjective views on various areas of conflict in Africa and the diverse - theoretical and practical - efforts to achieve peace. Following an essential review of several real-world conflict contexts on the African continent and attempts to come to terms with them critically as a first step, the book explores the lessons learned to date with regard to peace studies in Africa.

Control and Protect - Jennifer Musto 2016-07-05

Control and Protect explores the meaning and significance of efforts designed to combat sex trafficking in the United States. A striking case study of the new ways in which law enforcement agents, social service providers, and nongovernmental advocates have joined forces in this campaign, this book reveals how these collaborations consolidate state power and carceral control. This book examines how partnerships forged in the name of fighting domestic sex trafficking have blurred the boundaries between punishment and protection, victim and offender, and state and nonstate authority. È

**Criminal Investigation of Sex Trafficking in America** - Leonard Territo 2013-11-01

Human trafficking is the third largest business for organized crime worldwide, next to illegal weapons trading and drugs. Written by well-respected criminal justice scholars, this book examines the criminal investigation of sex trafficking. Providing a multidisciplinary exploration of this topic, the authors discuss: International and national perspectives and the history of sex trafficking in America Effective ways to train law enforcement in investigations Major federal and state laws most applicable in sex trafficking investigations The sexual exploitation of American children and those brought in from foreign countries Interrogation of sex-trafficking suspects Crime scene examination and physical evidence The role and

responsibilities of prosecutors Effective ways to develop and maintain a multiagency task force  
**Global Human Trafficking** - Molly Dragiewicz  
 2014-12-05

Human trafficking has moved from relative obscurity to a major area of research, policy and teaching over the past ten years. Research has sprung from criminology, public policy, women's and gender studies, sociology, anthropology, and law, but has been somewhat hindered by the failure of scholars to engage beyond their own disciplines and favoured methodologies. Recent research has begun to improve efforts to understand the causes of the problem, the experiences of victims, policy efforts, and their consequences in specific cultural and historical contexts. *Global Human Trafficking: Critical issues and contexts* foregrounds recent empirical work on human trafficking from an interdisciplinary, critical perspective. The collection includes classroom-friendly features, such as introductory chapters that provide essential background for understanding the trafficking literature, textboxes explaining key concepts, discussion questions for each chapter, and lists of additional resources, including films, websites, and additional readings for each chapter. The authors include both eminent and emerging scholars from around the world, drawn from law, anthropology, criminology, sociology, cultural studies, and political science and the book will be useful for undergraduate and graduate courses in these areas, as well as for scholars interested in trafficking.

**Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States** - National Research Council  
 2013-11-12

Every day in the United States, children and adolescents are victims of commercial sexual exploitation and sex trafficking. Despite the serious and long-term consequences for victims as well as their families, communities, and society, efforts to prevent, identify, and respond to these crimes are largely under supported, inefficient, uncoordinated, and unevaluated. *Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States* examines commercial sexual exploitation and sex trafficking of U.S. citizens and lawful permanent residents of the United States under age 18.

According to this report, efforts to prevent, identify, and respond to these crimes require better collaborative approaches that build upon the capabilities of people and entities from a range of sectors. In addition, such efforts need to confront demand and the individuals who commit and benefit from these crimes. The report recommends increased awareness and understanding, strengthening of the law's response, strengthening of research to advance understanding and to support the development of prevention and intervention strategies, support for multi-sector and interagency collaboration, and creation of a digital information-sharing platform. A nation that is unaware of these problems or disengaged from solutions unwittingly contributes to the ongoing abuse of minors. If acted upon in a coordinated and comprehensive manner, the recommendations of *Confronting Commercial Sexual Exploitation and Sex Trafficking of Minors in the United States* can help advance and strengthen the nation's emerging efforts to prevent, identify, and respond to commercial sexual exploitation and sex trafficking of minors in the United States.

*The Illegal Business of Human Trafficking* - Maria João Guia  
 2014-12-26

This book offers a brand-new perspective on human trafficking as an illegal business. It also proposes a new form of networked action: combining the perspectives of academic researchers with those of highly skilled professionals involved in policymaking in this area, this book is a unique contribution and a first step toward a networking paradigm, promoting collaboration in preventing and combating human trafficking crime, and in raising awareness of this ongoing problem. This book was born within the CINETS group - Crimmigration Control International Net of Studies ([www.crimmigrationcontrol.com](http://www.crimmigrationcontrol.com)), which was established in 2011 with the aim of bringing together expertise from different fields, professions, universities and countries. It aims to form a new paradigm for sharing knowledge and advancing research on topics related to human trafficking, crimmigration control, immigration and crime, immigrant detention and all types of violence that may affect victims of crimes, helping to create a fairer society.

*Global Report on Trafficking in Persons 2020* - United Nations 2021-04-30

The 2020 UNODC Global Report on Trafficking in Persons is the fifth of its kind mandated by the General Assembly through the 2010 United Nations Global Plan of Action to Combat Trafficking in Persons. It covers more than 130 countries and provides an overview of patterns and flows of trafficking in persons at global, regional and national levels, based primarily on trafficking cases detected between 2017 and 2019. As UNODC has been systematically collecting data on trafficking in persons for more than a decade, trend information is presented for a broad range of indicators.

*Jade's Revenge* - Jessie St. Marie 2017-11-25

One bad decision can change your life forever...Jade thought she was auditioning for a part in a martial arts film. Instead, the young karate champion was drugged, kidnapped and sold into the nightmarish world of sex slavery. Using fighting skills perfected over years of practice, Jade kills one of her captors and escapes to the fabulous City of Entertainment--Las Vegas--where a goodhearted war veteran helps her to make a new start working as a massage therapist at a luxury resort on the Las Vegas Strip. Jade loves her new life until she discovers a sex trafficking ring operating in the very hotel where she works. Unable to turn her back on the young sex slaves being held captive by a band of filthy snakeheads, Jade and her friends scheme on a brilliant but dangerous campaign to bust the ring and save the girls, against all advice. Will the courageous rescue satisfy Jade's thirst for vengeance? Or is she about to make the worst mistake of her life? Set in Las Vegas around the year 1999, this romance suspense novel showcases a collection of massage stories based on the true life experiences of massage therapists who work on the Las Vegas Strip. Cover art by Joanie Elsten and Demondog.

**Prepare to Die** - Susanne Kacsandi 2015-06-15

One Girl. Two Worlds. Three Deaths. Four Dimensions. Based on true accounts, this intricate plot unravels while a former victim of sex slavery pieces her life back together following a courageous rescue and bust of a human trafficking ring by federal agents. Feel the excitement of victory as the supernatural

explains the natural; hear your heart throb as tremendous battles are fought and miraculously won. You decide if good still triumphs over evil in this wicked world. When you hear how hope can thrive amid horrendous circumstances, be prepared for a ride on an emotional roller coaster. When you meet members of the ring and its victims and develop a relationship with each one, you just might change your mind about some things. How many of them allow truth to set them free? Why? What happens when faith sustains hope, and hope is renewed? Does it heal a heart? A soul? You'll love and laugh, hate and cry as truth reveals the lie; you'll lie in suspense, never guessing the end, although the end never really comes...

*Colton Showdown* - Marie Ferrarella 2012-11-13

"You're safe from those monsters now." It's supposed to be the final confrontation. Philly detective Tate Colton will go under cover to bust the sex trafficking ring targeting young Amish women. He doesn't count on his sting operation falling apart—or being forced to escape with the breathtaking key witness he's sworn to protect. Hiding in New York City with a handsome detective? Amish seamstress Hannah Troyer's more than a little out of her element. The big city—and men like Tate—are part of a world that's nothing like what she's used to. As danger inches closer, he's her only route to safety...and a forbidden attraction she dares to indulge in.

**Panics without Borders** - Gregory Mitchell 2022-09-13

We are living in a time of great panic about “sex trafficking”—an idea whose meaning has been expanded beyond any real usefulness by evangelicals, conspiracy theorists, anti-prostitution feminists, and politicians with their own agendas. This is especially visible during events like the FIFA World Cup and the Olympic Games, when claims circulate that as many as 40,000 women and girls will be sex trafficked. Drawing on extensive fieldwork in Brazil as well as interviews with sex workers, policymakers, missionaries, and activists in Russia, Qatar, Japan, the UK, and South Africa, Gregory Mitchell shows that despite baseless statistical claims to the contrary, sex trafficking never increases as a result of these global mega-events—but police violence against sex workers always does. While advocates have long decried

this myth, Mitchell follows the discourse across host countries to ask why this panic so easily embeds during these mega-events. What fears animate it? Who profits? He charts the move of sex trafficking into the realm of the spectacular—street protests, awareness-raising campaigns, telenovelas, social media, and celebrity spokespeople—where it then spreads across borders. This trend is dangerous because these events happen in moments of nationalist fervor during which fears of foreigners and migrants are heightened and easily exploited to frightening ends.

*Handbook of Research on Present and Future Paradigms in Human Trafficking* - Essien, Essien D. 2022-05-20

Human trafficking is currently regarded as a contemporary form of slavery. However, despite many initiatives undertaken over the last two decades to tackle the problem, there seems to be a disproportionate emphasis on the social phenomenon. Trafficking in persons remains a little-explored area in scholarship with many inconsistencies and ambiguities yet to be attended to. Human trafficking is a multifaceted issue that requires a multidisciplinary approach that must be studied and considered thoroughly and with heavy regard to the many layers of the issue. The Handbook of Research on Present and

Future Paradigms in Human Trafficking presents a comprehensible view of what constitutes the underpinning of human trafficking, the means of combating it, its moral implications, and offers possible solutions toward curbing its excesses, inconsistencies, and ambiguities. Covering a range of topics such as social change, human rights, and ethics, this major reference work is ideal for researchers, scholars, practitioners, government officials, policymakers, instructors, academicians, and students.

**Sex Trafficking and Human Rights** - Heather Smith-Cannoy 2022

Sex Trafficking and Human Rights demonstrates how state responsiveness to human trafficking is shaped by the political, social, and economic rights afforded women. This book is a call to understanding and to action: If the international community is to effectively combat human trafficking, they must center the equality of women in national policy.

**Eradicating Human Trafficking: Culture, Law and Policy** - Gabriela Curras DeBellis 2021-12-13

With over 40 million people still enslaved around the world, this book takes a closer look at the role of culture in society and how certain practices, beliefs or behaviors are fueling human trafficking beyond what the law can curtail.
