MATCHED - Zac Miller

————— Need Some Help Attracting Women on Dating Apps?

————— You've come to the right place! Hi, my name is Zac Miller, and I've come up with a guide that will get you the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's

What You'll Learn In This Book:

————— • Why meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club. • Inexpensive ways to immediately improve your appearance. • The most attractive male body type females are attracted to (hint: it's not abs). • A major college study found doing this one thing in your photo makes you appear more attractive to females. • Many men make this mistake, which makes them appear uncertain and fearful in their photos. • A website where others can judge your photos, so you have the best ones displayed on your profile. • Don't put any of these in your bio or risk alienating potential matches. • 5 ways to increase the number of matches you are currently getting. • Should you use super likes? • The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to. • The reasons most guys don't do well on Tinder. • The two

qualities which attract partners to each other. • Tips for sending the first message, as well as a list of 80 message openers you can immediately start using. • What is the dating app staircase? • How to easily keep quality conversations going with girls. • The #1 thing girls like to talk about which releases "feel good" chemicals in their brain. • How to ask for her Snapchat ID or phone number. • Indicators which show she is interested in you. • How to ask for the date. • And So Much More! ————— As a complimentary bonus, only for book buyers, you'll receive my special report titled Subconscious Attraction, which includes 3 subconscious techniques that attract females. This report is not available to the public; it exists solely as a "thank you" to buyers of this book.

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your

toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this

version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you. Ground Manners - Cynthia

D'Errico 2011-01-13

In 1999, a year after the Quebec Ice Storm, an animal communicator named Skye and her daughter come to live at Holdout Bay on Isle-Saint-Jean-Baptiste. Together, they manage a horse refuge known as the Institute of Nature Communications, unaware that a landslide is about to reclaim the entire Bay area. When a powerful businessman discovers that a former mare of his with a rare breeding gene is living at the Institute, he enlists the services of his shady assistant, Volpone, to kidnap her. Volpone's vicious assault on Skye nearly fails as the horses and a young woman try to save her. *Ground Manners* pits the abuse and slaughter of horses by those who

unthinkingly discard them against the efforts of others devoted to their rescue. Overall, it features love whose greatest gift is to ultimately restore wholeness to all creatures. At its core, *Ground Manners* is a meditation on man's alienation from the earth and all its inhabitants, and the earth's estrangement from a land mammal who continues to consume without regard for the consequences to future generations.

Maybe He Just Likes You -

Barbara Dee 2019-10-01

A 2020 ALA Notable Children's Book A Washington Post Best Children's Book of 2019
Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his

birthday, and asks her for a “birthday hug.” He’s just being friendly, isn’t he? And how can she say no? But Callum’s hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn’t she know what flirting looks like? But the boys don’t leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn’t feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.”

Game - Roosh Valizadeh
2018-08-21

Game teaches men a 9-step program for meeting and attracting women in an age when smartphones, feminism, and anti-masculinity propaganda have made connecting with the opposite sex harder than ever. It will help you achieve casual or monogamous relationships while safeguarding you from sexual harassment and rape accusations that have increased due to the spread of social justice and hashtag activism. Game was written after the author's 17-year obsessive journey into the art of seducing women. The book begins with... -The 8 beliefs you must internalize to attract women without conscious effort -How to maximize your physical appearance so that most of a seduction is complete before you even begin talking -

The hygiene and body flaws that turn women off without you realizing it -8 attraction triggers that cause a woman to be deeply drawn into a man -3 destroyers of attraction that turn off just about all women in their physical prime The biggest chapter is on approaching. Even if you don't have a large social circle, or any friends at all, Game teaches you how to have pleasant face-to-face interactions with women. You'll learn... -How to walk out your front door and casually meet women during the day in a way that won't make you anxious -How to meet girls at night in bars, clubs, or on the street -Dozens of word-for-word examples of how to approach women and converse with them -The best way to know that a girl likes you and will show up on a first date - The number one sign that a girl is ready to be kissed so that you never have to worry about being physically "rejected" - How to move things to the bedroom on the same day or night you meet a girl If you're

not a fan of casual hook-ups, the book has you covered with a traditional dating program. You'll learn... -How to contact a girl using a text messaging script that gets right to the point of scheduling a date -6 fun date questions to ask that help reveal if she's worth a long-term relationship -6 conversational guidelines that prevent you from running out of things to say -How to "qualify" and tease a girl so that she always sees you as a high-value man -The smoothest way to move things to a private home when she's ready for intimacy -A safe progression to having consensual sex that won't get you in trouble with the law Once you start dating a girl you like, you'll enjoy the chapter on relationships. You'll learn... -How to lovingly mold a girl into your ideal partner while resisting her efforts to train you into a beta male slave -The most important standards you must uphold to maintain the integrity of the relationship -How to regain attraction after your girlfriend becomes distant -6 warning signs that tell you a

girl is not worth marriage -How to know if your girlfriend is cheating on you You'll also find two large appendices. They share... -The best way to enter social circles where women will see you as the apex male -How to get intimate with a girl in your social circle so that things don't get weird or awkward - An easy trick to identify which foreign cities contain women that will be most receptive to your look and personality -How to plan for trips that maximize the chance you'll get lucky with foreign women The above only scratches the surface of what Game contains. It is seminal work of a hyper-sexualized man who dedicated tens of thousands of hours into understanding women and attracting them while fending off defamatory attacks from mainstream feminists and fake news journalists who want to criminalize healthy masculinity. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, Game will help you accomplish your goals in a way that keeps
