The God-Shaped Brain - Timothy R. Jennings 2017-04-18

What you believe about God actually changes your brain. Brain research in neuroscience has found that our thoughts and beliefs affect our physical, mental, and spiritual health. Mind and body are interrelated, and we are designed for healthy relationships of love and trust. When we understand God as good and loving, we flourish. Unfortunately, many of us have distorted images of God and mostly think of him in fearful, punitive ways. This leads us into unhealthy patterns of self-defeating behaviors and toxic relationships. But our lives can change when God renews our minds with a truer picture of him. Psychiatrist Tim Jennings unveils how our brains and bodies thrive when we have a healthy understanding of who God is. He dispels common misconceptions about God and shows how different God concepts affect the brain differently. Our brains can adapt, change, and rewire with redeemed thinking that frees us from unnecessary pain and suffering. Discover how neuroscience and Scripture come together to bring healing and transformation to our lives. This expanded edition now includes a study guide for individual reflection or group discussion, with questions for learning from Scripture, science and nature, and experience.

God's Fire on Ice - Kayy Gordon 2017-11-16

At the age of twenty-two, Kayy Gordon headed for the Arctic Circle to be a missionary among the Inuit. There she adapted to the land of the midnight sun, sharing with the Inuit their camp life and winter storms, traveling with the reindeer herders, learning to enjoy whale meat and frozen fish. But most of all she shared with them the story of Jesus. She prayed with them, cried with them and ministered wherever she could. Fifty years later Kayy still travels in the North. And with her, the power of the Holy Spirit has taken the ice and set it on fire. . .

A 90-day devotional healing experience for the grieving spirit. The death of a family member or friend is devastating. In fact, it can take five years or more for a person to adequately work through his or her grief, but because we live in a fast-paced society, we often sweep it under the rug or ignore it altogether. God has another plan. Man's Way: Numb the pain God's Way: Heal the pain Man's Way: Don't talk about it God's Way: Share your pain Man's Way: Time heals God's Way: Faith heals Grieving God's Way is a 90-day reader designed to bring hope and healing to those who have experienced loss. Each thoughtful devotional begins with a scripture and ends with a haiku, written to affirm the positive theme of the text. Enjoy the Silence

- Maggie Robbins 2010-10-05
Let's face it—continuing to find a good source of daily devotions, let alone being focused enough for real spiritual refreshment, is almost impossible. But we all know time with God is important. The good news is, there is a way to work true connection with God into your daily life; you just need a Bible, twenty minutes a day, and a quiet place to practice lectio divina, which is rereading a passage of Scripture over and over so God can speak to you through it. And Enjoy the Silence is the perfect place to learn this amazing practice. Have you ever picked up the Bible and thought, "I'm reading this passage, but it really doesn't connect with me"? Or tried to start a prayer routine and gradually found yourself sleeping in or watching TV instead because talking to God felt too much like a one-way conversation every time? If so, it's not because God doesn't want to speak with you—it's exactly the opposite. And one way to not only find a personal connection to the Bible but also feel God's presence is through lectio divina. Enjoy the Silence contains simple exercises that guide you through this ancient process of reading Scripture, meditating on it, listening to what God is telling you, and then responding to the verses or passage you just read. It also contains tips for finding the best places to read and ways to continue your journey into the Bible and with God himself. Enjoy the Silence: contains a 30-day guided reading plan to jumpstart your deeper relationship with God explains the process of lectio divina and how to best integrate it into your busy life has the day's Scripture and helpful prompts in one place, so you can simply pick up your device and start is perfect for teens, young adults, and anyone looking for a new devotional experience

A stalker is threatening Adam's client, but keeping him safe is hindered by Logan coming out of the closet at a fan convention. Bodyguard Adam Freeman draws what everyone else thinks is the short straw at the convention for a procedural cop show - as bodyguard to TV actor Logan Brady. Or as the Internet has labeled him, Logan 'Sex God' Brady. For him, it's just a job to keep the man alive but he doesn't count on Adam deciding that this convention is where he comes out to everyone. Logan is the star attraction at yet another convention for his show 'Night Cop', in a London Hotel, but threats have followed him from home, and abruptly they've become more than just words. All he wants is to be alone to think through the biggest decision he's ever going to make, but Adam is way too sexy, and far too close for comfort.
