The Jews of Nazi Vienna, 1938-1945 - Ilana Fritz Offenberger
2017-05-11

This book examines Jewish life in Vienna just after the Nazi-takeover in 1938. Who were Vienna's Jews, how did they react and respond to Nazism, and why? Drawing upon the voices of the individuals and families who lived during this time, together with new archival documentation, Ilana Offenberger reconstructs the daily lives of Vienna's Jews from Anschluss in March 1938 through the entire Nazi occupation and the eventual dissolution of the Jewish community of Vienna. Offenberger explains how and why over two-thirds of the Jewish community emigrated from the country, while one-third remained trapped. A vivid picture emerges of the co-dependent relationship this community developed with their German masters, and the false hope they maintained until the bitter end. The Germans murdered close to one third of Vienna's Jewish population in the "final solution" and their family members who escaped the Reich before 1941 chose never to return; they remained dispersed across the world. This is not a triumphant history. Although the overwhelming majority survived the Holocaust, the Jewish community that once existed was destroyed.

Weimar Germany - Eric D. Weitz 2018-09-25

"Weimar Centennial edition with a new preface by the author."--Title page.

The White Rose - Inge Scholl 1983-06

A unique study of the WW2 culture of Germany.

Auschwitz and After - Charlotte Delbo 2014-09-30

Written by a member of the French resistance who became an important literary figure in postwar France, this moving memoir of life and death in Auschwitz and the postwar experiences of women survivors has become a key text for Holocaust studies classes. This second edition includes an updated and expanded introduction and new bibliography by Holocaust scholar Lawrence L. Langer. "Delbo's exquisite and unflinching account of life and death under Nazi atrocity grows fiercer and richer with time. The superb new introduction by Lawrence L. Langer illuminates the subtlety and complexity of Delbo's meditation on memory, time, culpability, and survival, in the context of what Langer calls the 'afterdeath' of the Holocaust. Delbo's powerful trilogy belongs on every bookshelf."—Sara R. Horowitz, York University Winner of the 1995 American Literary Translators Association Award

Letters and Dispatches 1924-1944 - Raoul Wallenberg 2011-10-01

The best way to hear the story of Raoul Wallenberg is through his own words. Put together from three different collections, Letters and Dispatches is the most thorough book of Wallenberg's writings and letters. With his disappearance behind the Iron Curtain in January of 1945, he became tragically mysterious. While the story of Wallenberg has been told many times over, the best way we can possibly understand and relate to him is through his written word, which Letters and Dispatches has in full.

The Reader - Bernhard Schlink 2011-09-01

An exceptionally powerful novel exploring the themes of betrayal, guilt and memory against the background of the Holocaust. An international bestseller. For 15-year-old Michael Berg, a chance meeting with an older woman leads to far more than he ever imagined. The woman in question is Hanna, and before long they embark on a passionate, clandestine love affair which leaves Michael both euphoric and confused. For Hanna is not all she seems. Years later, as a law student observing a trial in Germany, Michael is shocked to realize that the person in the dock is Hanna. The woman he had loved is a criminal. Much about her behaviour during the trial does not make sense. But then suddenly, and terribly, it does - Hanna is not only obliged to answer for a horrible crime, she is also desperately concealing an even deeper secret. 'A tender, horrifying novel that shows blazingly well how the Holocaust should be dealt with in fiction. A thriller, a love story and a deeply moving examination of a German conscience' INDEPENDENT

Because of Romek - David Faber 1997

This volume chronicles the events in the life of the author and the horrors of living in Nazi concentration camps. The author was born in 1926 and suffered Nazi persecution from 1939 to 1945, his teenage years. During the Holocaust, he witnessed the murder of his parents and six of his seven siblings. He was imprisoned in eight different concentration camps, including Auschwitz. In the mid-1960s, the German government contacted the author to testify against Nazi war criminals. Until then, he did not know that his older brother, Romek, whom the Nazis had tortured to death many years earlier, had been involved in a Polish Underground plot to avert Nazi Germany's ability to create an atomic bomb. When the author finally agreed to testify, he began to relive all the horrors of his experiences during the war: concentration camps, murders, tortures, starvation, and disease. When finally liberated in 1945 from the concentration camp Bergen-Belsen, he weighed a mere 72 pounds. This work fulfills the author's promise to his dead mother that he would survive and tell the world about the horrors committed against him and his family.

The Girl who Survived - Bronia Brandman 2010

Bronia helped her family survive during the occupation of Poland by smuggling goods to trade for food. Then Bronia and her sisters were deported to Auschwitz II-Birkenau concentration camp and with courage and the help of strangers Bronia became one of the youngest survivors.

Defying Hitler - Sebastian Haffner 2012-11-15

An absolute classic of autobiography and history - one of the few books to explore how and why the Germans were seduced by Hitler and Nazism. 'If you have never read a book about Nazi Germany before, or if you have already read a thousand, I would urge you to read DEFYING HITLER. It sings with wisdom and understanding' DAILY MAIL Sebastian Haffner was a non-Jewish German who emigrated to England in 1938. This memoir (written in 1939 but only published now for the first time) begins in 1914 when the family summer holiday is cut short by the outbreak of war, and ends with Hitler's assumption of power in 1933. It is a portrait of himself and his own generation in Germany, those born between 1900 and 1910, and brilliantly explains through his own experiences and those of his friends how that generation came to be seduced by Hitler and Nazism. The Germans lacked an outlet for self-expression: where the French had amour, food and wine, and the British their gardens and their pets, the Germans had nothing, leading to a tendency towards mass psychosis. The upheaval of post-WWI revolution, factionalism and inflation left the Germans addicted to excitement and action: Hitler provided this, and more.

Jacob the Liar - Jurek Becker 1996

Cut off from all news of the war along with thousands of fellow prisoners, Jacob Heym accidentally overhears a radio broadcast that reveals the Red Army's advancement and is forced to tell a series of lies in order to explain his knowledge.

Commandant of Auschwitz - Rudolf Höss 1960

A first-person account by the SS captain who arranged the gassing of two million people at Auschwitz between 1941-1943.

Our Crime Was Being Jewish - Anthony S. Pitch 2015-04-28

In the shouted words of a woman bound for Auschwitz to a man about to escape from a cattle car, "If you get out, maybe you can tell the story! Who else will tell it?" *Our Crime Was Being Jewish* contains 576 vivid memories of 358 Holocaust survivors. These are the true, insider stories of victims, told in their own words. They include the experiences of teenagers who saw their parents and siblings sent to the gas chambers; of starving children beaten for trying to steal a morsel of food; of people who saw their friends commit suicide to save themselves from the daily agony they endured. The recollections are from the start of the war—the

home invasions, the Gestapo busts, and the ghettos—as well as the daily hell of the concentration camps and what actually happened inside. Six million Jews were killed in the Holocaust, and this hefty collection of stories told by its survivors is one of the most important books of our time. It was compiled by award-winning author Anthony S. Pitch, who worked with sources such as the United States Holocaust Memorial Museum to get survivors' stories compiled together and to supplement them with images from the war. These memories must be told and held onto so what happened is documented; so the lives of those who perished are not forgotten—so history does not repeat itself. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Heroes of the Holocaust - Arnold Geier 1998

"...of undeniable importance, movingly described." -Elie Wiesel, Nobel Laureate A book of scope and power, *Heroes of the Holocaust* tells of ordinary people who confronted the brutality of the holocaust with acts of unselfish courage. Among these are: a Jewish family saved by personal intervention by a German general; a ship's captain who dumped his cargo to make room for 600 Jews; and a father, grieving over the sudden death of his only son, who gave his child's name and identity papers to a Jewish boy in order to save the child's life. These moving stories reveal points of light amidst the horror of the Holocaust, to offer tales of inspiration and hope.

Who Loves You Like this - Edith Bruck 2001

This is an account of one woman's Holocaust survival and painful postwar years spent forging an adult identity out of the splinters of a girlhood destroyed.

The Diary of Mary Berg - Mary Berg 2013-10-01

The first eye-witness account ever published of life in the Warsaw Ghetto Mary Berg was fifteen when the German army poured into Poland in 1939. She survived four years of Nazi terror, and managed to keep a diary throughout. This astonishing, vivid portrayal of life inside the Warsaw Ghetto ranks with the most significant documents of the Second World War. Mary Berg candidly chronicles not only the daily deprivations and mass deportations, but also the resistance and resilience of the inhabitants, their secret societies, and the youth at the forefront of the fight against Nazi terror. Above all *The Diary of Mary Berg* is a uniquely personal story of a life-loving girl's encounter with unparalleled human suffering, and offers an extraordinary insight into one of the darkest chapters of human history.

Eyewitness Auschwitz - Filip Müller 1999-08-24

Filip Müller came to Auschwitz with one of the earliest transports from Slovakia in April 1942 and began working in the gassing installations and crematoria in May. He was still alive when the gassings ceased in November 1944. He saw millions come and disappear; by sheer luck he survived. Müller is neither a historian nor a psychologist; he is a source—one of the few prisoners who saw the Jewish people die and lived to tell about it. *Eyewitness Auschwitz* is one of the key documents of the Holocaust.

Music of Another World - Szymon Laks 2000

Translated from the 1948 French edition. A remarkable memoir of the Polish composer Szymon Laks. While interned at the Auschwitz extermination camp, Laks became kappelmeister of the Auschwitz band. With wit and self-detachment, he records the grotesque phenomena of music among the crematoria. Paper edition (unseen), \$10.95. Annotation copyrighted by Book News, Inc., Portland, OR

Landscapes of Memory - Ruth Klüger 2010-11-01

Ruth Kluger is one of the child-survivors of the Holocaust. In 1942, at the age of eleven, she was deported to the Nazi 'family camp' Theresienstadt with her mother. They would move to two other camps (including Auschwitz-Birkenau) before the war ended. *LANDSCAPES OF MEMORY* is the story of Ruth's life. Of a childhood spent in the Nazi camps and her refusal to forget the past as an adult in America. 'It is not in our power to forgive: memory does that for us,' says Kluger. Not erasing a single detail, not even the inconvenient ones, she writes frankly about the troubled relationship with her mother even through their years of

internment, and of her determination not to forgive and absolve the past. It is this memory, pure and harsh, this anger, savage and profound, that makes Kluger's memoir so unforgettable. A gripping narrative and a superb meditation on the relationship between private memory and history, on forgiveness and redemption, *LANDSCAPES OF MEMORY* will become a classic of our times.

Still Alive - Ruth Kluger 2003-04-01

A controversial bestseller likened to Primo Levi and Elie Wiesel, *Still Alive* is a harrowing and fiercely bittersweet Holocaust memoir of survival: "a book of breathtaking honesty and extraordinary insight" (Los Angeles Times). Swept up as a child in the events of Nazi-era Europe, Ruth Kluger saw her family's comfortable Vienna existence systematically undermined and destroyed. By age eleven, she had been deported, along with her mother, to Theresienstadt, the first in a series of concentration camps which would become the setting for her precarious childhood. Interwoven with blunt, unsparing observations of childhood and nuanced reflections of an adult who has spent a lifetime

thinking about the Holocaust, *Still Alive* rejects all easy assumptions about history, both political and personal. Whether describing the abuse she met at her own mother's hand, the life-saving generosity of a woman SS aide in Auschwitz, the foibles and prejudices of Allied liberators, or the cold shoulder offered by her relatives when she and her mother arrived as refugees in New York, Kluger sees and names an unexpected reality which has little to do with conventional wisdom or morality tales. "Among the reasons that *Still Alive* is such an important book is its insistence that the full texture of women's existence in the Holocaust be acknowledged, not merely as victims. . . . [Kluger] insists that we look at the Holocaust as honestly as we can, which to her means being unsentimental about the oppressed as well as about their oppressors."

—Washington Post Book World

Survival In Auschwitz - Primo Levi 1996

A work by the Italian-Jewish writer, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945.
