A Savage Presence - WL

Knightly 2020-10-23

Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale.

Cambridge International AS and A Level English Language

Coursebook - Mike Gould

2014-08-21

Comprehensive student-friendly resources designed for teaching Cambridge

International AS and A Level English Language (syllabus 9093). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in

AS and A Level English

Language. They will build the skills needed for assessment through frequent activities.

Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these conventions in their own work.

Acting Up and Getting Down

- Sandra Mayo 2014-04-15

One of the few books of its kind, *Acting Up and Getting Down* brings together seven African American literary voices that all have a connection to the Lone Star state. Covering Texas themes and universal ones, this collection showcases often-

overlooked literary talents to bring to life inspiring facets of black theatre history.

Capturing the intensity of racial violence in Texas, from the Battle of San Jacinto to a World War I-era riot at a Houston training ground, Celeste Bedford Walker's *Camp Logan* and Ted Shine's *Ancestors* provide fascinating narratives through the lens of history. Thomas Meloncon's *Johnny B. Goode* and George Hawkins's *Br'er Rabbit* explore the cultural legacies of blues music and folktales. Three unflinching dramas (*Sterling Houston's Driving Wheel*, Eugene Lee's *Killingsworth*, and Elizabeth Brown-Guillory's *When the Ancestors Call*) examine homosexuality, a death in the family, and child abuse, bringing to light the private tensions of intersections between the individual and the community. Supplemented by a chronology of black literary milestones as well as a playwrights' canon, *Acting Up and Getting Down* puts the spotlight on creative achievements that have for too

long been excluded from Texas letters. The resulting anthology not only provides new insight into a regional experience but also completes the American story as told onstage.

away. For some reason I thought you, of all people, would see and know. Sheree has always been a tough girl, able to take care of herself. Then she finds herself in a situation where she can't. She needs help. She needs answers. But she can't get either from the people she she turns to -- her parents, her friends, and especially, her boyfriend, who calls her Baby Girl and treats her like she's disposable. So who can Sheree turn to?

Maybe the answer lies deep within herself, and it's truly time for her to grow up. In a voice that rings strong and true, debut novelist Lenora Adams tells a story that is rich, complex, and achingly real.

Baby Talk & Wedding Bells -

Brenda Harlen 2017-02-01

Braden Garrett felt blessed the instant he held his adopted baby girl . Fifteen months later, the widowed CEO feels out of place as the only man at the local library's toddler music class! Until his gaze falls on the librarian. Beautiful Cassie MacKinnon sparks a desire he'd long forgotten...but why

can't he convince her to go out with him? Cassie is still scarred after a disastrous broken engagement. But now, sexy Mr Garrett sparks all sorts of fantasies! Tempting as Braden is, is Cassie only going to be a substitute mummy. Or is the dedicated daddy offering true love and a family in one package?

LOVE, HAPPINESS AND A BABY DADDY - Jessica Pringle
2017-09-13

Stacey was just a regular girl that wanted to be happy like most people. However, she had the worst luck in men possible. She met her baby daddy, Tyrone at work and they hit it off. Everything moved rather quickly for them and she was enjoying it, or so she thought. The next thing she knew he was in jail and it ultimately ended what they had. She met Marcus and from the first time she saw him she was a goner. Stacey was happy living her life but she got a surprise that could ruin everything.

named "Little Miss So and So," from age 4-1/2 into adulthood. Told in a series of prose poems, Nickels' lyrical and inventive language conveys the dissociative states born of a world formed by persistent and brutal incest and homophobia. The dissociative states enable the child's survival and, ultimately, the adult's healing. The story is both heartbreaking and triumphant.

What's Happening to Our Girls? - Maggie Hamilton 2009-02

Why are girls as young as five years old concerned about their looks and addicted to shopping? Why are they having sex and binge-drinking so young, responding to chat-room predators, and bullying their peers via email and text messages? Why are depression, cutting and eating disorders on the rise, and why, with so much choice, do so many just want to marry young and have babies? In a few short years our girls have become vulnerable - not just teen girls, but also young girls and baby girls. They are

being forced to grow up faster than ever before. What a twelve-year-old girl experienced at seven is not what a seven-year-old girl is now struggling with. Many of the guidelines we offer girls no longer apply, or are contradicted by messages from media and advertising telling girls how to look, think, behave and feel. Over two years Maggie Hamilton interviewed girls, teachers, school counsellors, psychologists, and law enforcement and medical personnel to get an insider's view on what girls are experiencing at present, from birth to the teenage years.

Informed, revealing, compassionate and at times shocking, *What's Happening to Our Girls?* is a book for parents and all those who want to better understand and support girls.

had one interest at heart; SEX. Lu grew up in single parent home hating her mother. It was until she became over age, she then realized that she should have listened to her mother. Lu would sneak out most nights and hang with boys that were legal over age. It's something that makes a girl want to grow up too fast.

Father Myron, a Novel - Rod Mills 2011-05-16

Myron Zorgerman was raised a good Assemblies of Christ boy. His religious heritage extended three generations there, and Myrons mom was sure that God wished all churches were Assemblies of Christ. Now in his sixth year of a four-year AC Bible collegenot really a stellar studentMyron muddled through in search of that slippery diploma. Lulu and Brownie were unchurched eightand nine-year-old half-sisters. When their mother, Dolly, enrolled them in a Vacation Bible School at the Lutheran Church, the girls were exposed to scripture for the fi rst time. They eagerly memorized the daily verses to

win a Jesus pencil. The girls took the literal approach to biblical hermeneutics. When Jesus said, I was in prison and ye came unto me, the girls wandered unnoticed at the local police station, found themselves in a cell block and standing face-to-face with a prisonersix feet nine, 340 pounds, and bearing a tattoo of Anton LaVey on his right forearm. His name was Beast Hi, Beast, Im Lulu! Hi, Beast, Im Brownie! When Jesus said, I was a stranger and ye took me in, the girls invited Beast to live at their apartment when he got out of jail. And if no ones home, Beast, Mom keeps a hide-a-key over the door. Just come on in! Myrons life and ministry took on a new dimension when he caught the essence of childlike faith and innocence from these two little girls and learned that God hath hid the things of the kingdom from the wise and prudent and hath revealed them unto babes. *Angels and Idols* - Regie Hamm 2010-06

Hollywood movie. Only this isn't Hollywood, and the cast isn't actors. As a hit artist, producer, and songwriter, Regie was familiar with the drama of the press, the endless nights in the studio, and the uncertainty of his next paycheck. But nothing would prepare him for the drama of a rural Chinese hospital, the endless nights of raising an insomniac baby, or the uncertainty of her condition. There was nothing he could do except stand by and helplessly watch his life and career spin out of control. Regie's story is one of a man and his family who overcame enormous obstacles. It is a journey that put him in the company of Angels and Idols—a journey that would test not only his physical resources but also his faith. Join author Regie Hamm as he recounts his rise, his fall, and his ultimate surrender to God's will.

[Reaching for Normal](#) - Amy Daniels 2021-04-28

When Amy and Dave learned that their six-month-old daughter, Emily, was

diagnosed with a slow-growing brain tumor, they were devastated. Throughout her childhood, they managed their daughter's complex cancer, all the while striving just to be an ordinary, normal family. In doing so, Amy kept her emotions close and plastered on smiles, some genuine, as she worked in between cancer clinic appointments, had another baby, and attended cul-de-sac potluck dinners. The smiles were harder to put on when Emily suffered from a massive stroke just before her 8th birthday. Amy suddenly found herself a parent to an active toddler and an almost eight-year-old who could no longer talk, walk, or feed herself. Emily's spirit remained shockingly unscathed. In the end, it was she who reminded the family to laugh, smile, and finally accept that they were anything but ordinary. This memoir of motherhood at its hardest reveals what went on behind closed doors and beneath the smiles, as Amy writes in raw, honest detail about her relationship with her

of control. Since being taken into care at the age of three, she has had over forty placements, each carer less able to cope with her anger and destruction than the last. Late one night, foster carer Maggie Hartley receives a terrified call from Leanne's current placement, who has barricaded herself in her bathroom to protect herself from Leanne's rage. With the police on standby, Maggie manages to diffuse the situation but Leanne is left without a home once more.

Maggie is Leanne's only hope. But this is her last chance. If this placement fails, she will have to be put in a secure unit. Then Leanne threatens Maggie with a knife and makes accusations against her that have to be investigated by Maggie's superiors. Where most others would simply walk away, Maggie refuses to give up on the little girl who's never known love. Can Maggie get through to Leanne and begin to help her heal? Will the girl no one wanted find her forever home?
