Soon, it won't be free☐ If anyone had told me I'd be amazing and confident in getting women some years ago, I wouldn't believe. I have been through what you're going through. I was scared to approach and talk to the women I liked. After so much frustration, I decided enough was enough-just the same way you have finally decided and ended up here, which is the best place to discover all the things dating gurus will never tell you about approaching beautiful women the right way. In Chapter 1, WWWW, we gave a list of words that'll appear as we learn the craft of approaching a woman. We discussed the only two types of ways to woo her which are ID (In-Direct opener) and DO (Direct Opener), and how they're applied with examples. We looked into nervousness. We looked into the Five WWWWs of starting a conversation with a woman which are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a seated girl (in any settings); how to woo in class, school, gym centers, gatherings, events and parties; how to woo at the workplace or in an office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. In Chapter 3, ON/OFF, we discussed how Push and Pull (PP) works with some examples. We talked on the types of push and pull. We also looked into things you'll have or be that'll make you never to be nervous around girls. We gave an example on building rapport with Sad Anchor and other explanations. In Chapter 4, look inside to see what it's all about. In Chapter 5, Accidental Accusation, we talked on how to accuse a girl to start a conversation. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends" Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8,

Mindset. We talked on how you should not start a conversation from the beginning, but always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more. Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. A secret you can't find anywhere online or offline. But They Won't Talk with a Woman Leta Gorham 1998 Based on a workshop between clergy members of the United Methodist Church, 'But They Won't Talk With a Woman' focuses on justice issues between male and female clergy, relying on the personal experiences of the participants, as well as their reflections from points made in the book, *Women's Growth in Connection* by Judith V. Jordan, et. al. In this book, the group posits that unless injustices that female clergy are subjected to in their daily lives are changed, the Church may potentially be destroyed. Topics covered include the abuse of power by men over women, traditional gender roles, biblical interpretations of these roles, and communication between men and women.

The Beauty Myth Naomi Wolf 2013-08-31 The bestselling classic that redefined our view of the relationship between beauty and female identity . Every day, women around the world are confronted with a dilemma - how to look. In a society embroiled in a cult of female beauty and youthfulness, pressure on women to conform physically is constant and all-pervading. In this iconic, gripping and frank exposé, Naomi Wolf exposes the tyranny of the beauty myth through the ages and its oppressive function today, in the home and at work, in literature and the media, in relationships between men and women, between women and women. With pertinent and intelligent examples, she confronts the beauty industry and its advertising and uncovers the reasons why women are consumed by this destructive obsession. Desperate Women Need to Talk to You Elizabeth Fishel 1994 "Desperate Women Need to Talk to You," originally a headline for an advertisement for phone sex, was spotted one day by author Joan Frank. Marveling at the irony and bluntness, Frank thought of the similarity to her own life: woman desperately trying to make sense of midlife. She decided to tell all. With both wit and sharp-hewn honesty, Joan Frank tackles the big and little issues facing the enormous number of women rounding the corner into middle age: our longing for the fountain of youth; that we can no longer eat whatever we want without getting fat; the decision to have children or not; the perils of pantyhose, and the agony and ecstasy of entering a new relationship.
