

The Bite Of Winter Love Bites 1

A New and Complete Concordance Or Verbal Index to Words, Phrases, & Passages in the Dramatic Works of Shakespeare John Bartlett 1896

His Little Vixen Lauren Smith 2020-01-03 Sadie Harris doesn't like immortals. After vampires leave her an orphan, she's raised by her grandmother at the edge of a werewolf pack's territory. As a fox shifter she knows the rules about werewolves: Stay clear of the boundaries, never go out after dark during the full moon and take a vacation far, far away when she goes into her shifter mating heat or else she'll attract literal "big bad wolves." But when her flight gets canceled and her mating heat is coming - so are the wolves. The last thing she expects is to get rescued by a tall, dark and gorgeous man...er...vampire. What's a vixen to do? Seamus Gallagher might be immortal but his life is full of mortal problems: he's been framed for the murder of the woman his two best friends loved; he's on a mission to find and kill his sire; and, he has no idea what to do with the feisty red-headed vixen he just rescued from a vicious werewolf pack. He doesn't have time to babysit a skittish shifter who hates vampires, but when he looks at her, Seamus sees trouble. Sexy, sweet, and irresistible trouble. The last thing this vamp needs is to fall in love.

The Bite, the Breast and the Blood Amy Williams Wilson
2018-09-18 Central to every vampire story is the undead's need for human blood, but equally compelling is the human ingestion of vampire blood, which often creates a bond. This blood connection suggests two primal, natural desires: breastfeeding and communion with God through a blood covenant. This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives, arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker.

vampires holiday is disrupted when they rescue a young woman who makes them believe in love again... From their earliest days as young Irish vampires, Ian and Connor have shared everything, including women. What they won't share is their hearts. At least until a cold night brings them a chance to nurse back to health more than stray kittens. Connor swore never to let another mortal woman pay the price for loving him and Ian. He won't risk more than a single night's lustful conquest. That is until he sees...and kisses Zoey. With a heart of gold and a stubbornness to rival his own, she's just the sort of woman to make him break his vow to keep his darkest desires restrained. Ian didn't ask for a holiday surprise, but he's finally met the one person that makes Connor willing to take a chance again. And not just to make her their lustful plaything. This time, Ian sees a chance for love. He doesn't realize that for Zoey, that's the problem. She's lost enough people over the years, and so have they. But one bite sparks lust between the three of them that demands to be satisfied. Soon they're caught in a holiday menage of historic proportions, one that will test their desire for the promise of forever. Warning: This book contains two scorching-hot Irish vampires, one lady with plenty of pluck but zero luck, naughty lingerie, and enough Christmas cheer to redeem even the darkest creatures.

The Shadows of Stormclyffe Hall Lauren Smith 2018-03-09

Haunted, schmaunted. Bastian, infamous playboy and the current Earl of Weymouth doesn't believe his English castle is haunted. So what if a few windows and lightbulbs shatter? That happens. OK, bleeding portraits are hard to explain... But he is not going to be deterred. Not even by Jane, a seductive-as-sin grad student who has assigned herself the task of ghost hunting at Stormclyffe Hall. All Bastian wants is to restore his ancestral home, not be distracted by her curvy hips, bedroom eyes and gorgeous smile- Fine, maybe he does want to get naked with Ms. GhostBuster, but that's only because she practically follows him around, nosing into his daily life. And yes, because she looks so damnably sexy, however, he refuses to give into lust. No matter how much she tempts him. But when the ghosts up the ante and try to kill them, Bastian realizes he will have to keep Jane close. Very, very close. Purely to protect her, of course. At least that's what he tells himself. All bets-and some clothes-are off, as he shows her what a real earl is made of. *This book was previously published in 2014 by Entangled Publishing and has been re-released.
