*How To Set Up An FLR* - Georgia Green 2013-06-06

'How To Set Up An FLR' is a straight forward, no nonsense book that tells it like it is. Georgia Ivey Green (also known as Mistress Ivey) tells her readers the truth about Female Led Relationships instead of feeding their fantasies like so many others have done in the past. She talks about real life and how to implement a female led relationship that fits you in real life, not in some fantasy you may have picked up from the Internet. Couples gain the knowledge to avoid common pitfalls and ease into an FLR where both parties can feel comfortable. She takes the fantasy out and puts the reality in. 'How To Set Up An FLR' was originally a highly successful ebook for your favorite e-reader. Now it is available in paperback so you can hold it in your hand, write comments and notes in the margins, or quickly access any page for the information you need. There are many sections that you will want to refer back to for years to come. This book is invaluable to those wishing to establish a successful female led relationship. It will guide couples just starting out as well those who may have tried to set up an FLR before and failed. It covers such things as approaching your partner, creating an agreement, limits, and, yes, even cuckolding. If you have ever thought about converting your relationship to an FLR, then you really ought to read this book first. It could save your relationship.

Bow Down - Lindsay Goldwert 2021-01-19

\*One of Glamour's Best Books of 2020\* Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrices can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this "lively, funny, thoughtful channeling of wisdom" (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it's from a husband, a boss, or

partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. "Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate." (Sarah Cooper, author of *How to Be Successful without Hurting Men's Feelings*).

How To Handle Disobedience - Sharyn Ferns 2019-12-27

"My submissive won't do what I want!" This is a common complaint, especially for new femdoms. This guide will help. Whether your submissive forgets to do things you've asked of them, or doesn't complete tasks you set, or thinks it's fun to disobey, or outright says 'no' when you ask something of them, this guide is for you. As a new Domme, disobedience can shake your confidence and leave you struggling because you just aren't sure what to do. Maybe you've tried a bunch of things to get your dynamic back on track, but it hasn't worked out as you'd hoped. This short, sharp, practical 'How To' femdom guide is for you. Discover why your submissive disobeys, what makes them obey, and how you can build a dynamic that makes them want to fall over themselves to obey you. Far past the basics of building a relationship where obedience is a given, this guide presents an actionable strategy for handling your submissive's disobedience: SLAPS\*. SLAPS is an acronym that describes 5 practical steps that will not only help you handle your submissive's disobedience, but that will also strengthen your dynamic while you're at it. S - Seek Clarity L - Listen A - Agree P - Punish (optional) S - Start fresh SLAPS is not just going to help you to deal with an instance of disobedience, but will help you use the experience to better understand your submissive, to improve communication, to increase intimacy, and to make your dynamic and your relationship better. The toolset and strategies in this guide reach wider than simple disobedience and you can apply them more broadly, but if you just want to deal with your submissive not doing what you want, it will

absolutely help you. \*This guide contains no actual slaps!

Despite nutrition guidelines stating this is a good thing, our rates of obesity, diabetes and heart disease are soaring. In fact, recent findings suggest that animal fats are not the villains we once thought them to be. As most processed foods - from breads and crackers to mayonnaise and pesto - contain seed oils, David shows us how to identify

these toxic products and make healthier choices at the supermarket. He tells us which brands to avoid, which to enjoy - and how to create seed-oil free versions of favourite foods at home.
