The Contrary Tale of the Butterfly Girl - Ishbelle Bee 2015-08-04

1888. A little girl called Mirror and her extraordinary shape-shifting guardian Goliath Honeyflower are washed up on the shores of Victorian England. Something has been wrong with Mirror since the day her grandfather locked her inside a mysterious clock that was painted all over with ladybirds. Mirror does not know what she is, but she knows she is no longer human. John Loveheart, meanwhile, was not born wicked. But after the sinister death of his parents, he was taken by Mr Fingers, the demon lord of the underworld. Some say he is mad. John would be inclined to agree. Now Mr. Fingers is determined to find the little girl called Mirror, whose flesh he intends to eat, and whose soul is the key to his eternal reign. And John Loveheart has been called by his otherworldly father to help him track Mirror down... An extraordinary dark fairytale for adults, for fans of Catherine Valente and Neil Gaiman.

As Eddie photographs the devastation on the streets of New York following the infamous Triangle Shirtwaist Factory fire, he becomes embroiled in the mystery behind a young woman's disappearance and the dispute between factory owners and labourers. In the tumultuous times that characterized life in New York between the world wars, Coralie and Eddie's lives come crashing together in Alice Hoffman's mesmerizing, imaginative, and romantic new novel. \par }

**The Contrary Tale of the Butterfly Girl** - Ishbelle Bee 2015-08-04

A dark and twisted Victorian melodrama, like Alice in Wonderland goes to Hell, from the author of *The Singular & Extraordinary Tale of Mirror & Goliath*. Two orphans, Pedro and Boo Boo, are sent to live in the sinister village of Darkwound. There they meet and befriend the magical and dangerous Mr Loveheart and his neighbour, Professor Hummingbird, a recluse who collects rare butterflies. Little do they know that Professor Hummingbird has attracted the wrath of a demon named Mr Angelcakes. One night, Mr Angelcakes visits Boo Boo and carves a butterfly onto her back. Boo Boo starts to metamorphose into a butterfly/human hybrid, and is kidnapped by Professor Hummingbird. When Mr Loveheart attempts to rescue her with

the aid of Detective White and Constable Walnut, they too are turned into butterflies. Caught between Professor Hummingbird and the demon Angelcakes, Loveheart finds himself entangled in a web much wider and darker than he could have imagined, and a plot that leads him right to the Prime Minister and even Queen Victoria herself ... 'Make a difference in the world, ' are the last words Maggie Gilligan's father ever says to her. They form a legacy that she carries in her heart, years later when, at the age of fifteen, she tries to better the lives of Dublin's largely forgotten poor. 'Don't go getting distracted, now, ' is what Daniel Healy's father says to him after seeing him talking to the same Maggie Gilligan. Daniel is more than distracted. He is intrigued. Never has he met anyone as dismissive, argumentative . . . as downright infuriating. A dare from Maggie is all it takes. Daniel volunteers at a food kitchen. There, his eyes are opened to the plight of the poor. It is 1913 and Dublin's striking workers have been locked out of their jobs. Their families are going hungry. Daniel and Maggie do what they can. Soon, however, Maggie realises that the only way to make a difference is to take up arms. The story of Maggie and Daniel is one of friendship, love, war and revolution, of two people prepared to sacrifice their lives: Maggie for her country, Daniel for Maggie. Their mutual

sacrifices put them on opposite sides of a revolution. Can their love survive?

**The Poisonwood Bible** - Barbara Kingsolver  
2009-10-13

New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection  
"Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times  
Book Review The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the

Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

**In the Time of the Butterflies** - Julia Alvarez  
2021-12-14

A collectible hardcover edition of Julia Alvarez's modern Latinx classic about four sisters known as Las Mariposas, or the Butterflies, who fought to liberate the Dominican Republic from Rafael Trujillo's dictatorship, featuring a new foreword by Maxine Hong Kingston. A Penguin Vitae Edition. It is November 25, 1960, and three sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official

state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of the dictatorship of General Rafael Leónidas Trujillo. It doesn't have to. Everybody knows of Las Mariposas--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's storytelling, the martyred Butterflies live again in this novel of courage, love, and the human cost of political oppression. Penguin Vitae—loosely translated as "Penguin of one's life"—is a deluxe hardcover series from Penguin Classics celebrating a dynamic and diverse landscape of classic fiction and nonfiction from seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.
