Find Out Anything From Anyone, Anytime - James O. Pyle 2014-01-20

The secret to finding out anything you want to know is amazingly simple: Ask good questions. Most people trip through life asking bad questions—of teachers, friends, coworkers, clients, prospects, experts, and suspects. Even people trained in questioning, such as journalists and lawyers, commonly ask questions that get partial or misleading answers. People in any profession will immediately benefit by developing the skill and art of good questioning. Find Out Anything From Anyone, Anytime will give you the power to: Identify and practice good questioning techniques Recognize types of questions to avoid Know the questions required when hearing unconfirmed reports or gossip Practice good listening techniques and exploit all leads Determine when and how to control the conversation Gain real expertise fast Within professional interrogation circles, author James Pyle is known as a strategic debriefer—meaning there is no one around him more skilled at asking questions and getting answers. He has been training other interrogators in questioning techniques since 1989.

Re-Imaging Japanese Women - Anne E. Imamura
1996-07-31

Re-Imaging Japanese Women takes a revealing look at women whose voices have only recently begun to be heard in Japanese society: politicians, practitioners of traditional arts, writers, radicals, wives, mothers, bar hostesses, department store and blue-collar workers. This unique collection of essays gives a broad, interdisciplinary view of contemporary Japanese women while challenging readers to see the development of Japanese women's lives against the backdrop of domestic and global change. These essays provide a "second generation" analysis of roles, issues and social change. The collection brings up to date the work begun in Gail Lee Bernstein's *Recreating Japanese Women, 1600-1945* (California, 1991), exploring disparities between the current range of images of Japanese women and the reality behind the choices women make.

Cliff Walk Courtships: Complete Trilogy - Cecily K. Wolfe

Readers who love a HAPPY ENDING will not be disappointed. author Stacie Eirich Throne of Grace, Book One: Josie is content as a maid in a rich cottager's mansion along the Cliff Walk of

beautiful Newport, Rhode Island, but the arrival of her employer's handsome, pensive son tempts her into a relationship that while chaste, is forbidden between their social classes in the Gilded Age of 1893. After travels abroad have led Arthur in search of a deeper connection with his Lord, he returns home to find love with his mother's maid, a Christian girl with a heart full of love and charity. Can they overcome their families' refusal to accept their attachment, or is their relationship doomed from their very first meeting on the romantic Cliff Walk? Crown of Beauty, Book Two: A mysterious boy with no memory. A bookish girl with dreams beyond her sheltered life. Can love overcome the secrets that threaten to separate them? Catherine has never wanted for anything. Raised in opulence in Manhattan and the beautiful shores of Newport, Rhode Island, she feels threatened by her parents' desire to arrange her marriage. She would much rather stay home and read than socialize or, worse, select a husband who might not approve of her reading habit. Her father insists that she spend time helping at her brother's homeless shelter to understand how privileged she is, and her wariness of love and marriage is tempered when a mysterious young man with intense blue eyes is brought, cold and wet, to the shelter doorstep one night. Will wakes up in a strange room with vague memories of being caught in a thunderstorm as he began to search for shelter for the night after making his way to Newport from New York City. A beautiful girl sits beside him, but she leaves his care to another in what he assumes is shyness. The shelter offers assistance in ways he could only dream of, and as he searches for work and a home of his own, he finds himself enamoured of the angelic girl who is beyond his reach. The two are drawn to each other, sneaking glances in spite of her brother's disapproval, but Will's secrets will test the love that grows between them. Treasure of Hope, Book Three: All the sighs! A BEAUTIFUL ending to a very MEANINGFUL series. Life Fully Booked She's known as a hopeless flirt, but Sarah doesn't care. Sneaking out to parties on the Cliff Walk with her friends during winter nights becomes dangerous, and when a terrible accident happens, her carefree outlook is forever lost. Determined to blame herself, she

focuses on applying her time and effort at the homeless shelter operated by her brother and his wife, but will she ever be able to move forward and accept forgiveness from those she has inadvertently harmed? Sam is devastated when an evening of fun and drink ends in tragedy. He hardly knows Sarah, but is well-aware of her charm and spirit, neither of which gives him leave to forgive her for the life-changing event he is certain she has caused. Can his faith, shaken by his loss, be restored by granting and accepting forgiveness, however difficult and painful that might be?

Things Church Girls Don't Talk About - Susan Sieweke 2012-07-03

Things Church Girls Dont Talk About is a comical, yet poignant, story of a young church girl and her mother in search of true faith amidst a sea of toxic religion and eccentric Southern characters. Meet Mama Careen whose sass gets her into trouble when she announces her husbands adultery at his surprise birthday party. Enjoy the antics of her sister, Justine, who gets tipsy and does a tell off to her brother-in-law's bow-legged mistress at his funeral. Sympathize with Maggie as she tries to forgive and forget her cold, Irish father. Scoff at the narcissism of Jimmy Ray, a quirky preacher with a PH.Da Pentecostal Hair Do. If you have a bone to pick with religion, or even if you dont, you will be wooed by this charming and powerful tale of how mercy triumphs over judgment. Excerpts from THINGS CHURCH GIRLS DONT TALK ABOUT Maggie McBride on Southern sayings: and for your information, a Southern woman can say anything about anyone no matter how cutting or evil if she just follows it up with bless her heart, or something similar. Dont go repeating this, but Mrs. Johnsons loose daughters, Babs and Lola, became Porn whoresbless their hearts. Violets thighs looked like a tub full of cottage cheese in that bathing suitbless her heart. Mrs. Murphys lusty cousins,

Beebe and Hortence, are both living in sinbless their hearts. I think you get the point. *****
Careen McBride and her unique, attention seeking suicide note: Dearest Martin, Night and day, I have been down on my knees praying to God that you would leave that butt-ugly Ellen woman and come back to me and Maggie. But no, my prayers did nothing but hit the ceiling. You are still with that home wrecker who is not worth the bullets it would take to blow her brains out. Since youve been gone, I feel that there is nothing left for me to live for and I might as well just go to be with our dear Lord and Savior, Jesus Christ. In the event that I get up my nerve and decide to take my life, send our Maggie to live with my rich sister, Justine, if you and your bow-legged bitch dont want her. That way, at least one of us can live in Mountain Brook. Sincerely, Careen

Nemesis - Andrew Jennings 2015-05-30

George Kostas was the rising star. His mastery of the technology gave him a stellar track record in Homicide. This one was different though. Isolated, highly technological murders. No trail, no clues. Oda was leading him into territory where he would question everything. A technological murder mystery thriller straight from today's headlines. Solitary, sophisticated, seemingly untouchable.

Hot Response Love Trauma Diagnosis Love Open Heart Healing of the Heart Reviews This lesbian romance story will warm your heart as Rachel finds out there is more to Andy than she thought and the two of them find that they have something in common that not a lot of people understand. The bonus story was appreciated and had just a little bit of a surprise ending. Loved it!! Thank you, Ruby Scott, for sharing your words. The Old One I just love this lesbian fiction book. The medic series is so enjoyable, exciting and hot. This one did not disappoint. I loved Andy's character. Her whole persona and cockiness especially with women. But did she meet her match in Rachel? By the River - Charles A. Laughlin 2016-11-10 The novella, as the editors of this volume explain, is in many ways the "native habitat" of modern Chinese literary production—the ideal fictional form for revealing the various facets of contemporary Chinese culture. The seven novellas collected here resoundingly support their claim. Featuring works by award winners and rising stars, women and men, *By the River* presents a confluence of some of the most compelling voices in China today. Together, their narratives reflect the rich diversity of Chinese experience in the modern era. These novellas are stories of coming of age in the countryside, of romance in the shadow of an electrical power station or in the watery landscape of a lost love, of a daughter's epic journey to find her estranged mother. Whether telling of love or loss, of work or play along the river of experience, the narratives are replete

with details that bring literary depth to the everyday—the mark of the novella. These details and the novellas into which they are woven defy simple answers to moral and political questions about modern life, leaving readers with the feeling that their world has been made larger,

that they have seen through different eyes for a moment, if not forever. Reflecting modern Chinese life in the city and in the country, and among diverse regional cultures, *By the River* showcases the best of contemporary Chinese long-form fiction.
