'The Woman Who Hated Christmas' tells the story of one such person, Beth Malone. As a child of ten years around Christmas Day Beth's mother dies in childbirth along with the stillborn infant. Sickened with grief, her father becomes emotionally unstable, is committed to the psychiatric ward of a local hospital and commits suicide. Left on her own with two younger sisters, Beth and her sisters are taken into Care of the Local Authority. The family is forcibly separated and do not see each other again. Beth rebels. A Lone Star Christmas Justine Davis 2019-11-07 A Christmas in Last Stand brings unexpected gifts to two very different people... Detective Sean Highwater may be one of the famous Highwaters, but he has always felt a half-step off because of the way his agile mind works. Only learning to focus has enabled him to not just survive, but thrive. Elena de la Cova is from a respected and highly regarded founding family, brought up with rather stringent expectations, but right now she is a widow trying to raise a son she doesn't understand. If Last Stand had royalty, in Sean's book it would be elegant Elena. He's willing to help her son as he had been helped, but being that close to Elena scares him to death since he's been in awe of her for years. Elena is impressed both with the way Sean gets through to her son, and with his appreciation for the Christmas customs of her culture as much as his own. Their perceptions of each other shift, but will the passion that strikes between them be enough to overcome their perceptions of themselves?

Ottolenghi Test Kitchen: Shelf Love Yotam Ottolenghi 2021-09-30 Relaxed, flexible home cooking from Yotam Ottolenghi and his superteam. Whether they're conjuring up new recipes or cooking for themselves at home, the Ottolenghi Test Kitchen team do what we all do: they raid their kitchens. But then, they turn whatever they find into approachable creations with an 'Ottolenghi' twist. This instinct is in perfect sync with recent times, when we've all been standing in front of our kitchen shelves, our cupboards and our fridges, wondering what to cook with what we've got; how to put a can of chickpeas or a bag of frozen peas to good use, instead of taking an extra trip to the shops. For the first time, the team welcome us into their creative space. These dishes pack all the punch and edge we expect from Ottolenghi, but offer more flexibility to make them our own, using what we've got to hand. There's the ultimate guide to creamy dreamy hummus, a one-pan route to confit tandoori chickpeas and a tomato salad that rules them all. This book is all about feeding ourselves and our families with less stress and less fuss, but with all the 'wow' of an Ottolenghi meal. It's a notebook to scribble on and add to, to take its ethos and absolutely make it your own. This is how to cook, the OTK way.

Christmas at Crazy Woman Creek Ryan Jo Summers 2023-10-24 Colby Lonigan was out rounding up stray cattle in dismal Crazy Woman Creek when he found her. She looked like she'd stepped off the pages of a fashion magazine, except she was dirty, disheveled, injured, missing a shoe, and her memories. Not knowing what else to do, he takes her back to his ranch. It must be the Christmas spirit to make him offer for her to stay indefinitely. Faith adopted the name Colby gave her because she didn't know her own. Or anything else about herself. As she stayed on at the ranch, she fell under the spell of Colby's sweet little daughter and learned the ranching life. And the romance between her and Colby grew. But first she needed to find out who she was and why she had a pale white circle around her left ring finger. When Colby's ex-in-laws sue for custody of his precious daughter, at Christmastime, Faith agrees to stay and fight with him, hoping she hasn't left a child of her own somewhere out in Crazy Woman Creek.

The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money.
