The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'.

She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a

partner. She uses a three-part common-sense formula: • *Getting Over What?* Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • *Almost Over It* Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • *Over It* Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the

love you've always wanted and deserve.

Rule #7: You Can't Fake Date Your Brother's Best Friend - Anne-Marie Meyer 2021-12-09

I wasn't supposed to fall for my fake boyfriend. I failed at that. Mom's sick. Desperate to get some sunshine and relaxation, my parents packed up my brother and I and moved us to a small ranch in Montana. I'm not really interested in making

friends. Not when my time with my mother might be cut short. That is, until Blake shows up. He's been best friends with my brother since they were kids and when I first meet him, I realize that the last thing his is, is a kid anymore. If he had a dating profile, it would write itself. Blake Marshall. Six foot two. Ridiculously good looking. And apparently, newly single. When Mom hears this, she concocts a plan. I should pretend to be Blake's girlfriend to make his ex jealous and win her back. As much as I want to say no, I just want to make Mom happy, so I agree. Until, feelings start to change and suddenly, the last thing I want to do is be Blake's fake-anything. I just hope he feels the same because I've come so close to losing Mom, I couldn't handle another heartbreak. Some Rules are Meant to Be Broken Grab Rule #7 You Can't Fake Date your Brother's Best Friend and fall in love today!
