The Jan & Dean Record Mark A. Moore 2016-02-18 Jan & Dean were among the most successful artists of the late 1950s through the mid-1960s, with hits including "Baby Talk," "Surf City," "Dead Man's Curve" and "The Little Old Lady (From Pasadena)." Slapstick humor and offbeat personas were a big part of their shtick, but Jan Berry was serious when it came to the studio. This book chronicles Jan's career as a songwriter and arranger--and his tenure as producer for Jan & Dean and other acts--with day-by-day entries detailing recording sessions, single and album releases, concerts and appearances, film and television projects, behind-the-scenes business and legal matters, chart positions and more. Extensive commentary from Berry's family, friends and colleagues is included. Studio invoices, contract details, tape box notes, copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s.

Love Me Tender Max Cryer 2008 Some of the world's best-loved songs have had remarkable origins. Had Robert Burns not heard an old man sing a quavering version of an ancient Scottish country song, we would never have had 'Auld Lang Syne'. Miss Jane Ross wrote down the tune she heard played by a piper at an Irish village fair in 1855. Had she not done so, the rest of the world would not have heard 'Danny Boy'. Marie Antoinette heard a peasant nurse sing an obscure lullaby to her princely son. The empress's unexpected promotion of the song resulted in its now being listed by The Guinness Book of Records as one of the three most familiar songs in the world. Love Me Tender tells the remarkable stories behind 40 popular and traditional songs. Some evolved from folksongs, some are from musical theatre, while others hit the mark because a particular recording appeared at just the right time. In some cases, one word made all the difference: Paul McCartney composed a tune but could only think of the words 'scrambled eggs' to fit it, but fortunately he later came up with the perfect solution - 'Yesterday'. In a book full of surprises and curiosities, Max Cryer reveals

Ragged but Right Lynn Abbott 2009-09-17 The commercial explosion of ragtime in the early twentieth century created previously unimagined opportunities for black performers. However, every prospect was mitigated by systemic racism. The biggest hits of the ragtime era weren't Scott Joplin's stately piano rags. "Coon songs," with their ugly name, defined ragtime for the masses, and played a transitional role in the commercial ascendancy of blues and jazz. In *Ragged but Right*, now in paperback, Lynn Abbott and Doug Seroff investigate black musical comedy productions, sideshow bands, and itinerant tented minstrel shows. Ragtime history is crowned by the "big shows," the stunning musical comedy successes of Williams and Walker, Bob Cole, and Ernest Hogan. Under the big tent of Tolliver's Smart Set, Ma Rainey, Clara Smith, and others were converted from "coon shouters" to "blues singers." Throughout the ragtime era and into the era of blues and jazz, circuses and Wild West shows exploited the popular demand for black music and culture, yet segregated and subordinated black performers to the sideshow tent. Not to be confused with their nineteenth-century white predecessors, black, tented minstrel shows such as the Rabbit's Foot and Silas Green

Pretty Good for a Girl Murphy Hicks Henry 2013-05-01 The first book devoted entirely to women in bluegrass, *Pretty Good for a Girl* documents the lives of more than seventy women whose vibrant contributions to the development of bluegrass have been, for the most part, overlooked. Accessibly written and organized by decade, the book begins with Sally Ann Forrester, who played accordion and sang with Bill Monroe's Blue Grass Boys from 1943 to 1946, and continues into the present with artists such as Alison Krauss, Rhonda Vincent, and the Dixie Chicks. Drawing from extensive interviews, well-known banjoist Murphy Hicks Henry gives voice to women performers and innovators throughout bluegrass's history, including such pioneers as Bessie Lee Mauldin, Wilma Lee Cooper, and Roni and Donna Stoneman; family bands including the Lewises, Whites, and McLains; and later pathbreaking performers such as the Buffalo Gals and other all-girl bands, Laurie Lewis, Lynn Morris, Missy Raines, and many others.
