My Irresistible Earl - Gaelen Foley 2011-04-07

The notorious Inferno Club is known to London Society as a scandalous gathering of wealthy libertines and highborn rakehells devoted to their wicked pleasures. But little does the world suspect the true purpose of the Club or the danger that looms over England, which this select, powerful group of lords are secretly sworn to fight. Recruited as lads from noble families, trained in an array of deadly arts, and sent into various countries throughout Europe to stop the insidious spread of an evil, centuries-old secret society with tentacles in every court in Europe and members among the uppermost reaches of power. With Napoleon's defeat at the Battle of Waterloo, the agents of the Inferno Club believe their shadow war is over too, but as it turns out, their not-quite-vanquished enemies still have a few evil tricks up their sleeves. In the meantime, the agents try to get on with their lives as civilians, and this means finding wives and siring heirs to carry on their titles. MY IRRESISTIBLE EARL focuses on a new character and the lady who teaches him to love.

With his magnetic charm and undeniable wit, he plays a key role in the international success of his family's company. Christopher isn't looking to settle down, but meeting Victoria turns his world upside down. Her laughter is contagious, and her beautiful lips and curves are too tempting. After her parents' death, Victoria is raising her much younger siblings, and she can't afford any mistakes. Irresistible Nights - Kaylee Monroe 2021-09-29

It was supposed to be nothing more than a hot, steamy one night stand. No names. No strings. Until I found out that he's my father's new business partner. He was a gorgeous, sexy real estate magnate over twenty years older than me. I was a young businesswoman looking for an uncomplicated, good time. He gave me that, and so much more. We shared one sinfully hot night together and I tip-toed out of his life, leaving just a thank you note behind. I thought I'd never see him again, until he showed up the following afternoon. With my father, who introduced him as his new business partner. Denton was even hotter during the day, with his power suits and the manner of a man who knew what he wanted. His searing gaze set me on fire and made it clear that despite me sneaking out on him, it wasn't over between us yet. My father couldn't know about us, but I couldn't stay away, either. The conflict was tearing me apart.

Max Horton They call me an outcast like it's a bad thing. An asshole byproduct of a shitty upbringing. I don't care about anything except myself and my little sister.
