My Husband's Mistress 2 - Racquel Williams 2020-06-30

Watch the drama unfold as a love triangle between a vengeful wife, her conniving husband, and his naive mistress comes to blows... Destiny Clarke is out to claim what's rightfully hers—Hassan Clarke and his money. Sick and tired of lies and betrayal, Destiny decides to take matters into her own hands by creating havoc in the lives of the people who've done her wrong. Engulfed in his deceitful ways, Hassan is oblivious to the fact that his life and his freedom are up for grabs. Friends become enemies, and in the end, he has no one to call on but himself. Imani Gibson is too naive to realize that some things are not worth fighting for—in this case, another woman's husband. She soon realizes that games are for children, and not everyone is playing with a full deck. As more secrets are revealed and lives are torn apart, all in the name of love, how will it end? Will Destiny finally get her man, or will her husband's mistress end up on top?

Her Husband was a Woman! - Alison Oram 2013-01-11

Tracking the changing representation of female gender-crossing in the press, this text breaks new ground to reveal findings where both desire between women and cross-gender identification are understood. *Her Husband was a Woman!* exposes real-life case studies from the British tabloids of women who successfully passed as men in everyday life, perhaps marrying other women or fighting for their country. Oram revises assumptions about the history of modern gender and sexual identities, especially lesbianism and transsexuality. This book provides a fascinating resource for researchers and students, grounding the concepts of gender performativity, lesbian and queer identities in a broadly-based survey of the historical evidence.

A Second-Hand Husband - Claire Calman 2021-06-16

'Such a lovely, funny read. Smart, witty and full of heart.' Ruth Jones
Natalie and Carl are newlyweds, but the honeymoon period is over already. Carl has just announced he has bought their first home at auction without telling Natalie where it is, never mind showing her a picture of it. Natalie is horrified to discover that the dream home is in Little Wyford, mere minutes away from Carl's ex-wife Antonia. And to make matters worse, Antonia's palatial country mansion has a fully-functioning roof (and a heated swimming pool!), unlike the ramshackle cottage Carl has bought for them... Antonia is Little Wyford's Queen Bee, mistress of the book club, organiser of the Christmas Fair and leader of the ladies-who-lunch. No matter how hard she tries, Natalie just doesn't fit in, and when Antonia insists on referring to Carl as 'Our Husband', Natalie's dreams of happily-ever-after take another nose dive. Second-hand furniture has much to recommend it, especially when doing up a country cottage, second-hand clothes can be ever-so chic, but second-hand husbands are proving to be a very bad idea indeed... Can Natalie ever escape the label of Wife Number Two or is she destined to share her husband forever? Hilariously funny, wickedly witty, but with a heart of gold and a warmth and wisdom that are all its own, *A Second-Hand Husband* is Claire Calman's tour de force. 'So engrossing, you'll read until four in the morning!' Jilly Cooper 'With her trademark warmth and wit, Calman unpacks the secrets everyone is keeping' Wendy Holden
Praise for Claire Calman: 'Don't take this hilarious, touching and very clever novel to bed if you've got to rise very early the next day, because it is so engrossing, you'll read until four in the morning. Claire Calman's plot twists and turns with endless surprises...' Jilly Cooper 'I really, really enjoyed it - I devoured it over four nights. Such a lovely, funny read. Smart, witty and full of heart. The characters were so well defined - I felt

I knew them intimately. And the cottage and the pond and village - all the locations in fact were so beautifully depicted, I was completely transported there! But also the dialogue was a joy and such great humour - I laughed out loud on many occasions.' Ruth Jones 'A beautifully observed tale of new love and blending families, with a heroine I was rooting for from the very first page.' Shari Low on A Second-Hand Husband 'A beautiful book, so compassionate... and ultimately very hopeful. I enjoyed it hugely.' Marian Keyes 'A clever, bittersweet, uplifting novel' Sophie Kinsella 'Writing with proper heart' Rachel Joyce 'The characterisation is brilliant, and the astute storytelling, punctuated by stiletto-sharp wit, produces an effervescent and spirit-lifting story.' Sunday Mirror 'A poignant and beautifully articulated tale of love and loss, memory and forgetting, grief and guilt, new love and letting go. I was engrossed, often tearful, and finally, uplifted.' Isobel Wolff 'Simply wonderful. I was totally enchanted, devoured it in a day, and have been raving about it ever since.' Fiona Walker

She is an ordinary housewife and lives with her lovely dog and her husband, who is a bit of a difficult fellow, in a quiet cottage in British country side. She's a wonderful cook. She enjoys her garden. And, occasionally, she makes cakes for the village parties. No one has seen Lizzie's husband, Jacob, for a few days. That's because last Monday and Lizzie snapped and cracked him on the head with her garden shovel. No one quite misses Jacob though, and Lizzie surely didn't kill him on purpose. And now that she has the chance to live beyond his shadow, she won't neglect her good fortune. Over the course of the following month, with a body to get rid of and few fail-proof options at hand, Lizzie will channel her most practical instincts and do what she does best: she'll cook Jacob, and she'll eat him. But when Lizzie inadvertently befriends an isolated misfit, she will be tested: Will Lizzie

turn to this new person for solace and abandon her desperate plan or will her new friend be an unwitting accessory to her crime?
