How To Get a Girl To Like You - Willis Combs

2014-09-26

This is not a book about pick up lines, being taller, using pheromones, positive thinking B.S., or even going to the right places to meet single women. You see, the plain truth is that it is much more fruitful for you, if your work on making yourself attractive to women, than keep looking for the right places to meet women. If you can make yourself attractive to women, than you can effortlessly and naturally attract any and all women, regardless of any sausage fest conditions you may find yourself in. And without any hard work, black voodoo magic, or making a deal with the devil. In this book we will reveal all the dirty little secrets to making yourself

attractive to every woman and shift your perspective from looking for women, to finding the right woman. Listen, there are 3 components we will go through in detail in this book, a philosophical, strategic, and behavioral component. You see, women aren't concerned with how good looking you are, or even how much money you make. This is why women date cheaters, criminals, and drug dealers. Look, if you can follow this simple guide to make yourself magnetic to every woman, it doesn't matter how good looking your are, your age, height, weight, ethnicity, race, religion, or creed. You will create recurring passive streams of sexy single women all banging on your door, wanting to hang out with you, date you, make out with

you, and even sleep with you. In this book we will cover: - Why women like a-holes, jerks, and bad boys - How to talk to women - How to be confident - How to be a ladies man - How to destroy approach anxiety - Exactly what to say her - How to ask her out - The #1 attraction killer - And more. Warning Yes, a warning. This is a blunt revelation of the plain truth to attracting women, and making yourself a magnet to every woman. This will offend the herd and if you cling to the delusional belief that leprechauns ride unicorns on rainbows, and if only you make more money, get in shape, get taller, hypnotize her, or use the right pickup line then you will attract women, good luck. But if your ready to climb aboard and get on the fast track to using a simple proven, blueprint to effortlessly, and naturally attract women, let us commence at once.

most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself.... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover: - How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember

and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. *Get Over Yourself!* - Patti Novak 2008-12-30  
True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates

or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula:

- Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back.
- Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating

**How to Approach Women** - Eddie Strickland  
2012-12-14

In this book, I will share with you some very effective, field-tested techniques and strategies to: help you get into the right place mentally, walk up to a woman and say something (that has been proven to work,) and then start having a conversation with her that will both interest and intrigue her. But, I have to warn you... some of the advice given in this book will seem a bit crazy and out there. It will seem counter-intuitive to you. I'm warning and preparing you in advance so that when you do come across something in here that seems like it will never work, just remember this... If what you're doing right now is not working, it's time to try something new, something different, even something that may seem crazy and counter-intuitive to you right now. So, do keep that in mind as you go through this book. And, remember that what I share with you here has

been proven to work countless times, by countless men, on many beautiful women. And, while the focus of this book is on "how to approach a woman successfully," I will also throw in some bonus tips on how to take things further, and escalate things in a romantic and/or sexual way.

We discussed the only two types of ways to woo her which are ID (Indirect opener) and DO (Direct Opener), and how they're applied with examples. We looked into nervousness. We looked into the Five WWWWs of starting a conversation with a woman which

are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a seated girl (in any settings); how to woo in class, school, gym centers, gatherings, events and parties; how to woo at the workplace or in an office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. In Chapter 3, ON/OFF, we discussed how Push and Pull (PP) works with some examples. We talked on the types of push and pull. We also looked into things you'll have or be that'll make you never to be nervous around girls. We gave an example on building rapport with Sad Anchor and other explanations.

In Chapter 4, look inside to see what it's all about. In Chapter 5, Accidental Accusation, we talked on how to accuse a girl to start a conversation. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends' Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make

sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8, Mindset. We talked on how you should not start a conversation from the beginning, but always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more. Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. A secret you can't find anywhere online or offline. average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use

to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: \*Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. \*Smile. Guys who don't get laid, don't smile.
