Living in the plush suburbs, thirty-seven-year-old Egypt has it all--almost. She's happily married to Rashad, but there's one thing missing. They want to start a family. Enter her sister, Isis, who's moved into

Egypt's McMansion with dreams of starting over. There's just one hitch: before her sister married Rashad, he was Isis's man for ten years. Isis thought she was over him, but the close quarters are creating doubts. . . Meanwhile, Loraine--Egypt's boss and one of BGBC's newest members--may be in the running for her sorority's next national president. But Loraine has secrets that could ruin her if they ever see the light of day. Now these book lovers are about to learn that drama can follow you wherever you go--and that big girls do cry. . .

In Las Vegas, Nevada, also known as Sin City, anything goes. This is why the Double G's have chosen to set up shop here. Starrshima Fields, aka Starr, is a young, bodacious, and bold beauty. She is also the leader of the Double G's, a powerful and ruthless social club of plus-sized women. Starr is guided by Queen Fem, the founder of the Double G's. Queen Fem set up the group of professionals-by-day, gangster-biker-chicks-by-night to prove that this isn't just a man's world. The Double G's put the squeeze on their primary targets: men of power and privilege. Blackmail and manipulation are their

choice of weapons, and they are skillful in both. Agent McCarthy has been tracking the Double G's since the founder was at the helm of the organization. For years, he could not infiltrate the group of female radicals, but he has finally managed to plant a seed that could possibly lead to the destruction of the Double G's when the young Starrshima Fields becomes the new face of the group. As the temperature increases in Las Vegas, so does the pressure the Double G's apply. No man is safe from the Double G's and their manipulative tactics, and anyone who tries to stop them is putting his life in danger. These women are on a mission, and they believe the only way they can accomplish it is by keeping the game and the players in a chokehold!

have decided to open a feminist publishing house. Named in honor of the gorgon who turned men's hearts to stone, Medusa Publishing gives the so-called Four Furies a platform for speaking out against female oppression. Layla is a wealthy, fundamental radical, intolerant of anyone whose ideals deviate, even slightly, from her own—that is, until she finds herself seduced by a married man; tiny Alice is “all mind and very little matter,” until she discovers the dangerous New Age practice of goddess worship; Stephanie leaves her unfaithful husband in pursuit of sexual fulfillment with other men—and women; and Nancy, tired of washing her fiancé's socks, discovers she has a remarkable mind for business. *Big Girls Don't Cry* is the story of four women who are determined to change the world, and who, over the course of two-and-a-half decades, ultimately transform themselves.

volume, with special expanded scenes available only in this collection! *Big Girls Do It Better* Gorgeous, rock-star guys like Chase Delany don't go for girls like me. They go for supermodels and actresses, skinny-girls who never eat and spend all day working out. I'm not that girl. So when he locked his fiery brown eyes on me for the first time, I couldn't quite believe it was really happening to me. It was the second night I spent with him that I'll never forget. *Big Girls Do It Wetter* Chase went to New York...without me. It was only one night, one delicious, sinful night, but it awakened something within me, and now, with him gone, I have no one to satiate my sudden, ferocious hunger. Then I woke up one day and looked at someone near and dear to me in a whole new light. And my world was rocked once again. *Big Girls Do It Wilder* I'm going. Going to New York City to be with gorgeous, mysterious, rockstar Chase Delany seemed like a crazy dream, a fantasy come true. The bright lights and music, and his tight, sexy leather

pants called to me...and I answered. Chase might want more and I just might give it to him, if I could only forget what I started with Jeff back in Detroit. I thought I had my love life all figured out, I thought I knew what I wanted, and then things went and changed on me all over again... Big Girls Do It On Top I fled New York with my heart breaking and a million questions. Foremost in my mind was whether Jeff would even see me after the colossal mess that New York turned out to be. I discovered the answer, but that only spawned even more questions, many of the yes or no variety...
