The Girl Meridel Le Sueur 1999 In November 1978, West End Press published *The Girl*, a rewritten version of a novel the author had first completed in 1939. The original story told of women struggling to survive a harsh winter in St. Paul after having suffered the loss of their male companions in a failed bank robbery. According to Le Sueur, it was a collective work: We had a writer's group of women in The Workers Alliance and we met every night to raise our miserable circumstances to the level of sagas, poetry, cry-outs. The rewritten version emphasised the fate of the farm girl of the title as she struggled to survive the death of her lover and give birth to another girl, the hope of a new and better generation.

Immortal, Invisible Tamsin Wilton 2003-09-02 *Immortal, Invisible: Lesbians and the Moving Image* is the first collection to bring together leading film-makers, academics and activists to discuss films by, for and about lesbians and queer women. The contributors debate the practice of lesbian and queer film-making, from the queer cinema of Monika Treut to the work of lesbian film-makers Andrea Weiss and Greta Schiller. They explore the pleasures and problems of lesbian spectatorship, both in mainstream Hollywood films including *Aliens* and *Red Sonja*, and in independent cinema from *She Must be Seeing Things* to *Salmonberries* and *Desert Hearts*. The authors tackle tricky questions: can a film such as *Strictly Ballroom* be both pleasurable camp and heterosexist? Is it ok to drool over dyke icons like Sigourney Weaver and kd lang? What makes a film lesbian, or queer, or even post-queer? What about showing sex on screen? And why do lesbian screen romances hardly ever have happy endings? *Immortal, Invisible* is splendidly illustrated with a selection of images from film and television texts.

Gaudy Bauble Isabel Waidner 2017-05-14 "I'm besotted with this beguiling, hilarious, rollocking, language-metamorphosing novel. The future of the queer avant-garde is safe with Isabel Waidner." Olivia Laing *Gaudy Bauble* stages a glittering world populated by GoldSeXUal StatuEttes, anti-drag kings, Gilbert-&-George-like lesbians, maverick detectives, a transgender army equipped with question-mark-shaped helmets, and birds who have dyke written all over them. Everyone interferes with the plot. No one is in control of the plot. Surprises happen as a matter of course: A faux research process produces actual results. Hundreds of lipstick marks reanimate a dying body. And the Deadwood-to-Dynamo Audience Prize goes to whoever turns deadestwood into dynamost. *Gaudy Bauble* stages what happens when the disenfranchised are calling the shots. Riff-raff are running the show and they are making a difference.

Everything You Need to Know But Have Never Been Told David Icke 2017-11-18 "I want to make it clear before we start what the title represents. *Everything You Need To Know, But Have Never Been Told* does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. *Everything You Need To Know* in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]] "

Each page brims with new details on every phase of Morrison's life, from his troubled youth in a strict military household, to his coming of age in the avant-garde scene of 1960s LA, his epic alcohol and drug binges, and sexual affairs. Compelling and harrowing, intimate and revelatory, *Jim Morrison* is the definitive biography of the rock god who defined the 1960s.

A Life in Three Acts Bette Bourne 2010-04-16 With honesty, humour and occasional anger, performer Bette Bourne tells the playwright Mark Ravenhill about his brave and flamboyant life. Crafted from transcripts of a series of long, private conversations, actor Bette Bourne reminisces and replays scenes from his life from a postwar childhood, a stint as a classical actor in the late 60s, to living in a drag commune in Notting Hill and being an active member of the Gay Liberation Front. Bette then talks about his touring with the New York based Hot Peaches cabaret group and founding his own cabaret troop, Blooplips, which redefined the term gay theatre by creating their very own unique celebration of dramatic and colourful homosexuality. The piece, in three parts, marks a different series of events in Bette's life to reveal both a portrait of a pioneering, radical individual and a historical document of the struggles and achievements of gay liberation.

Why I Am Not a Feminist Jessa Crispin 2017-02-21 Outspoken critic Jessa Crispin delivers a searing rejection of contemporary feminism . . . and a bracing manifesto for revolution. Are you a feminist? Do you believe women are human beings and that they deserve to be treated as such? That women deserve all the same rights and liberties bestowed upon men? If so, then you are a feminist . . . or so the feminists keep insisting. But somewhere along the way, the movement for female liberation sacrificed meaning for acceptance, and left us with a banal, polite, ineffectual pose that barely challenges the status quo. In this bracing, fiercely intelligent manifesto, Jessa Crispin demands more. *Why I Am Not A Feminist* is a radical, fearless call for revolution. It accuses the feminist movement of obliviousness, irrelevance, and cowardice—and demands nothing less than the total dismantling of a system of oppression. Praise for Jessa Crispin, and The Dead Ladies Project "I'd follow Jessa Crispin to the ends of the earth." --Kathryn Davis, author of *Duplex* "Read with caution . . . Crispin is funny, sexy, self-lacerating, and politically attuned, with unique slants on literary criticism, travel writing, and female journeys. No one crosses genres, borders, and proprieties with more panache." --Laura Kipnis, author of *Men: Notes from an Ongoing Investigation* "Very, very funny. . . . The whole book is packed with delightfully offbeat prose . . . as raw as it is sophisticated, as quirky as it is intense." --The Chicago Tribune
Twelve Years A Slave, Illustrated Edition Solomon Northup 2014-04-08 Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Not Just Lucky Jamila Rizvi 2018-12-03 "Australian women are suffering from a crisis of confidence about work. Accustomed to being overlooked and undervalued, even when women do get to the top, they explain their success away as 'luck'. But it's not. *Not Just Lucky* exposes the structural and cultural disadvantages that rob women of their confidence - often without them even realising it. Drawing on case studies, detailed research and her own experience in politics and media, Jamila Rizvi is the warm, witty and wise friend you've been waiting for. She'll give you everything you need to start fighting for your own success and for a more inclusive, equal workplace for all. (She'll also bring the red wine.) This unashamedly feminist career manifesto is for women who worry they'll look greedy if they ask for more money. It's for women who dream big but dread the tough conversations. It's for women who get nervous, stressed and worried, and seem to overthink just about everything"--Back cover.

Thousands of Lies Manuel Marrero 2015-12-20 When Agent Rx, chronic criminal and fugitive, goes off on a dust binge, he hits rock bottom and hits the road, leaving a trail of tears, violence and infamy in his wake. Meanwhile, Jordan Strong uncovers a highly classified method of time travel under the fixed scrutiny of various government agencies and chapters of the occult all coveting his guinea pig tits 'n appeal. Enlisting Rx's blue-collar bred double helix for tedium and accumulation of detail, they exploit parallel realities and paradoxical time lines to mine a collaborative novel transcribed from the voices of the dead. They stage the Phenotypical Exploitation, a kidnapping of Jane Bale and subsequent sale to NYC's dance music circuit, purveyor of drugs, sex and art. But their interests unravel when Agent Rx tries to reverse engineer the domestic trial of the century, bringing the novel, its author and the Exploitation's fatally erotic subject into notoriety for dollars on retrograde dimes. Together, they embark on a literary crusade of self-sabotage that threatens to fall off the cutting edge of a techno thriller, picaresque odyssey and log of skeletons. An upscale Polish call girl develops a posthumous reputation as the poster child for the right to die movement. The simultaneous advances in medical science and life expectancy coincide with the human colonization of Mars. A transgendered stick-up thug pulls off a career robbery, befriends a US President, gets used by the CIA, and becomes a father. A media star attempts to change her image. Paranormal visitations threaten the sanity of hard drug addicts, all the while a support group for movement disorders braces as a roundtable therapeutic free-for-all. Is a telephonic method of time travel the real deal, or an exploitation in itself, a device for dredging up juice from a cold vein? This is the story of two men among hundreds of ghosts and trees, from Cuba in the 1930s to New York in 2046. I know folks from the rust belt to the dust bowl who've never seen these trees. Go see them. You owe it to yourself.

Buyology Martin Lindstrom 2010-02-02 NEW YORK TIMES BESTSELLER • "A fascinating look at how consumers perceive logos, ads, commercials, brands, and products."—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can "cool" brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Nina Here Nor There Nick Krieger 2011-05-10 Honor Book for the 2012 Stonewall Book Awards in non-fiction The next-generation Stone Butch Blues--a contemporary memoir of gender awakening and a classic tale of first love and self-discovery. Ambitious, sporty, feminine "capital-L lesbians" had been Nina Krieger's type, for friends that is. She hadn't dated in seven years, a period of non-stop traveling—searching for what, or avoiding what, she didn't know. When she lands in San Francisco's Castro neighborhood, her roommates introduce her to a whole new world, full of people who identify as queer, who modify their bodies and blur the line between woman and man, who defy everything Nina thought she knew about gender and identity. Despite herself, Nina is drawn to the people she once considered freaks, and before long, she is forging a path that is neither man nor woman, here nor there. This candid and humorous memoir of gender awakening brings readers into the world of the next generation of transgender warriors and tells a classic tale of first love and self-discovery. Discussion Guide for Book Clubs, Classrooms, and Group Discussions What did you know about transgender people before reading this book? How has your perspective changed? Did reading this book make you think about your own body, gender, and identity? In what ways? How do you feel about the way Nina treats her parents? How about the way they treat her? How would you react if your child was transgender? What role does Ramona play in Nina's journey? How do you envision gender—a binary, spectrum, galaxy...? What are some of the benefits to our culture of gender? Some of the downfalls? How does the binary (man/woman) system help you? Hurt you? How do you relate to Nina's experience? In what ways is her story universal? Specific? In what parts of your life do you feel you are "privileged"? Have your privileges changed over time? Has this impacted your worldview? How is this book similar to other memoirs about gender? How is it unique? How does the diagnosis of Gender Identity Disorder and its classification as a mental illness affect trans people? What do you see as the main challenges for trans people in our society? Are these covered in the book, or are these from other sources and experiences? What did you learn through *The Boys*? How are their gender expressions and decisions similar? Different? Where do lesbian and transmasculine (trans people on the male side of the spectrum like *The Boys*) communities overlap? Where is there friction? What defines "women's spaces" and in what cases, instances, or places should transmasculine people be included? Excluded?
