Zen Under Fire: A New Zealand Woman's Story of Love & War in Afghanistan Marianne Elliott 2012-02-22 I am about to be left in charge of the office. I'm not sure I am ready for the responsibility, so I double-check with my boss. He reassures me. 'You'll be fine, Marianne. As long as no one kills Amanullah Khan, you'll be fine.' By midday, Amanullah Khan is dead. In 2006 Marianne Elliott, a human rights lawyer from New Zealand, was stationed with the UN in Herat. Several months into her new role an important tribal leader is assassinated while she is in charge of the local UN office. She must try to defuse the situation before it leads to widespread bloodshed. And this is just the beginning of her story in Afghanistan. *Zen Under Fire* is a vivid account of Marianne's experience living and working in the world's most notorious battlefield. As well as sharing the incredible details of her UN role, Marianne tells the very personal story of the shattering effect that the high-stress environment had on her and her relationships, and asks what it really means to do good in a country that is under siege from within. This is an honest, moving and at times terrifying true story of a woman's time peacekeeping in one of the most dangerous places on earth. Also available as an eBook

The Angry Therapist John Kim 2017-04-18 Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-style designer, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as *The Angry Therapist*, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. *The Angry Therapist* blog, that inspired this book, has been featured in *The Atlantic Monthly* and on NPR.

W.H.O.L.E.-Women Handling The Oppositions of Life Exceptionally Betty M. Knight 2009-11 A Call to the Black Man Give ear to what I'm about to say What in the world happened? It's not supposed to be this way. We fought so hard for freedom And you have put me back in chains Commitment, trust, seems to be bad words. I'm in bondage to your mind games Remember, you have a mother, sister, or daughter But it was me you gave the ring. I have come to this conclusion I don't need a king TO BE A QUEEN! I've had to raise the children alone Like when the master sold you astray Now I have to look for you And again you've become a runaway A man that can walk out on his family Is a part of slavery's aftermath? But enough with the dumb stuff The past is the past. I am still that woman Who made you feel like a man? Now you are so out of place Still, you want me to understand. Another form of rejection I'm asking myself "what's wrong with me" Why am I always to blame? For your misplaced priorities? Either you get it together Either you are right or you are wrong. I can raise the children with you. I should not have to do it alone. Come inside these pages. Allow me to tailor you to fit Coming from the strength of this Whole Woman. I should not be penalized for it I'm going to speak to the Whole Man in you Like I do in our time of intimacy. That's when I give you the freedom to be you And you give me the freedom to be me. Men are checking me out "right now" Making statements and, my, how they do flatter. They ask "Why are you alone or single?" Realize! I do have a choice in the matter. I was asked if I were to define the book WHOLE in one sentence, what would I say? "WHOLE is a groundbreaking, ground shaking, revolution that

demands results!" "I recall the day as though it was yesterday. I stood in the mirror looking at a reflection of defeat never knowing if I would reach my God-ordained destiny. All my dreams, hopes, and desires devastated. I was distraught, frail, and I had gone from a size 12 to a size 6. I was beyond distressed I was destroyed. Lifelines can come in many ways. I knew I wanted and needed to come out, but I didn't know how. This is the time when I had to get real with myself and everyone else-so I threw out a lifeline. I made a simple telephone call to a friend and the Revolution began!"

Getting to Commitment Steven Carter 2000 They wrote the definitive book of the fear of commitment, *Men Who Can't Love*. They also coined the term 'commitmentphobia'. Now, drawing from in-depth interviews, as well as his own personal struggle with commitment, Carter takes the next step with this book, offering concrete solutions for finding and keeping long-term love. Falling in love and staying in love requires its own kinds of heroism. Our hearts have to be brave as well as loving. That is because it takes real courage to love; it takes real courage to make a commitment. This book is about finding that courage.
