Energy and BdsM - Slave Dragos 2017-08

"I lead a life that most only read or hear about in sordid novels or risquE movies. I'm a male slave. A very powerful woman controls my life...and my body. Some would call me a "sex slave."

However, my relationship and dynamic with my Mistress go far deeper. There is a connection between us that greatly transcends the sexual plane. In fact, I would dare to say it goes even deeper than love..." -Slave Dragos Have you ever fantasized about sadomasochism, or Dominance and submission? Have you ever dreamt of being controlled, or controlling another? Perhaps you harbor a desire to be tied up and spanked, or even beaten? Or, do you long to restrain someone, and inflict painful pleasure on their body? Slave Dragos is a real, consensual male slave living in the United States. In ENERGY and BDSM, he brings you into the real world lifestyle of Dominance, submission, pleasure and pain, and so much more. After spending almost 30 years in the underground world of slaves, masters, Mistresses, secret clubs, and private parties, Slave Dragos discovered something far more satisfying than the shallow eroticism depicted in magazines, movies, and books. Is it really all just weird, kinky sex? Or, could there be something more? Much more? In his new book, Slave Dragos exposes you to the deep spiritual realm that lies hidden within the leather-clad sadomasochistic experience. Join him as he details his personal journey and experiences within this dark and mysterious world in vivid, salacious, extremely graphic detail. At the same time, he'll explain how you, the reader, can learn to build a powerful, amazing, spiritual bond with your partner. Dragos' writing style is at times humorous, and other times erotic. **Leading and Supportive Love** - Chris M. Lyon 2012-10-26

Have you felt 'left out' of the traditional relationship self-help books because you derive great pleasure from following your partner's requests and direction on many things in your life? Or do you respond to the natural inclination to guide, direct and protect your partner? Are your friends and family having difficulty understanding that your relationship works more like a captain and first mate on a boat? If so, this innovative book, *Leading and Supportive Love*, the Truth about Dominant and Submissive Relationships, can help with new and clearer understanding of yourself, your relationship and acceptance with those that you love and care

for. The Dominant and Submissive Relationship is an ancient and contemporary harmonious dance that has become mysterious, magnetic, powerful, and controversial in modern day society. It may not be what you think, and some of the truth may surprise you! It's a law of nature for socialized animals and humans to have hierarchical relationships. There are those who answer that call in a more literal, thorough way. The couple has a 'pack leader'; or a dominant leader; and a submissive member. Through history to modern day, both roles have been held by both men and/or women...Oh and yes, this is a relationship where both partners are equals. Read about case illustrations, research insights, relationship help, and surprising details that may make you look at this type of long-term, committed relationship in a whole different way, no matter what gender you are! Do you identify with one of these lists of traits? Most people either do identify or know someone who does. If so, this unprecedented book is for you! S-Type Service to your partner is of great priority to you and you take it very seriously. Decisiveness, direction, and guidance from your partner makes you feel secure and loved. You avoid conflict and are generally non-confrontative in nature in close relationships. You greatly appreciate your partner being clear and direct with communication, so there are no doubts about what the expectations are. You appreciate the freedom that comes from structure, surrender, and personal discipline. L-Type You have natural dominant traits and seem comfortable and confident when using them. You place an importance on follow-through and follow-up from your partner. You step into your natural abilities to lead, guide, protect and direct. It's important to you that you earn trust from your partner. You will not ask for it or demand it up front. You feel safe, secure and valued when your partner trusts you to lead and make decisions in the areas agreed upon.

**Different Loving** - William Brame 1996-01-13

"A detailed, eye-opening account of the real sexual underground in America . . . a thorough and serious study."—Playboy From *Different Loving*: In order to understand unusual sexualities such as dominance and submission, one first has to consider the question 'What is normal?' If the unique function of sex is

reproductive—and the only reason men and women should engage in sex is for the purpose of creating a new life—then only heterosexual intercourse is normal. By this standard, many common acts, even contraception, must be considered aberrant. Reproductive relevance was the Victorian standard of normalcy, and even today many of the laws in the United States still abide by that model. But people have always pursued sex for both reproduction and for pleasure and well-being. We start from the premise that sex for pleasure is a normal human drive and is acceptable when it brings pleasure to both partners. From this perspective, D&S is simply a 'different' kind of loving. We hope to add to the greater body of knowledge about what people really do behind closed doors with the people they most love and trust. Perhaps Different Loving will help open the door for further research into the mystery, beauty, and complexity of human life and its diverse expressions. Praise for Different Loving “The definitive guide to the sexual styles of those who walk on the wild side.”—Kirkus Reviews “As a window on largely unexplored territory, Different Loving is a breakthrough in the dialogue on human sexuality, and a significant work of popular sociology.”—South Bend Tribune “A comprehensive primer on loving with leather and romance by riding crop.”—Michael Musto, New York Daily News

Advance praise for Different Loving Too Different Loving was a revolutionary and influential book, not just for me personally, but for how kink and BDSM was framed at an important time in our history. By including some of the same interviewees from the original book, as well as adding a whole new batch of kinksters, Different Loving Too continues the tradition. It explores how the kink community has evolved, along with the threads that still connect us to our past. All in all, it's a fascinating book for anyone interested in BDSM from a personal or academic standpoint. -- Kali Williams, Founder of KinkAcademy.com If you think all people who practice BDSM are the same, think again. Different Loving Too illuminates the wide range of motivations, meanings, and practices of kinksters, and offers a fascinating look behind the dungeon (and bedroom) door. No matter how much experience you do or don't have in the scene, you're sure to learn something new. -- Rachel Kramer Bussel, Editor, Dirty Dates: Erotic Fantasies for Couples Come Hither - Gloria G. **A Decade of Desire** - Charles Dyson 2021-09-24

Frustrated at home, Charlie Doyle spends a decade pursuing his sexual desires.

Conversations gleaned from his journal provide a fascinating insight into the world of online dating and relationships. A true alpha male sex story, part inspiration, part memoir, part naughty romance. A collection of over 18 uncensored short stories describe steamy role-play adventures and exciting BDSM and fetish experiences from that time. Online chat dialogues explore the barriers confronting modern contemporary relationships while explicit sex scene chapters imagine the erotic liaisons that follow when two people finally meet. After 15 years of corporate office life, Charlie Doyle's kinky fantasies revolve around 'The Boss and Mistress' role plays which invariably lead to his 'Sexy Secretary' being disciplined in a number of office scenarios. Stockings and suspenders, high heels and split skirts feature in every way possible, but he must keep his mind on the job and his hands on the keyboard. Unable to pursue those imagined day dreams during 'The Office' years, finally unchained, he leaves the stuffy corporate world behind. Reveling in his new found freedom, lust drives his wild secret desires, where the journey begins on his 'Decade of Desire.' Online, he discovered that his taboo world was always out there, a world where submissive sexy 'secretaries' were more than happy to be bent over his desk and surrender to his bare bottom discipline, while enjoying many shades of grey in his fantasy business world. With each new partner, together, they explored the older man

younger woman 'Daddy' dynamics of dominance, submission, humiliation, and bound restraint. Pushing boundaries and releasing control, dark erotic imaginations satisfied them both. The Charlie Doyle Diaries, record the fantasies and erotic spanking experiences of that time. An unputdownable, sexy contemporary romance novel where accidental love spills over from intense sexual desires.
