She knows she has to tell him eventually, but fear holds her back. Will she lose him? Will she be forced to make an impossible choice? Or will she, perhaps, find that the capacity for the human heart to love is, indeed, endless?-----Warnings: This title contains erotic situations, graphic language, a ménage a trois (MFF threesome), lesbian sex and a hookup turned romance that will curl your toes!-----

His eyes were silver in the moonlight, his breath full of sake. "No," I whispered, putting my arms around his neck. "It would be really wrong not to do it, though." "You think?" His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I

forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer. "Janie, I want you," he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. "Would it be wrong to take you home with me tonight?" I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work?" Josh," I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say. "You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap. My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together. "Oh god," I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. "Please, Josh..." He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

Street Teaching in the Tenderloin Don Stannard-Friel 2016-11-04

This book is an ethnographic account of San Francisco's most inner city neighborhood, the Tenderloin. Using its streets as campus and its people as teachers, Stannard-Friel uses storytelling as a way of explaining why inner city social problems, such as homelessness, drugs, prostitution, untreated mental illness, and death of young people by murders and suicides, exist and persist there. The work delves into who lives in the Tenderloin and why, the role of dedicated service providers in meeting people's needs and encouraging social change, and what lessons university students, many coming from their own challenging backgrounds, learn through community engagement and service learning that encourage understanding, compassion, and meaningful contributions to society. The work also explores how life in the area is changing, and why so many youth report that they "love living in the Tenderloin."

Warnings: This title contains erotic situations, a menage a trois (MFF threesome), lesbian and anal sex and a "marital aid" that will put vibrators to shame!-----EXCERPT: "Our bodies are like fine tuned machines," Tasha said, picking up a remote and sitting next to her guest. "We need all sorts of revving up and tinkering with to get to our destination, you know what I mean?" Kim cleared her throat and couldn't help but smile. "Yeah, sure." "And it isn't always easy to be interested, when you're already tired, and you've spent all day picking up after the kids and cooking dinner..." Tasha went on, and Kim stared at her, nodding encouragement. "It isn't easy, especially when... well, you know most guys... I mean, some of them... the numbers on the clock don't even change by the time they're done, right?" Kim let out a sigh of relief. She knew Nicki must have told this woman everything. "I just need time, you know? Like... some build up..." Tasha nodded sympathetically. "Or... you need a ride on the Sybian." She started the video, and Kim sat, transfixed. They had tried all sorts of things, including watching porn together, to get her interested in sex again, and this was rather tame in comparison. But there was something about it... the look of sheer ecstasy on the woman's face! It made her feel weak and a little dizzy just watching. "Does it feel as good as it looks?" Kim asked, feeling a tingle between her legs. Tasha smiled. "Better. Ready to try it?" Kim was already toeing off her shoes and pulling her sweats and panties down over her hips, unmindful of stretch marks or her cesarean scar. Tasha didn't even raise an eyebrow when she stripped off her hoodie, too, unhooking her bra and letting her breasts, full and slightly pendulous from still nursing her six month old, swing free. She climbed up onto the machine completely nude, except for a pair of purple socks. "Can I have that one?" Kim asked, pointing to the life-like penis. Her eyes were bright, and whatever nervousness she'd been experiencing

had been replaced by anticipation. Tasha fitted the insert onto the machine and squirted a little clear lubricant down the shaft.

"These are the controls, like you saw in the video. This one is vibration, this one is rotation." Kim looked down at the box in her hand, suddenly doubtful that it could do any more than the hundred other sex toys they had tried over the years. Still, the look on the woman's face in the video kept coming back to her. What the hell? It's worth a shot. She positioned herself over the plastic cock, using the black box in front of the Sybian to steady herself as she slid down onto the slick length of it. "Once you get the hang of the controls, I can go, if you want me to," Tasha said. Kim flicked the switch marked "vibration," smiling at the sensation between her thighs. "Mmm... nice." Tasha sat down in the chair, smiling. "The good thing about the Sybian is that you don't really even need a lot of foreplay... it takes you right there."

My Teacher Gave Me a Ride After Prom Tessa Young I'm not exactly proud of what happened after Senior Prom. Who would be? I made a total fool of myself by hitting on my favorite teacher. Sure he let me down easy, but I was so embarrassed I cried until my mascara ran down my cheeks. When Mr. Langstrom gave me a ride home, I never expected him to drive to the outskirts of town, bend me over the hood of his car, and punish my innocent behind. I'd always been such a good student. Until that night, I had no idea how teachers treated the bad girls... From the True Sex Stories series!

Door of Bruises Sierra Simone 2020-11-30 Twelve years ago, our fates were sealed with a kiss. We are all, for better or worse, doomed to love each other until death do us part. My heart belongs to Proserpina and St. Sebastian—even if he no longer wants it. Even if she has left it behind to follow him. Delphine's fled back home, and Becket's holy calling is in peril. And now only Rebecca and I remain at Thornchapel to face the unknown. The door is open. The door that shouldn't exist; the door that people have died to close. I don't feel like the lord of the manor. I don't feel like a king or a wild god. I am a friend and a boyfriend and a brother—and a failure at being all of these things. But the door doesn't care about my guilt. It only cares about the sacrifice I'll make to close it. As the bruising dark of Samhain approaches, so does the fate of our circle, of Thornchapel and the village and the valley beyond it. And I must don the crown, because one thing is still true, even if I must face it alone. Here at Thornchapel, the

kings must go to the door. Here at Thornchapel, all kings must die.
