

Facing The Lion Memoirs Of A Young Girl In Nazi Europe

The Light of Days - Judy Batalion 2021-04-15

One of the most important untold stories of World War II, *The Light of Days* is a soaring landmark history that brings to light the extraordinary accomplishments of brave Jewish women who inspired Poland's Jewish youth groups to resist the Nazis. Witnesses to the brutal murder of their families and the violent destruction of their communities, a cadre of Jewish women in Poland - some still in their teens - became the heart of a wide-ranging resistance network that fought the Nazis. With courage, guile and nerves of steel, these 'ghetto girls' smuggled guns in loaves of bread and coded intelligence messages in their plaited hair. They helped build life-saving systems of underground bunkers and sustained thousands of Jews in safe hiding places. They bribed Gestapo guards with liquor, assassinated Nazis and sabotaged German supply lines. *The Light of Days* at last reveals the real history of these incredible women whose courageous yet little-known feats have been eclipsed by time. [A] powerful book . . . The actions of these young women, carefully brought back to life by Batalion, turn much of what we believe we know about the Holocaust on its head. -- Jenni Frazer ? Jewish Chronicle Remarkable and inspiring . . . thanks to Judy's meticulous research, these near century old stories of resistance in the face of overwhelming odds are about to be read once again ? Facing the Lion - Simone Arnold Liebster 2003

Ten-year-old Simone Arnold is an ordinary school girl--spirited and stubborn, a serious student and a budding artist. Her world is her loving parents, her art and music lessons, her grandparents farm, and her little dog Zita. Then everything changes over

Jehovah Has Healed - Carine Ndeh Njoh 2021-01-03

GOD HAS NOT FORGOTTEN OR ABANDONED YOU! After enduring so much loss and pain in such a short period of time, it was like my whole world came crashing down! Everywhere seemed so dark, no matter where I turned for solace. In sum, it looked like I'd never see the dawn of the day. I asked lots of questions, but answers didn't seem forthcoming. Anyone can praise God when everything is going well, but it touches the very heart of God when you praise Him in tough times. Once I learned to embrace my pain and find my happy place in the secret and sacred place, things began to come full circle. I acquired how to lean on God, like a child would on a mother. Once I felt His heartbeat, I knew He really did care for me and hadn't abandoned me. He sees all the chaos. Are you in that dark place? Do you feel the same way? Are you afraid? Are you experiencing perpetual angst? Do you believe that no one fathoms your pain? This book will enlighten you on how to go through difficult times and just rest in the Lord. He is all we've got. If you don't run to Him, where else do you go? Dive in, and let's walk through together with faith, family, fortitude, and grace!

Facing the Lion - Joseph Lemasolai Lekuton 2009-09-30

Joseph Lemasolai Lekuton gives American kids a firsthand look at growing up in Kenya as a member of a tribe of nomads whose livelihood centers on the raising and grazing of cattle. Readers share Lekuton's first encounter with a lion, the epitome of bravery in the warrior tradition. They follow his mischievous antics as a young Maasai cattle herder, coming-of-age initiation, boarding school escapades, soccer success, and journey to America for college. Lekuton's riveting text combines exotic details of nomadic life with the universal experience and emotions of a growing boy.

Unbroken Will - Bernhard Rammerstorfer 2014-02

History / World War I / World War II / Nazi Concentration Camp Survivor / Holocaust / Biography This book is a milestone in recording the horrors of National Socialism. It is essential reading, and I am delighted that the translation has already received such keen attention in the United States. -Heinz Fischer, president of the Republic of Austria This book is not only an enthralling read; every detail in it has also been thoroughly researched. From a scientific point of view, it is one of the most reliable biographies of a victim of National Socialism. -Professor Walter Manoschek, political scientist, University of Vienna You have given current and future generations a priceless gift by recording Mr. Engleitner's life story. His experiences remind us of the strength of the human will to overcome even the most horrible and challenging circumstances. -Arnold Schwarzenegger, governor of California WHEN LEOPOLD ENGLEITNER WAS NINE YEARS OLD, an event of historical

significance for the world that initiated the First World War took place in his hometown. Moreover, although Leopold Engleitner and his contemporary Adolf Hitler, who was sixteen years his senior, grew up in the same province (Upper Austria) and shared the same cultural background and educational system, the convictions and attitudes they developed were diametrically opposed. Whereas Adolf Hitler caused untold suffering to millions as a merciless mass murderer, Leopold Engleitner devoted his life to peace, refusing to buckle even in the face of death. The ordinary farmhand found the extraordinary courage to follow his conscience. He refused to serve in Hitler's army and did not even use the Nazi greeting Heil Hitler! Suffering unspeakable cruelty in three concentration camps he grew so thin that he weighed less than sixty-two pounds. Yet nothing and no one could break his will.

Astoundingly, he could easily have had his freedom: all he had to do was sign a paper renouncing his religious convictions as one of Jehovah's Witnesses, but he steadfastly refused. And he never lost his optimism. In the concentration camp, he even bought a suitcase for the journey home it seemed impossible he would ever make. His unshakable faith in God helped Engleitner to lead a full and happy life despite constant rejection, and he never lost his zest for life as he became the oldest and one of the best known male concentration camp survivors in the world. His unexpected rehabilitation was achieved thanks to an extraordinary friendship. Though already far advanced in years, he travelled more than ninety-five thousand miles across Europe and the USA, between 1999 and 2012, testifying as a witness of history to ensure the past is not forgotten; as such, he became a model of tolerance and peace. Letters written by Engleitner during his internment and believed lost for nearly sixty years were discovered; and their combination with original minutes of police and court proceedings, reports from the concentration camps, and personal accounts of traumatic childhood incidents from one hundred years ago constitutes an impressive firsthand history.

The Jehovah's Witnesses and the Nazis - Michel Reynaud 2001-05-29

The Jehovah's Witnesses endured intense persecution under the Nazi regime, from 1933 to 1945. Unlike the Jews and others persecuted and killed by virtue of their birth, Jehovah's Witnesses had the opportunity to escape persecution and personal harm by renouncing their religious beliefs. The vast majority refused and throughout their struggle, continued to meet, preach, and distribute literature. In the face of torture, maltreatment in concentration camps, and sometimes execution, this unique group won the respect of many contemporaries. Up until now, little has been known of their particular persecution.

Between Resistance and Martyrdom - Detlef Garbe 2008

Between Resistance and Martyrdom is the first comprehensive historical study of the persecution of Jehovah's Witnesses during the Holocaust era. Refusing to perform military service under Germany's Third Reich due to their fundamental belief in nonviolence, Jehovah's Witnesses caught the attention of the highest authorities in the justice system, the police, and the SS. Although persecuted and banned from practicing their beliefs by the Nazi regime in 1933, the Jehovah's Witnesses' unified resistance has been largely forgotten. Basing his work on a wide range of sources, including documents and archives previously unconsidered as well as critical analyses of Jehovah's Witness literature and survivor interviews, Detlef Garbe chronicles the Nazis' relentless persecution of this religious group before and during World War II. The English-language edition of this important work features a series of original photographs not published in the German edition. These striking images bring a sense of individual humanity to this story and help readers comprehend the reality of the events documented. *Between Resistance and Martyrdom* is an indispensable work that will introduce an English-speaking audience to this important but lesser-known part of Holocaust history.

Whereas Hitler caused untold suffering to millions as a merciless mass murderer, Engleitner devoted his life to peace, refusing to buckle even in the face of death. Why would a man facing imprisonment and unspeakable suffering in a Nazi concentration camp, chose not to sign a document giving him his freedom? Instead he submitted to Nazi persecution, enduring imprisonment in Buchenwald, Niederhagen, and Ravensbruck concentration camps, rather than renouncing his faith as one of Jehovah's Witnesses.

Millions Now Living Will Never Die! - J. F. Rutherford 2005

A public talk titled "The World Has Ended; Millions Now Living May Never Die" was first delivered on February 24, 1918 in Los Angeles, California. Five weeks later, on March 31, 1918 the title was changed to indicate absolute certainty: "The World Has Ended; Millions Now Living Will Never Die." The public talk continued to be delivered under that same title until 1925. The material was published as this book in 1920. This book may be of interest to students of human psychology and students of religious movements, particularly millennialist apocalyptic,

"prophetic" religious movements. It is now republished in a larger, easy-to-read format for purposes of research, scholarship, teaching, news reporting, commentary or criticism. With the exception of the rear cover, every page is a photographically enlarged duplicate of the original publication. Once hard to find, this reprinting makes this historic book available at a reasonable price.

Continental Britons - Marion Berghahn 2007

Based on numerous in-depth and personal interviews with members of three generations, this is the first comprehensive study of German-Jewish refugees who came to England in the 1930s. The author addresses questions such as perceptions of Germany and Britain and attitudes towards Judaism. On the basis of many case studies, the author shows how the refugees adjusted, often amazingly successfully, to their situation in Britain. While exploring the process of acculturation of the German-Jews in Britain, the author challenges received ideas about the process of Jewish assimilation in general, and that of the Jews in Germany in particular, and offers a new interpretation in the light of her own empirical data and of current anthropological theory.

Facing the Lion - Stephen Lee Neal 2000

Simone Arnold Liebster shares the story of her youth in the Alsace-Lorraine region of France during the World War II era, discussing her life on the family farm before the war, her persecution by the Nazis for refusing to denounce her faith as a Jehovah's Witness, and her attempts to rebuild her life after the war.

Judging Jehovah's Witnesses - Shawn Francis Peters 2000

"A vivid depiction of the hysterical and brutal suppression of the Witnesses during the 1930s and 1940s and how their legal resistance transformed the civil liberties of all Americans. A story of cowardice and courage, well told."--Norman Dorsen, ACLU president 1976-1991. 24 photos.

The Shoah on Screen - Anne-Marie Baron 2006-01-01

This publication considers how cinema, as a major modern art form, has covered topics relating to the Holocaust in documentaries and fiction, historical reconstructions and more symbolic films, focusing on the question of realism in ethical and artistic terms. It explores a range of issues, including whether cinema is an appropriate method for informing people about the Holocaust compared to other media such as CD-ROMs, video or archive collections; whether it is possible to inform and appeal to the emotions without being explicit; and how the medium can nurture greater sensitivity among increasingly younger audiences which have been inured by the many images of violence conveyed in the media. Films discussed include Schindler's List, Life is Beautiful, The Pianist, Sophie's Choice, Shoah, Au revoir les enfants, The Great Dictator and To Be or Not to Be.
