

Gallop Your Maggot The Ultimate Of Sexual Slang

Parnell and his Times - Joep Leerssen 2020-12-17

The run-up to Irish independence (1910-1920) was driven by the need to come to terms with Parnell's defeat and death.

The Slang Dictionary: Etymological, Historical, and Anecdotal - John Camden Hotten 1874

The Chemistry of Death - Simon Beckett 2012-07-27

* Don't miss 'THE CHEMISTRY OF DEATH' TV SERIES - debuts on Paramount+ on 19 Jan 23 * Based on *The Chemistry of Death* and *Written in Bone* - starring Harry Treadaway as Dr David Hunter 'A classy debut' The Times 'Best thriller I've read all year' Tess Gerritsen Dr David Hunter hoped he might at last have put the past behind him. But then they found what was left of Sally Palmer . . . It isn't just that she was a friend that disturbs him. Once he'd been a high-profile forensic anthropologist and all too familiar with the many faces of death, before tragedy made him abandon this previous life. Now the police want his help. But to become involved will stir up memories he's long tried to forget. Then a second woman disappears, plunging the close-knit community into a maelstrom of fear and paranoia. And no one, not even Hunter, is exempt from suspicion. Gruesome and gripping, this startling new British crime thriller has an unnerving and original twist.

A Glossary of the Shetland Dialect - James Stout Angus 2019-09-22

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Dictionary of the British English Spelling System - Greg Brooks 2015-03-30

This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English language, especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training.

English spelling is notoriously complicated and difficult to learn; it is correctly described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme/grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of correspondences and various regularities not described by previous authorities, for example the strong tendency for the letter-name vowel phonemes (the names of the letters) to be spelt with those single letters in non-final syllables.

BETWEEN THE ACTS - Virginia Woolf 2017-12-06

Between the Acts is the final novel by Virginia Woolf, published in 1941 shortly after her suicide. This is a book laden with hidden meaning and allusion. It describes the mounting, performance, and audience of a festival play (hence the title) in a small English village just before the outbreak of the Second World War. Much of it looks forward to the war,

with veiled allusions to connection with the continent by flight, swallows representing aircraft, and plunging into darkness. The pageant is a play within a play, representing a rather cynical view of English history. Woolf links together many different threads and ideas - a particularly interesting technique being the use of rhyme words to suggest hidden meanings. Relationships between the characters and aspects of their personalities are explored. The English village bonds throughout the play through their differences and similarities. Adeline Virginia Woolf (1882-1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

Adam Bede Illustrated - George Eliot 2020-09-15

Adam Bede, the first novel written by George Eliot (the pen name of Mary Ann Evans), was published in 1859. It was published pseudonymously, even though Evans was a well-published and highly respected scholar of her time. The novel has remained in print ever since and is regularly used in university studies of 19th-century English literature

The British National Bibliography - Arthur James Wells 2006

Imperial Leather - Anne McClintock 2013-10-01

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

The Decameron - Giovanni Boccaccio 2023-07-07

In the time of a devastating pandemic, seven women and three men withdraw to a country estate outside Florence to give themselves a diversion from the death around them. Once there, they decide to spend some time each day telling stories, each of the ten to tell one story each day. They do this for ten days, with a few other days of rest in between,

resulting in the 100 stories of the Decameron. The Decameron was written after the Black Plague spread through Italy in 1348. Most of the tales did not originate with Boccaccio; some of them were centuries old already in his time, but Boccaccio imbued them all with his distinctive style. The stories run the gamut from tragedy to comedy, from lewd to inspiring, and sometimes all of those at once. They also provide a detailed picture of daily life in fourteenth-century Italy.

Heir of Fire - Sarah J. Maas 2014-09-11

'One of the best fantasy book series of the past decade' TIME The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life - and her future - forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny - and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior.

English Mechanic and Mirror of Science and Art - 1888

How Big Is Big? - Anne Hooper 2003

This study examines sexual history over the centuries and across the globe, from the sexual exploits described in classical mythology and the explicit Kama Sutra, to the restrictive teachings of the Christian church and the study of sex by disapproving reformers of the 18th and 19th centuries.

English Mechanic and World of Science - 1888

A Book of Scoundrels - Charles Whibley 2023-08-28

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for

people with impaired vision.

Farmers' Review - 1893

The Bluest Eye - Toni Morrison 2014-09-04

Stunningly-designed new editions of Toni Morrison's best-known novels, published by Vintage Classics in celebration of her life and work. WITH A NEW INTRODUCTION BY CANDICE CARTY-WILLIAMS, AUTHOR OF QUEENIE Pecola Breedlove longs for blond hair and blue eyes, so that she will be as beautiful and beloved as all the blond, blue-eyed children in America. In the autumn of 1941, the marigolds in her garden will not bloom, and her wish will not come true. Pecola's life is about to change in other painful and devastating ways. A powerful interrogation of what it means to conform to an idea of beauty, *The Bluest Eye* asks vital questions about race, class and gender and remains one of Toni Morrison's most unforgettable works.

Oxford Roald Dahl Dictionary - Roald Dahl 2018-05-10

A dictionary of real and invented words used by the world's best storyteller. 'Roald Dahl Dictionary' reveals what they mean, where they came from and how he used them in his stories. It will inspire you to choose and use each word brilliantly in your own writing - whether it's a real word, a Roald Dahl word or your own made-up one.

The Torture Garden - Octave Mirbeau 2022-11-13

Clara is a sadist and hysteric, who delights in witnessing flayings, crucifixions and numerous tortures, all done in beautifully laid out and groomed gardens, and explaining the beauty of torture to her

companion—the narrator. Her hysterical orgasm and resulting exhaustion is a curious exploration of pain and pleasure and made this novel a truly erotic BDSM masterpiece! Excerpt: "One evening some friends were gathered at the home of one of our most celebrated writers. Having dined sumptuously, they were discussing murder—apropos of what, I no longer remember probably apropos of nothing. Only men were present: moralists, poets, philosophers and doctors—thus everyone could speak freely, according to his whim, his hobby or his idiosyncrasies, without fear of suddenly seeing that expression of horror and fear which the least startling idea traces upon the horrified face of a notary. I—say notary, much as I might have said lawyer or porter, not disdainfully, of course, but in order to define the average French mind..."

Gallop Your Maggot - Jeremy Holford 2005-06-30

English has plenty of terms for sexual organs and acts, the trouble is, we've forgotten some of the best ones. This book will help us reclaim our heritage. Experienced and respected sex expert Jeremy Holford has compiled the most mind-boggling collection of strange words and phrases associated with the delicate art of 'firkytoodle', growl-biting' and 'bagpiping'. Illustrated throughout with eye-opening sketches, the book draws on English, Welsh, Romany and dialects used throughout the English-speaking world over the centuries. There are chapters for ladies and gents, coming together and flying solo, Shakespeare's naughty vocabulary and yankee-doodle dirty; definitions, limericks, personal observations and historical data, making 'Gallop Your Maggot' a fun and factual treasure trove for cunning linguists everywhere.
