## Shakespearean Allusion in Crime Fiction - Lisa Hopkins 2016-04-21

This book explores why crime fiction so often alludes to Shakespeare. It ranges widely over a variety of authors including classic golden age crime writers such as the four 'queens of crime' (Allingham, Christie, Marsh, Sayers), Nicholas Blake and Edmund Crispin, as well as more recent authors such as Reginald Hill, Kate Atkinson and Val McDermid. It also looks at the fondness for Shakespearean allusion in a number of television crime series, most notably *Midsomer Murders*, *Inspector Morse* and *Lewis*, and considers the special sub-genre of detective stories in which a lost Shakespeare play is found. It shows how Shakespeare facilitates discussions about what constitutes justice, what authorises the detective to track down the villain, who owns the countryside, national and social identities, and the question of how we measure cultural value.

*Film Quotations* - Robert A. Nowlan 2016-04-30

Certain lines define a movie. Marlene Dietrich in *Morocco*: "Anyone who has faith in me is a sucker." Too, there are lines that fit actor and character. Mae West in *I'm No Angel*: "I'm very quick in a slow way." Jane Fonda in *California Suite*: "Fit? You think I look fit? What an awful shit you are. I look gorgeous." From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.

*All About Love* - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and

minds for the better.

*How to Teach Girls They're Just as Worthy as Boys* - Trish Allison 2023-03-11

This DEI Parent Guidebook focuses on gender equality by providing instructions for parents to help girls overcome gender bias. You'll find step-by-step guidance and practical ideas for: - Shaping specific household routines (including chores) - Leading girls to discover and pursue their passion - Finding appropriate role models - Teaching exact words for responding to misogyny - Helping girls (both shy and outgoing) feel included in girl power - Responding to common gender-equality questions from girls - Learning how to talk so kids will listen Please note: New children's books and (most) school curriculums about diversity and inclusion are appearing daily, which is fantastic news! But there's a gap that needs filling. To help kids really absorb the values they're learning, parents need practical ideas and instructions for incorporating those values into daily life at home.

*Everything I Know About Love* - Dolly Alderton 2018-02-01

THE SUNDAY TIMES BESTSELLER & MAJOR BBC ONE TV SERIES 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' *Evening Standard* 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day Award-winning journalist Dolly Alderton survived her twenties (just about) and in *Everything I Know About Love*, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' *Metro* 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' *Daily Telegraph* 'A sensitive, astute and funny account of growing up millennial' *Observer* 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' *Mail on Sunday* 'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of daftness' *Amy Liptrot* \*Winner of Autobiography of the Year at the National Book Awards 2018\* \*A Waterstones Paperback of the Year 2019\* \*A Sunday Times paperback of the year 2019\* \*Selected for Stylist's The Decade's 15 Best Books by Remarkable Women\* A Sunday Times bestseller, September 2022

*The Guyde* - Howie Reith 2016-11-19

*The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's

wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

*Love Her Wild* - Atticus 2017-07-11

The first collection of poetry by the New York Times bestselling author of *The Dark Between Stars*. *Love Her Wild* is a collection of new and beloved poems from the poet Atticus, who has captured the hearts and minds of hundreds of thousands of avid followers on his Instagram account @atticuspoeetry, including superstars like Karlie Kloss and Shay Mitchell. Dubbed the “#1 poet to follow” by Teen Vogue and “the world’s most tattoo-able” poet by Galore magazine, in *Love Her Wild*, Atticus captures what is both raw and relatable about the smallest and the grandest moments in life: the first glimpse of a new love in Paris, skinny dipping on a summer’s night, the irrepressible exuberance of the female spirit, or drinking whiskey in the desert watching the rising sun. With honesty, poignancy, and romantic flare Atticus distills the most exhilarating highs and the heartbreaking lows of life and love into a few short lines, ensuring that his words will become etched in your mind—and will awaken your sense of adventure.
