**5 Things Every Parent Needs to Know about Their Kids and Sex** -

Anne Marie Miller 2016-05-17

Real Help for the Toughest Talks Most parents dread talking about sex with their children. Anne Marie Miller loves giving "the talk." As she has shared her personal story and talked about God's gift of sex with almost half a million young people, she's noticed some disturbing patterns: · Google is how kids learn about sex · Kids are learning about sex and viewing pornography earlier than parents think · The sexually abused often don't tell anyone for fear of getting in trouble · Sexual messages are being consumed daily through mainstream and social media · Most parents think their child is the exception Instead of sweeping this topic under the rug, Miller wants to change the narrative. In this immensely practical and well-researched book, she equips parents to have meaningful and age-appropriate conversations with their children about sex, pornography, and sexual abuse. She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears, struggles, and mistakes. Most important, she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God.

**More Than Just the Talk** - Jonathan McKee 2015-03-10

Have Real Conversations With Your Kids About Sex The old ways of having the "sex talk" just won't cut it anymore. Sadly, the number one place today's young people go to for answers about sex is Google. Meanwhile, kids view nearly 14,000 sexual references a year on television, and 70 percent of teenagers have encountered pornography on the Internet. If we want our children to know the truth about healthy

sexuality, we need to create a comfortable climate of continual conversations. Jonathan McKee will show you how to move beyond the initial awkwardness of this subject into an ongoing communication with your kids about God's amazing gift of sex. He equips you with what you need to talk openly about dating, temptation, porn, and purity, and you will find answers to tough questions and relevant Scripture on sexual issues. It's normal for kids to be curious about sexuality, and they need to know that their parents are the most reliable source of information. Be the one your kids turn to on this crucial topic. "In a world full of explicit lies, today's kids need parents who aren't afraid to tell them the explicit truth. This book provides parents with the tools they need to have these candid and continual conversations."--Dr. Kevin Leman, New York Times bestselling author of *Have a Happy Family by Friday* "Jonathan McKee is one of America's premier youth specialists, and this book will help you navigate the rough waters of teaching your kids healthy sexuality."--Jim Burns, PhD, president, HomeWord and author "Parents, take a deep breath. This book pulls no punches. But it will give you exactly what you need to walk alongside your kids at this time when they most need it."--Shaunti Feldhahn, social researcher, speaker, and bestselling author "A thorough, straightforward, and engaging resource that will both equip and inform a parent for effective, culturally relevant, and God-honoring conversations about sexuality and all its implications. It is a critical read in critical times."--Brian Berry, generation ministries pastor, Journey Community Church, La Mesa, California; and author "SO many parents I know don't feel equipped to talk to their kids about sex. This book helps you overcome the (guaranteed) awkwardness of conversations like that, and provides both tools AND motivation. I wish every parent would read it."--Scott Rubin, director of middle school ministry, Willow Creek Community Church "Jonathan McKee provides clarity and practical knowledge so that you and I can do more than just give a nervous 'talk' to our kids; we can be loving and consistent parents for them as well."--Terry Linhart, PhD, educator, author, Bethel College--Indiana "Kids need parents who are educated, aware, and relevant when it comes to sex. Thankfully, Jonathan McKee gives us powerful, poignant, and practical tools to help us win in this delicate and scary parenting arena."--Doug Fields, co-founder of DownloadYouthMinistry.com, youth pastor for thirty years at Saddleback & Mariners Church, speaker, and author "McKee is a frontline youth worker with current and regular interactions with Christian teenagers wrestling with the intersection of their faith and their sexuality. Never condescending, Jon brings his writing style to a subject I wish more parents were talking about with their teens."--Mark Oestreicher, partner, The Youth Cartel and author "Jonathan McKee's book helps us to remember that 'the talk' is a myth at best, and a terrible strategy at worst. A lifestyle of preparation, a strategic series of discussions, and a proactive commitment to conversation is what our kids need, and this book will help any parent to walk with their kids in confidence."--Chap Clark, professor of youth, family, and culture, Fuller Theological Seminary
