Not the Girl You Marry - Andie J. Christopher
2019-11-12

How To Lose a Guy in 10 Days gets a millennial makeover in this romantic comedy by USA Today bestselling author Andie J. Christopher. “The way Jack sets out to win Hannah back is really the stuff of true romance.”—NPR Jack Nolan is a gentleman, a journalist, and unlucky in love. His viral success has pigeon-holed him as the how-to guy for a buzzy, internet media company instead of covering hard-hitting politics. Fed up with his fluffy articles and the app-based dating scene as well, he strikes a deal with his boss to write a final piece de resistance: How to Lose a Girl. Easier said than done when the girl he meets is Hannah Mayfield, and he's not sure he wants her to dump him. Hannah is an extremely successful event planner who's focused on climbing the career ladder. Her firm is one of the most prestigious in the city, and she's determined to secure her next promotion. But Hannah has a bit of an image problem. She needs to show her boss that she has range, including planning dreaded, romantic weddings. Enter Jack. He's

the perfect man to date for a couple weeks to prove to her boss that she's not scared of feelings. Before Jack and Hannah know it, their fake relationship starts to feel all too real—and neither of them can stand to lose each other.

What Women Want When They Test Men -
Bruce Bryans 2015-08-13

Discover What Women Want in a Man and How They Secretly Test You For it If you pay close enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man.

Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender

role dynamic in their romantic relationships. Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process. How to Understand Women and Pass Their Tests With Unshakeable Confidence Men around the world have no idea that the women they know and love are testing them. These men go about their lives interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing. If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled - the more mysterious side of female psychology and how women think.

Attract Women Through Authenticity and Be the Strong Man a Woman Wants For a Relationship It's important for a man to learn how to walk that thin line between caring, thoughtful lover and firm, assertive leader. The man who masters the art of being the perfect gentleman and a strong alpha male is the ideal specimen to a high-quality woman. This is what you're going to learn in this book. So if you're dating or in a relationship and women constantly create drama, lose interest in you, or manipulate you, it's time you finally got some advice from one of the only relationship books for men that won't turn you into a doormat. Here's what you're going to learn inside: How to be radically honest with a woman and why this makes her MORE attracted to you. The reason why women test men CONSISTENTLY and how to use this knowledge to deepen a woman's desire. (Hint: This is the key to female psychology and how women think.) How to be confident with difficult women. What women want in a man and how to
