Unfortunately, the only person who can is Dale Finnigan, the guy she publicly humiliated with a sharp-tongued insult that has left him branded. Desperate, Nicole has no choice but to haunt Dale and convince the freaked-out senior to help her. Will he find her body before it's too late? Or will the guy who tried to kill her with his car, beat him there and finish her off before anyone finds out? This is a revised edition of *The Space Between Heartbeats* (previously published by Amazon Publishing and Alloy Entertainment LLC) and a new edition of *Betwixt* previously self-published by Melissa Pearl.

By Accident - Susan Kelly 2011-09-01

A grieving mother finds solace from her son's death in a relationship that quickly blurs the line between friendship and intimacy. *By Accident* portrays a year in the life of a woman after the accidental death of her teenage son. Laura Lucas is numbed by the loss, a loss that is paralleled in the spate of upscale construction—and attendant destruction—in her starter-home neighborhood. It's about Laura's relationship with a young tree surgeon who slowly becomes a replacement for her son—but also an object of desire. The story reveals the delicate nexus where solace becomes sex; the role of men and women as unmarried friends; and examines grief in a marriage. It portrays the pain of change and the poignancy of acceptance through Laura's eyes, and occasionally, through the quirky outlook of her ten-year-old daughter. And before the story ends, another brutal, random accident will redefine Laura's life once again.

A 2020 ALA Notable Children's Book A Washington Post Best Children's Book of 2019 Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of Everything I Know About You, Halfway Normal, and Star-Crossed comes this timely story of a middle school girl standing up and finding her voice."

A Godly Guide for Girls - Julie Mauga 2007-05

This book is designed as a guide to help you answer the questions that you might be afraid to ask. How can I maintain friendships with guys? What do I do if I've already had sex? How do I know if my boyfriend is abusive? Is drinking against the Bible? This book deals with these topics and more from a Biblical perspective. What is God's will in your life? This book is a godly guide that enforces the idea that God is a loving, forgiving, and compassionate father who wants the best for "His girls."

Young women today have questions and face issues unique to their sex and age. This book is designed to guide young women through these different situations. This is a straight-forward guide to do the right thing in any given situation because EVERY young woman is one of God's girls -- full of promise and potential. Julie Mauga resides in Northern California where she is a stay-at-home wife and mom to her husband Jason and twins, Kai and Kili. She volunteers monthly as a phone counselor for a pro-life pregnancy hotline. Julie has her B.A. in Psychology with a minor in Sociology from California Baptist University in Riverside, California. It has been Julie's lifelong dream to become a published author. Her first short story, "Can You Catch a Dream?" was published in the Oct/Nov 2006 issue of "Skipping Stones" magazine. This book has been a labor of love for Julie. She wrote it after working with young women as a high school Sunday school teacher and phone counselor. God placed a passion in her heart to help young women. She felt it was God's desire for her to write this book, and it is her desire to obey and serve the Lord.

I Was Blind (Dating), But Now I See - Stephanie Rische 2016-01-01
Eight setups. Eight awkward dates. Eight things God tried to teach her along the way. (Some of which she's still trying to figure out.) Stephanie Rische was starting to feel invisible. All around her, her friends were getting married, and she found herself decidedly alone. Stephanie couldn't help but wonder if there was something broken in her—was she not pretty enough? Not fun enough? Not dateable enough (whatever that meant)? So she started praying in earnest for God to bring the right man into her life. And instead, He brought her matchmakers. Eight of them, to be precise. Beloved blogger Stephanie Rische debuts with this charming, vulnerable, and (who are we kidding?) often mortifying true story of a girl who tried really hard to find someone to fall in love with—even when she mostly just ended up falling flat on her face. But amid the most cringeworthy setups and awkward encounters, Stephanie found God's grace and love meeting her there in ways she never could have imagined—once she opened her eyes to see.

Tell Me Again How A Crush Should Feel - Sara Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

Speaking Truth to Power - Dean A. Dabney 2016-08-02

Domestic drug enforcement takes many forms, from the rural patrol officer who happens upon a small-scale mobile "shake and bake" methamphetamine lab during a routine traffic stop, to the city narcotics detective who initiates a low-level buy-bust operation that nets a few hits of crack cocaine on the street corner, to the local, state, and federal agents working in multiagency task forces that coordinate a sting operation that nets thousands of kilos of near-pure cocaine being transported by tractor-trailer. Regardless of the form, there is a high probability that these authorities have exploited access to known offenders and exerted pressure on those individuals to gather inside information on illicit drug sales. These confidential informants provide intelligence on the inner workings of drug operations in exchange for leniency or remuneration, providing a relatively cheap source of intelligence that fuels much of the ongoing war on drugs. In other instances, law enforcement authorities will reach out to members of the criminal underworld who are willing to provide valuable intelligence in exchange for money. Despite the central role of informants in contemporary police operations, little is known about the shadowy relationships among law enforcement, snitches, and offenders. Based on ethnographic fieldwork in the narcotics, homicide, and street-level vice operations in two major metropolitan police departments, *Speaking Truth to Power* takes readers to the front lines of the war on drugs to unravel this complex web of information exchange.
