The Mind Object - Edward G. Corrigan 1995-11-01

How to Help People Who Have Only Their Minds to Love Can a person relate to his or her own mind as an object, depend upon it to the exclusion of other objects, idealize it, fear it, hate it? Can a person live out a life striving to attain the elusive power of the mind's perfection, yielding to its promise while sacrificing the body's truth? Winnicott was the first to describe how very early in life an individual can, in response to environmental failure, turn away from the body and its needs and establish "mental functioning as a thing in itself."

Winnicott's elusive term, the mind-psyche, describes a subtle, yet fundamentally violent split in which the mind negates the role of the body, its feelings and functions, as the source of creative living. Later, Masud Khan elaborated on Winnicott's notions. This exciting book extends Winnicott's and Khan's ideas to introduce the concept of the mind object, a term that signifies the central dissociation of the mind separated from the body, as well as underscores its

function. When the mind takes on a life of its own, it becomes an object-separate, as it were, from the self. And because it is an object that originates as a substitute for maternal care, it becomes an object of intense attachment, turned to for security, solace, and gratification. Having achieved the status of an independent object, the mind also can turn on the self, attacking, demeaning, and persecuting the individual. Once this object relationship is established, it organizes the self, providing an aura of omnipotence. However, this precocious, schizoid solution is an illusion, vulnerable to breakdown and its associated anxieties. Making a unique contribution, The Mind Object explores the dangers of knowing too much—the lure of the intellect—for the patient as well as for the therapist. The authors illuminate the complex pathological consequences that result from precocious solutions.

Seducing a Woman with Words - Lucas Lautier 2018-05-31

"Hi, how are you?" Do you count on seducing a girl with this kind of line? Really? May he who has never ended up in the friendzone cast the first stone at me. We've all already found ourselves in this uncomfortable situation: the one where we try to go further with a friend before being gently rejected. And yet, by applying some powerful advice that would have allowed you to position yourself otherwise in the nascent relationship, you would surely be in a relationship with this woman at this time. The secrets I am about to pass on to you have made me the man I am today: a true and complete man who is aware of the hidden power of words. The seduction techniques that you will soon learn have allowed me to sleep with more than forty women at only 22 years old. Passionate about human psychology (and female beauty), I looked into the subject very early to reach my goals. I ended up mastering the tricks of the trade to a point where everything became too easy... Seducing a woman by SMS, approaching on Facebook or flirting on Tinder is child's play for me. This is what you're going to learn in this book: - How to never again end up in the Friendzone by learning the difference between a classic conversation and flirting (many people confuse the two). We don't talk to a friend in the same way that we would talk to a potential

future girlfriend. - How to effectively start a conversation with a woman on a dating site or Facebook and make her want to get to know you, by differentiating yourself from other men. - How to never run out of subjects to talk about, by using the storytelling technique. - How to position yourself in the emerging relationship to be and continue to be the alpha-male and to control the upcoming sequence of events. - How to make a girl want you without seeming like a pervert. To handle the art of sexualisation like a God. - How to appear mysterious and make her crazy for you in a short amount of time. - How to be light-hearted, funny and endearing by using humour. The examples will be as real as can be and modelled on real conversations. All of the extracts from discussions which will be presented to you are not made up but rewritten versions of, or strongly inspired by, my past conversations: everything is authentic (except the names used for obvious confidentiality reasons). Ready to be part of the elite? The group of 5% of men who seduce Facebook, Tinder, Happn, Bumble, Match.com, OkCupid, Instagram and many others. And who sleep with all the women of their dreams.

The Noble Art of Seducing Women - My Foolproof Guide to Pulling Any Woman You Want - Kezia Noble 2012-02-23

Have you ever dreamt of becoming an infallible

seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

New York Times bestselling author Chantal Fernando returns to her latest, steamy Conflict of Interest series with this electrifying tale of murder, justice, and intense attraction. Jaxon Bentley is a hardnosed criminal lawyer whose entire life revolves around his work. He's been asked to represent Scarlett Reyes, a woman accused of murdering her police officer husband in cold blood. All the evidence points to Scarlett being guilty and Jaxon is sure it's an open and shut case. But when he meets his client, he can't help but feel that she's innocent and that there's more to the story than meets the eye. With a bit of digging, he uncovers a connection to the notorious Wind Dragons Motorcycle Club and realizes that Scarlett's case is a complicated and difficult one. It certainly doesn't help that the two share an immediate and passionate attraction. Will Jaxon be able to prove Scarlett's innocence or are the two doomed to fail both in court and as a couple?

Seducing Bran - Jules Barnard 2018-10-22

The wrong brother... Ireland needs a fresh start, and her cousin convinces her to take a chance on a charismatic bad-boy with a wicked boat and a killer body. But when Ireland shows up for the popular Lake Tahoe booze cruise he runs, she finds his handsome older brother at the helm instead. Bran likes things structured and predictable. Especially after the mistakes he made ten years ago. But his father's recent passing threw his calm life into chaos, and now Bran is in charge of the family's five-star restaurants. He's been grasping to get things back to status-quo ever since. He has no idea how much more complicated life will get. Flame-haired Ireland is exactly the type of beautiful woman Bran has programed himself to avoid. But when she falls into his lap on a booze cruise his brother asked him to cover, the boat isn't the only thing tossed by the water. Bran's heart goes overboard as well. Headstrong Ireland is nothing Bran wants, and everything he needs.

"Wonderful characters and beautiful family." ~ Julia, Reviewer EXCERPT Bran stretched his neck and let out a sigh. "I'm sorry... About the boat incident." "You mean the kiss?" "I meant the hands. The kiss had been coming." The corner of his mouth quirked. "I liked the hands," she said, her blood boiling with annoyance. "It was the words out of your mouth I could have done without." Bran's eyes darkened. "Good to know. Next time, less talking and more touching." Ireland's jaw dropped. "Who says there will be a next time?" "You didn't say there wouldn't." It's interesting that we tend to seek for answers with the same brain that has produced the questions and then wonder why we keep the questions but not have the answers or why the answers never seem to match our initial perceptions or expectations when making the

questions? And yet, for some reason, we persist for months, and even years of our life, with the same questions. Very often, we give up on finding the answers, but the questions remain, buried in our subconscious mind. And so, and ironically, I find myself realizing that the best answers can only be seen and not searched. Truly, you can only look at what lays in front of you, because life is perfect already, and anything that can be found beyond our preconceived ideas about life is really beyond our preconceptions, thoughts or expectations, which means one cannot be without not being. In this book, I will show you what I've found when forgetting myself, when allowing myself to feel stupid and realizing that I know very little about life, and in specific, women, which is something I had to do if I wanted to truly know how to conquer a ten instead of settling for less. I actually thought I had conquered many tens before in my life, you know, those women every man wants, that they try to anxiously seduce even as she is right next to me, or that they want to learn how to seduce by becoming my friends first and copying what I do next. But recent experiences shown me that the level can always be upgraded. Those tens are now ones when compared to the astonishing goddesses I met in the baltic countries. In my previous books I did mention women that are socially perceived as a ten. But what if you met the hottest girls in the world? What kind of ten is that previous girl you met? Relearning about how to answer such questions is what I did to write this book. After ending a five years relationship with a woman that was a ten from the social perception of any country we visited together, in a nearly total of thirty countries, often making men wondering what a guy like me had that they didn't, and assuming it's just the size of my cock, was what I did to upgrade my game and take it to a completely new level, far beyond my personal expectations. I decided to travel for 4 months in 7 of the countries with the most beautiful women in the world: Finland, Estonia, Latvia, Lithuania, Denmark, Belgium and Spain. This book resumes conclusions that I'm not necessarily proud or happy about, but that, as a social, psychological, but also psychopathic, and foremost, mindfucking scientist, as well as researcher, do present very accurate insights into the female mind, at least

the one that is at the top as the most appreciated, the tall, blond and blue or green eyes blond with long hair and beautiful facial features. You know, that goddess that you thought only existed either in the Lord of the Rings or very high quality porn movies. Yep, I'm going to teach you here how to blow yourself away with amazing success in picking up and dating the hottest women in the world. And if you can't, well, fuck it and fuck you, because I'm not your father and this isn't LSD and won't make miracles for you just because you read it. This is just a book. You're responsible for what

you do, say and also for who you are. So, don't blame me or anyone else for being yourself and existing in the way you do. If you want these tips to work, you must use them over and over again, because they're so good that they even work on men. That's right, I made as many male friends as I made female friends by behaving and talking like what I will show you here. And I also did have amazing conversations with some guys while seducing their girlfriend in front of them. The emails that these girls kept sending me still surprise me to this day.
