To Have, to Hold, and to Never Let Go Cattina C. Coleman 2012-12-28 I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book To Have, To Hold, and To Never Let Go, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how To Have a Woman, Hold a Woman, and To Never Let Her Go.

The Pisces Melissa Broder 2019-02-05 LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION "Bold, virtuosic, addictive, erotic - there is nothing like *The Pisces*. I have no idea how Broder does it, but I loved every dark and sublime page of it." —Stephanie Danler, author of *Sweetbitter* Lucy has been writing her dissertation on Sappho for nine years when she and her boyfriend break up in a dramatic flameout. After she bottoms out in Phoenix, her sister in Los Angeles insists Lucy dog-sit for the summer. Annika's home is a gorgeous glass cube on Venice Beach, but Lucy can find little relief from her anxiety — not in the Greek chorus of women in her love addiction therapy group, not in her frequent Tinder excursions, not even in Dominic the foxhound's easy affection. Everything changes when Lucy becomes entranced by an eerily attractive swimmer while sitting alone on the beach rocks one night. But when Lucy learns the truth about his identity, their relationship, and Lucy's understanding of what love should look like, take a very unexpected turn. A masterful blend of vivid realism and giddy fantasy, pairing hilarious frankness with pulse-racing eroticism, *THE PISCES* is a story about falling in obsessive love with a merman: a

figure of Sirenic fantasy whose very existence pushes Lucy to question everything she thought she knew about love, lust, and meaning in the one life we have.

Pisces - Mr. Imagination Tiana Laveen 2018-03-14 PLEASE NOTE: This book contains adult content. Welcome to the "Zodiac Lovers Series" - The 12 Signs of Love. This is a series which features a hunky hero for each zodiac sign of the year! All novels in this series are standalone, so you can purchase any or all of them as you wish, without missing a beat. Each Hero embodies typical characteristics of their zodiac sign, but please bear in mind, this is simply for fun and not intended to mean that men of any sign mentioned will act as described. Each unique tale chronicles the life of the

hero and heroine's quest for love and romance. Some of the heroes are serious and brooding, others capricious and fun-loving. Some of the tales will feel like a modern-day fairytale while others will take a more serious tone. Some of these stories may lie somewhere in between. This series is written from the heart and gathered from the stars. Enjoy! BLURB Paxton Starr is a world-famous illusionist. Deemed a mastermind in his field, he is often described as a modern-day Houdini with the ability to levitate and make purple flower petals rain from the sky. Yet, when not performing, he shies away from the limelight. People know little about the private life of this untouchable, enigmatic man-not much past the fact that he enjoys a good glass of cognac and taking a dive in the pool, or better yet, when the time allows, in the Pacific Ocean. That is, until one headstrong reporter for the Las Vegas Sun, Ivy Faye, gets the once-in-a-lifetime opportunity to conduct an exclusive interview with him. Ivy is driven, savvy, and a self-proclaimed proud manipulator. This has gotten her far in her line of business and she will stop at nothing to get her award-winning exclusives. Treating Mr. Starr as one of many to unravel, she has no idea about what she has signed up for. Starr is no ordinary man and it will take more than a pretty smile and well-placed words to find out what makes him tick. What begins as a typical weekend interview turns into an inferno of hot chemistry and more unanswered questions. Paxton is not willing to put all his playing cards on the table, but Ivy's conflicting career goals and attraction for him force them both into a position neither dreamed possible. What do you do when friends betray you, love comes waltzing in, and the roll of the dice amounts to more than luck? Paxton forces Ivy to discover that the true illusionist may not be him. It could very well be the woman in the mirror...

SignMates Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.
