**Sun of Many Colors** Jacob Snow 2014-07-01 This is not a book about Religion. Using the real birthday of Jesus, kinda, plus fractals and other patterns found in nature, I have created several new zodiac charts to help locate, and describe, the evil ones among us. I gave these charts such names as 'Heaven to Hell', 'Child, Teen, Adult', 'Leaping Lizards', and my favorite, 'The Wheel of Good & Evil'. With certain specific patterns, I was able to locate such horrible people as 'The Professional Victims', 'People of Rage', and 'The Laughing Idiots'. A 'Health Chart' is included that might help you feel better and look younger for years longer. It uses the separation of white light through a prism, or the power of 3, to let you know who on the zodiac wheel might help in restoring you back to life. If hell is other people, then heaven can be other people too. Names were giving to all 12 zodiac zones on the wheel, and most of the evil subzones too. These names describe the basic essence of those individuals who were born inside those zones. Some of the names giving include:

As morbid as it sounds, it's just how our energy works. The planets and luminaries are then split into two categories: inner/internal and outer/external, and every planet possesses their own type of energy and specialty. From the internal planets, the Sun shines on planets that impact our personalities. It's how we function as an individual. From the external planets, the darkness of these worlds helps us utilize our personality and inner strengths to overcome events of the physical realm. It's how we shine our light in dark spaces." About the Author Joan Zodianz is a professional astrologer, angel medium, intuitive artist, and tarot reader. She has been developing her spiritual gifts since childhood. She has a love of spirituality, obsession with astrology, and strong connection with Archangels.

**Capricorn Ascendant Secrets** Saket Shah 2020-01-05 There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

**Friends on a Rotten Day** Hazel Dixon-Cooper 2008-05-01 It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy

changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

**Voyage of the Capricorn Lady - Book II** Judith Gilman 2005-07-28 VOYAGE OF THE CAPRICORN LADY BOOK TWO The Shadow of His Smile Voyage of the Capricorn Lady, Book Two, The Shadow Of His Smile, continues the true story about a Caribbean Charter yacht couple, Captain Judith Gilman and her husband, Captain Dan T. Gilman III. After they lost their business and almost all their personal possessions in central Florida, they sailed away on an aging wooden sailboat, finding a new life in the Crewed Charter Industry in the Virgin Islands. The first book, Voyage of the Capricorn Lady, Book One, Lost at Sea with Daniel T., recounts Dan and Judis miraculous escape from almost certain death after a boating accident in the lower Bahamas, and chronicles the challenging and adventurous life they stumbled into that would provide a new career for the next 23 years. After they sold their sailboat, Capricorn, in 1980, they became the new owners of a 71 Trumpy Houseboat, built in 1947. From 1980 until 1999, Dan and Judi Gilman owned and operated Capricorn Lady in the British Virgin Islands, hosting Oscar winners, film directors, royals, and families from around the world. The vessel, and her owners, was featured in many international yachting and travel magazines, and was one of the first motor vessels to do crewed charters in the Virgin Islands. Dan and Judi purchased another smaller Trumpy, Capricorn Mistress in 1985 to join the Lady at her Nanny Cay base, often running the two vessels in tandem to provide accommodations for large family reunions, and corporate charters. Licensed Captain, First Mate, and Master Chef, Judi, a Capricorn Lady, tells all with a sense of humor and obvious love for the life she shared with Captain Dan. Tales of charter guests, charter crews, colorful island characters, beloved friends, and life in the beautiful British Virgins, are spiced with the memories of years of hard work and accomplishment. Judi describes what life was really like, below decks, on her successful charter yacht, as she and her husband strived to provide luxurious cruises for their guests, aboard a classic wooden yacht. Judi embarked on her voyage of love and adventure with Dan in 1964, and during their life together, they shared many tests of their ability to adapt to new circumstances. Never separated, working together 24 hours a day, they were loved and admired by their charter guests, but failed to heal the wounds caused by their abrupt departure from their previous life. Two families suffered the pain of separation, never sailing across distant horizons to reach the shores of forgiveness. This phase of the Capricorn Ladys journey culminated with Dans death from Lung Cancer in April 2003, after a fierce two-year battle for survival. Travel with Judi from the carefree golden sands of the Caribbean to the Cancer Centers in Oregon where Dan stood his final watch. Judis beloved Captain departed across the bar in Florence, Oregon, leaving her in a world far from the sunny islands of the Caribbean. Learning to cope without her beloved soul mate, while transitioning to a new and interesting life, is her new challenge for the future. Dreams and psychic occurrences during Judis life, and after Dans death, confirm the bonds of love that bind this Capricorn Lady and her Captain, Forever. The Capricorn Ladys Voyage will continue Somewhere Beyond the Sea.
